TESTIMONIAL
DeMont, S. D., Dec. 17, 1902.
I used L. K. for hog cholera and it was all right. It cured my hogs. I had three sick ones and they all got well and done fine. I also used it for chicken lice and mites and it is all you claim for it. It is the only medicine for hog cholera, I think.
GOTTLIEB JERKE.
Harrison, Neb., Dec. 14, 1902.
I am using Liquid Kodal and am well pleased with it. I am sure I saved my hogs with it last year, and am going to keep it in stock all the time as it is the best thing I ever had on the place for everything it is intended for. It is good for chicken cholera, lice on stock, insects of all kinds; it will destroy all kinds.
