

MEDICAL EXAMINER

Of the United States Treasury Recommends Pe-ru-na.

Another Prominent Physician Uses and Endorses Pe-ru-na.

D. R. LLEWELLYN JORDAN, Medical Examiner of the U. S. Treasury Department, graduate of Columbia College, and who served three years at West Point, has the following to say of Peruna:

"Allow me to express my gratitude to you for the benefit derived from your wonderful remedy. One short month has brought forth a vast change and I now consider myself a well man after months of suffering. Follow sufferers, Peruna will cure you."

A constantly increasing number of physicians prescribe Peruna in their practice. It has proven its merits so thoroughly that even the doctors have overcome their prejudice against so-called patent medicines and recommended it to their patients.

Peruna occupies a unique position in medical science. It is the only internal systemic catarrh remedy known to the medical profession today. Catarrh, as everyone will admit, is the cause of one-half the diseases which afflict mankind. Catarrh and catarrhal diseases afflict one-half of the people of United States.

Robert R. Roberts, M. D., Washington, D. C., writes:

"Through my own experience as well as that of many of my friends and acquaintances who have been cured or relieved of catarrh by the use of Hartman's Peruna, I can confidently recommend it to those suffering from such disorders, and have no hesitation in prescribing it to my patients."

Robert R. Roberts.

Catarrh is a systemic disease curable only by systemic treatment. A remedy that cures catarrh must aim directly at the depressed nerve centers. This is what Peruna does.

Peruna immediately invigorates the nerve-centers which give vitality to the mucous membranes. Then catarrh

disappears. Then catarrh is permanently cured.

If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartmann, giving a full statement of your case, and he will be pleased to give you his valuable advice gratis.

Address Dr. Hartman, President of The Hartman Sanitarium, Columbus, Ohio.

It is safe to say that the lady who once uses Defiance Starch will use no other. Quality and quantity must win.

ROUSE CELECTED SPEAKER.

South Platte Combination Wins the Day.

LINCOLN—The forces of Douglas of Rock were overthrown Monday and the republicans in legislative caucus chose Representative C. L. Rouse of Hall county speaker. His election was ratified Tuesday at noon when the house convened. John Wall was chosen to succeed himself as chief clerk of the house. Clyde Barnard will be his assistant.

Senator W. H. Jennings of Thayer county was elected president pro tem of the senate. W. M. Wheeler of Fairfield was elected secretary.

It was a complete victory for the South Platte combination headed by Rouse, who is a North Platte man. The combination hustled and secured votes, while the Douglas men were apparently powerless to stem the tide. Overconfidence on the part of the Douglas forces was one reason assigned for their defeat. Some contended that Douglas could have won if his workers had consented to give up Westberg for clerk of the house.

The list follows:

Speaker—George L. Rouse, Alda.

Speaker Pro Tem—R. B. Windham, Plattsmouth.

Chief Clerk—John Wall, Arcadia.

Assistant Clerk—C. H. Barnard, Table Rock.

Second Assistant Clerk—C. E. Sandall, York.

Third Assistant Clerk—Will Downey, Lincoln.

Sergeant-at-Arms—Buck Taylor, Omaha.

Assistant Sergeant-at-Arms—J. H. McKinnon, Greenwood.

Chaplain—A. C. Crosthwaite, University Place.

Postmaster—S. D. McGinnis, Holt county.

Doorkeeper—J. B. Parrish, Blair.

Chief Clerk Enrolling and Engrossing Room—A. M. Timpling, Nebraska City.

Senate Officers.

The result of the formal caucus of the senate was as follows:

Chaplain—Rev. Jacob Flook, Kearney.

Secretary—W. M. Wheeler, Fairfield.

First Assistant—M. J. Greevy, Omaha.

Second Assistant—Walter Abrahamson, Holdrege.

Sergeant-at-Arms—H. D. Weder, Stella.

Assistants—Mell M. Scheld, Dakota City.

Postmaster—J. R. Manning, Wayne.

Chief Clerk Enrolling and Engrossing—A. E. Chaffee, Syracuse.

Clearing Away the Mines.

