Mrs. Lois Cragg of Dorchester, Mass., is one of many whose life was saved by Dr. King's New Discovery. This great remedy is guaranteed for all throat and lung diseases by L. W. McConnell, Druggist. The girls played ball again, Saturday. This is the second game the Lebanon girls have played with the Sunflower girls of Kansas. This game brought out the largest crowd seen in Lebanon, this summer. We saw Ollie Collings and friend from Indianola, James Finnegan and friends from Bartley, Bud Dooley from Oberlin; Mr. Dooley used to live south of Lebanon, but has not been down for 7 years and there were also many familiar and unfamiliar faces from Danbury and other towns. The Lebanon girls had almost a new nine and had practiced hard. They played good but the Kansas girls played better; every time they came to the bat they would draw back as if they were going to knock the ball out of sight and they did knock several home runs. The last half of the game Hattie Weatherwax pitched for Lebanon. She scared the batters some, as she was able to curve the ball. The Kansas girls played the same or very near the same as in the first game. The Lebanon players were Hannah Kaiser, Hattie Horton, Martha Halsey, Flora Waugh, Lottie Horton, Hattie Horton, Hattie Weatherwax, Bessie Sluttz, Alts McCarty, Hannah Kaiser pitched and Hattie Horton caught the first half of the game. Score 15 to 38 in favor of Kansas. Gar Weatherwax umpired the game.
