It is gently rubbed over the parts so severely taxed, and being absorbed lubricates all the muscles. Druggists sell it for 5¢ per bottle. You may have our book "Motherhood" free. ### Indigestion Causes Catarrh of the Stomach.

For many years it has been supposed that Catarrh of the Stomach caused indigestion and dyspepsia, but the truth is exactly the opposite. Indigestion causes catarrh. Repeated attacks of indigestion inflame the mucous membranes lining the stomach and exposes the nerves of the stomach, thus causing the glands to secrete mucus instead of the juices of natural digestion. This is called Catarrh of the Stomach.

### Kodol Dyspepsia Cure

relieves all inflammation of the mucous membranes lining the stomach, protects the nerves, and cures bad breath, sour risings, a sense of fullness after eating, indigestion, dyspepsia and all stomach troubles.

Red Willow county land is by many underestimated. It is of much value as farming land. Be wise and do not undervalue Western Nebraska land. Eighteen sections of land in range 7, Nebraska, was once advertised for sale at \$1.00 an acre. Furnas county land has doubled and trebled in value within the past three years. All the above land should be sold by Christmas. Consider the terms, and with proper farming, it will pay for itself. Use the phone, or wire if you deem it necessary—it often beats the mail, if some other fellow is writing.  
I have 40 farms in Frontier county for sale at \$4.00 an acre up. Send for list.
