The train pulled out, Saturday, leaving \$125.00 worth of chickens and turkeys not loaded. The agent claims they were not billed and he could not hold the train, the man in charge of the chicken car being at the bank paying for the poultry at the time. He telegraphed his boss at Beatrice and then hired 2 teams and hauled the

birds to Wilsonville where his car expected to finish filling.

OBITUARY.

George W. Jones was born in Gustavus, Ohio, August 4th, 1829, and died at Grinnell, Iowa, December 6th, 1904, at the age of 75 years, 4 months and 2 days. He enlisted in the Union army at Jefferson, Ohio, and served through the whole war. After being mustered out he returned to his home in Ohio, residing there until September, 1869, when with his wife and daughter he removed to Wisconsin. In 1884 they came to Nebraska, locating on a farm near Lebanon and a few years ago removed to that place. He resided there until in September, 1903, removing to Grinnell, Iowa, at that time, where he was mustered into the G. A. R. above. He was a kind and devoted husband and father. His beloved wife with whom he had lived so many years and to whom he had ministered so lovingly, preceded him to the other world, June 3, 1903. His only child, Mrs. Malissa Porter, mourns the loss of a kind and loving father. Six grand children and three great-grand children complete his posterity. He leaves a brother in Minnesota and other more distant relatives. He was tenderly cared for in his last sickness by relatives in Grinnell, Iowa. Mr. Jones was one of the original members of the Presbyterian church in Lebanon, organized in 1889 and was a faithful and earnest member of it until he removed to Grinnell where he joined the U. B. church. Funeral services were conducted in the Presbyterian church by his former pastor Rev. William H. Scofield in the presence of many. The church was appropriately decorated with the flag for which he fought and dearly loved. Many of the old soldiers were present and some of them carried their comrade to his last resting place beside his loved companion. He is held in loving remembrance by relatives here and wherever known. "He rests from his labors and his works follow him."

No More Suffering.

If you are troubled with indigestion get a bottle of Kodol Dyspepsia Cure and see how quickly it will cure you. Geo. A. Thomson of Spencer, Ia., says: "Have had dyspepsia for twenty years. My case was almost hopeless. Kodol Dyspepsia Cure was recommended and I used a few bottles of it and it is the only thing that has relieved me. Would not be without it. Have doctored with local physicians and also at Chicago, and even went to Norway with hopes of getting some relief, but Kodol Dyspepsia Cure is the only remedy that has done me any good, and I heartily recommend it. Every person suffering with indigestion or dyspepsia should use it." Sold by L. W. McConnell.

Not A Sick Day Since.

"I was taken severely sick with kidney trouble. I tried all sorts of medicines, none of which relieved me. One day I saw an ad. of your Electric Bitters and determined to try that. After taking a few doses I felt relieved, and soon thereafter was entirely cured, and have not seen a sick day since. Neighbors of mine have been cured of rheumatism, neuralgia, liver and kidney troubles and general debility." This is what B. F. Bass, of Fremont, N. C., writes. Only 50c, at L. W. McConnell's, Druggist.

STARVED OUT.

Many a garrison has been forced to give up the fight and hang out the white flag of surrender, when lack of food has weakened the men past all power to continue the struggle.

Many a man is similarly starved out of business. His digestion is impaired. His food does not nourish him, and for lack of

strength to carry on the struggle he turns his store over to another.

Dr. Pierce's Golden Medical Discovery cures diseases of the stomach and other organs of digestion and nutrition. It restores strength to weak, nervous, run-down men and women.

"About ten years ago I began to be afflicted with stomach trouble, also diarrhea," writes Mr. Wm. Walters, of Antim, Mo. "In warm weather it grew worse, until it would throw me into a cramping chill. Was troubled so often that I sometimes thought my end had come. Tried many remedies, but they gave only temporary relief. In November, 1899, thought I would try Doctor Pierce's Golden Medical Discovery. I got six bottles and took five in succession, then thought I would wait for a time and take the one left. Soon found I had symptoms of the trouble coming back, so took the sixth bottle and it cured me. I have enjoyed the best of health this summer, and the credit all belongs to your 'Golden Medical Discovery.' I can't express my many thanks to Dr. Pierce for his remedy for it did so much for me. Words cannot express how severely I suffered. 'If any doubt the above statement let them address me, and I will take great pleasure in answering.'"

No Case of Pneumonia on Record.

We do not know of a single instance where a cough or cold resulted in pneumonia or consumption when Foley's Honey and Tar had been taken. It cures coughs and colds perfectly, so do not take chances with some unknown preparation which may contain opiates, which cause constipation, a condition that retards recovery from a cold. Ask for Foley's Honey and Tar and refuse any substitute offered. Sold by A. McMillen.
