TESTIMONIAL

Delmont, S. D., Dec. 17, 1902.
I used L. K. for hog cholera and it was all
right. It cured my hogs. I had three sick ones
and they all got well and done fine. I also
used it for chicken lice and mites and it is all
you claim for it. It is the only Medicine for hog
cholera, I think.
G. L. H. JENSEN.

Harrington, Neb., Dec. 11, 1902.
I am using Liquid Koal and am well pleased
with it. I am sure I saved my hogs with it last
year, and am going to keep it in stock all the
time as it is the best thing I ever had on the
place for everything it is intended for. It is
good for chicken cholera, lice on stock, insects
of all kinds; it will destroy all kinds.

Can You Eat?

J. B. Taylor, a prominent merchant of
Christman, Tex., says: "I could not eat
because of a weak stomach. I lost all
strength and ran down in weight. All
that money could do was done, but all
hope of recovery vanished. Hearing of
some wonderful cures effected by Kodol
Dyspepsia Cure, I concluded to try it.
The first bottle benefited me, and after
taking four bottles I am fully restored to
my usual strength, weight and health."
Kodol Dyspepsia Cure digests what you
eat and cures. Sold by L. W. McCon-
nell.

LEBANON.

R. W. Devoe and wife were over from
McCook over Sunday.

F. S. Soverns and Edna were up from
Wilsonville, Saturday.

A. C. Bartholomews were Missouri
Ridge visitors, Sunday.

Charles Nichols has plowed his alfalfa
under and will drill in rye.

Ned Ferrel and wife drove to McCook,
Sunday, and home, Monday.

W. M. Ball and George Fitzinger took
pictures of the ball players, Saturday.

George Abbott writes from Unadilla
that he likes that place—to buy grain in.

B. A. Johnson has rented the J. P.
Kinne farm and is drilling wheat into
the corn.

J. L. Murr, the M. E. pastor for the
coming year, arrived, Saturday night,
overland.

C. E. Thompson left, first of the week,
for Billings, Mont., after a week's visit
with his uncle Mr. Welborn.

Charles Cowden hauled a 4-horse load
of barley to Danbury, Saturday, the
elevator at Lebanon being closed.

A. P. Bodwell has sold his 160 to
Henry Kettering for \$7,200, or \$45.00
per acre, and will give possession 1st of
March.

The friends of William Boyd surprised
him on the 5th, the 4th being his 24th
birthday. About 25 were there, and they
enjoyed themselves.

Mitchell Young and wife of Danbury
took in the ball game here Saturday. A
large crowd was intending to come but
were told there would be no game. They
missed the best game of the season.

N. S. West returned, Monday, from an
extended visit to points along Lake Super-
ior, the World's Fair and a four weeks'
visit with his son Forrest, who is now
located at Cave Springs, Mo.—Danbury
News.

Ora Bodwell has sold his dray line and
equipment and also his residence to
Wm. Morgan. Ora will go wherever his
father does; they are not yet decided.
The Bodwells were among the first set-
tlers in this part of the county, and were
here during the grasshopper years and
endured the Indian fire of 79 etc. We
regret to see them sell.

Dr. Isiah Bennett and a Miss Pierson
were married at St. Louis, September
29. They returned the 30th and are at
home now four miles west of Wilsonville.
The doctor is one of the oldest settlers
and has a wide acquaintance up and
down the valley. We are not acquaint-
ed with Miss Pierson, but understand
that she was a sweet (Swede) girl.

J. O. Westmeier drove over from
McCook, Saturday, to canvas the town
for his county atlas. He found the
business men too busy, Saturday, to do
any business. He has been working
Frontier county and Deatur county,
Kansas, wishing to save expense of mov-
ing their big outfit by having three
counties to work on.

Our ball boys went to Indianola, last
Thursday to play a series of games with
Stockville for a purse of \$100 and cham-
pionship of the season—Frontier county
against Lebanon. Pendergraft of Hast-
ings pitched for Lebanon and Teel of
the Iowa League for Stockville. Thurs-
day's game resulted in our team's defeat
by a score of 7 to 0. Friday was a rainy
day and the game was postponed until
Saturday when our boys won in an even
game of 7 to 6. Monday the score was 4
to 0 in favor of Lebanon.

F. M. Pennington noticed in the daily
papers of two weeks ago of a heavy cloud
burst at Trinidad, Colorado, and was
much worried until receiving a letter
from his son at that place. Ira writes
that he was on his engine when the flood
came and that he stayed there until the
water went down—over three hours.
The round-house was on an embank-
ment three feet high, and the water
washed the ground away and let the
building down the entire distance. The
cloud burst occurred over the city water
works reservoir (40 acres in extent) and
burst the dam.

The Lebanon girls played the Sun-
flower nine of Kansas, October 8. The
score was 44 to 12 in favor of the Sun-
flowers. The Kansas girls were a 11
dressed in blue aprons and caps alike.
Will Moss coached them. Their catcher
was Ola Vanfleet, and Lizzie Moss
pitched the entire game. Myra Pool
caught most of the game for Lebanon;
several pitchers were tried. It seemed
difficult for the girls to throw the ball
where they wanted it. The Kansas girls
matched a game for 3 weeks from the
8th, to be played with the women of
Lebanon. The game will depend, how-
ever, on the weather; if it is too cold
they will not play. The Kansas girls
represented some of the wealthiest
and most influential families, and the
parents were there in their double-seated
surreys to see the game.

NORTH OF LEBANON.

Fred Bool will build a new store soon.

Rudolph Quador's baby is said to be
very sick.

The German Lutheran pastor preached,
Sunday, at Osborn, north of McCook.

water trough and his ribs cracked, last
week Friday, while watering the hogs.

Adam Fritz has his stone house up
and the shingles on. The finishing he
will do at odd times during the winter.

Sam Young were married a week or ten
days ago and were serenaded one night
last week.

Little Martha Pennington was taken
sick, Thursday of last week, and during
the night had four convulsions. She is
improving at present.

Peter Hickman carries a watch that
his father gave him on his 21st birthday
that, with the chain, cost \$123. Mr.
Hickman thinks that as good a watch
could be bought now for \$20.

The new rural route is established and
now the string of boxes are up to catch
the mail. Not all boxes, though, for
some use two sacks. Peter Hickman
has so arranged his box on a swinging

crane that he need not step outside of
the yard to get the mail.

Tom Saul was heard to remark that
"they send men to Lincoln for a crime,
but I would consider it as much a pun-
ishment to be sent to Red Willow coun-
ty." But immediately after shedding
his thrasher after his second year's
run here, he commenced to drill in wheat
with the Bachelor boys. They will put
in 1,000 acres. Tom is paying 30c an
acre to get wheat drilled in corn stalks.

sults to the drivers. Both vehicles escap-
ed unscathed.

Jack Frost has forgotten us. Well, we
don't feel slighted. It has preserved our
potato vines a month longer than usual.
We would have to go back a long way
in the annals of Republican Valley his-
tory to find the 13th of October without
frost.
