THAT Nebraska daily that recently expatiated on the decadence of the beet sugar industry in Nebraska apropos of the removal of the factory from Norfolk, was effervescing through its title. It is just in its infancy.

Dr. Peters' address on "Animal Diseases and Their Treatment" before the Red Willow County Farmers' Institute to be held in McCook, February 22nd, will be worth coming many miles to hear. He is an authority on any subject of that nature he may undertake to discuss.

No Case of Pneumonia on Record.
We do not know of a single instance where a cough or cold resulted in pneumonia or consumption when Foley's Honey and Tar had been taken. It cures coughs and colds perfectly, so do not take chances with some unknown preparation which may contain opiates, which cause constipation, a condition that retards recovery from a cold. Ask for Foley's Honey and Tar and refuse any substitute offered. Sold by A. McMillen.

Omaha Daily News \$1.50 to Jan. 1, 1906.
The publisher of the Omaha Daily News will send their daily from now until January 1, 1906, for \$1.50 to all who subscribe during October. If you want the Sunday paper also, add fifty cents to your remittance. Those who are subscribers can renew under the same conditions.

Doesn't Respect Old Age.
It's shameful when youth fails to show proper respect for old age, but just the contrary in the case of Dr. King's New Life Pills. They cut off maladies no matter how severe and irrespective of old age, dyspepsia, jaundice, fever, constipation all yield to this perfect pill. 25c, at L. W. McConnell's drug store.

THE TRIBUNE makes a specialty of office stationery and type-writer supplies.

Doctors Could Not Help Her.
"I had kidney trouble for years," writes Mrs. Raymond Conner of Shelton, Wash., "and the doctors could not help me. I tried Foley's Kidney Cure, and the very first dose gave me relief and I am cured. I cannot say too much for Foley's Kidney Cure." It makes the diseased kidney's sound so they will eliminate the poisons from the blood. Unless they do this, good health is impossible. Sold by A. McMillen.

Consumption

There is no specific for consumption. Fresh air, exercise, nourishing food and Scott's Emulsion will come pretty near curing it, if there is anything to build on. Millions of people throughout the world are living and in good health on one lung.

From time immemorial the doctors prescribed cod liver oil for consumption. Of course the patient could not take it in its old form, hence it did very little good. They can take

SCOTT'S EMULSION

and tolerate it for a long time. There is no oil, not excepting butter, so easily digested and absorbed by the system as cod liver oil in the form of Scott's Emulsion, and that is the reason it is so helpful in consumption where its use must be continuous.

We will send you a sample free.

Be sure that this picture in the form of a label is on the wrapper of every bottle of Emulsion you buy.

Children

Have "eyes bigger than their stomachs," according to an old saying. They overeat themselves, and are tempted by all sorts of injurious and indigestible edibles. As a consequence the foundation of serious stomach trouble is often laid in childhood.

For children with "weak" digestion or whose stomachs are diseased, Doctor Pierce's Golden Medical Discovery may be confidently recommended. It cures diseases of the stomach and other organs of digestion and nutrition, so that the nourishment contained in food is perfectly assimilated and the puny child is built up by food into a condition of robust health.

Dr. Pierce's Golden Medical Discovery contains neither alcohol nor narcotics. Accept no substitute for "Golden Medical Discovery." There is nothing "just as good" for diseases of the stomach and other organs of digestion and nutrition.

Mrs. Ella Gardner, of Waterview, Middlesex Co., Va., writes: "My little daughter is enjoying splendid health. I am glad I found a doctor who could cure my child. Whenever she feels badly I give her Dr. Pierce's Golden Medical Discovery and she is soon all right. She took twelve bottles of the 'Golden Medical Discovery,' eight bottles of 'Pellies,' and one bottle of Dr. Sage's Catarrh Remedy and she is well. We thank God for your medicine."

Dr. Pierce's Common Sense Medical Adviser, in paper covers, is sent free on receipt of 21 one-cent stamps to pay expense of mailing only. Address Dr. R. V. Pierce, Buffalo, N. Y.

The Lutheran church sent four delegates to Hamilton county, Nebraska, to confer with a church there, hoping that they might persuade them to release Rev. Proeddel's contract so he may remain here.

When the reverend signed the contract with the Hamilton county church Ash Creek had a preacher, but Ash Creek's preacher has been removed to Osage, Iowa, so now there is no one to marry the young people, administer the sacrament or bury the dead.

The fact that we have sold our farm does not mean that we will quit gardening. We will know better what the market demands and what we can raise. Depend on us for your early tomatoe plants.

We supplied customers fifty miles distant in 1904 with the same kind of plants that yielded at the rate of 300 bushels to the acre for us. Our motto—"Better a small amount at a profit than a large amount at a loss."

WALTER M. PENNINGTON.