Japs Begin the Work on Getting Charts From Russians.

TOKIO—The Japanese naval officers have not examined the sunken Russian warships at Port Arthur and therefore nothing is known of their condition and possible availability for further service.

The Russians surrendered possession of the dock yard and other naval property yesterday and turned over to the Japanese ten small steamers available for immediate use. All the other craft had previously been sunk.

The work of clearing away the mines commenced as soon as the Russian charts provided for in the capitulation agreement were delivered to the Japanese.

It is impossible to move the majority of the sick and wounded, who will be nursed at Port Arthur. The Japanese are hurrying supplies of medicines and foods to the scene and with improved sanitation and careful nursing they hope to cure thousands of the patients. The case of the many prisoners is a troublesome and expensive task and it is possible that Japan will arrange later to return them to Russia. The question is now under consideration at Tokio.

It is said that General Nogai will return to Tokio at the request of the emperor, in which case he will receive a tremendous popular ovation. The foreign attaches entered Port Arthur yesterday.

RUSSIANS MARCH OUT.

All the Regular Troops Leave the Surrendered City.

PORT ARTHUR (With the Third Japanese Army), via Fusan—Only eighty Russian officers have accepted parole.

All the regular Russian troops have marched out of Port Arthur and will leave for Port Dalny today. Japanese troops entered the city yesterday to keep order. Noncombatants are allowed the option of remaining at Port Arthur.

The Japanese navy is removing mines and the Japanese hulks at the harbor mouth. All the forts have been taken over by the Japanese.

The authorities of Che Foo are ready to receive the first portion of the 1,000 resident noncombatants at Port Arthur who are to come here. Up to 10 o'clock last night, however, they had not arrived.

Frederic Emory Resigns.

WASHINGTON—It was announced at the state department that the resignation of Frederic Emory, chief of the bureau of trade relations, had been accepted by Secretary Hay and he will retire March 31. Secretary Hay characterizes Mr. Emory's work as of unusual intelligence and skill and says that he will leave an enviable record in the department. Mr. Emory was appointed secretary of the bureau of American republics in March, 1903, and has held other positions of an important character.

Testing the Richness of Milk.

Dairymen abroad have been experimenting for the purpose of determining which yield of milk, the morning or evening, is the richer of the two. The decision was in favor of the evening milk being the richer, both for butter and cheese making qualities. The milk of cows fed on ground feed in winter was richer than that produced by the same cows from grass in the summer.

Happiness in Poetry.

There are so many holy and tender emotions flying about in our inward world, which, like angels, can never assume the body of an outward act; so many rich and lovely flowers spring up which bear no seed, that it is a happiness poetry was invented, which receives into its limbers all these incorporeal spirits, and the perfume of all these flowers.—Jean Paul Richter.

Modern Surgical Methods.

The use of the needle and thread in closing wounds has come to be a fine art. In former days the surgeons were mere bunglers, and most wounds left hideous scars. But at the present day the manner in which arteries are ligatured, tendons spliced, intestines sutured and wounds closed is the foundation of success, no skilled use of the scalpel taking its place.

Surely nothing could be simpler.—New York Telegram.

Character Told by the Chin.

The chin is one of the most substantial parts of the face when it is normal, and by physiognomists is said to register unerringly certain characteristics, to tell on one for weal or woe." Others say that this is not so, for one may smile and yet be a villain, and the smile is what makes the facial characteristic.

Mrs. L. C. Glover, Vice Pres. Milwaukee, Wis., Business Woman's Association, is another one of the million women who have been restored to health by using Lydia E. Pinkham's Vegetable Compound.

"DEAR MRS. PINKHAM: I was married for several years and no children blessed my home. The doctor said I had a complication of female troubles and I could not have any children unless I could be cured. He tried to cure me, but after experimenting for several months, my husband became disgusted, and one night when we noticed a testimonial of a woman who had been cured of similar trouble through the use of Lydia E. Pinkham's Vegetable Compound, he went out and bought a bottle for me. I used your medicine for three and one half months, improving steadily in health, and in twenty-two months a child came. I cannot fully express the joy and thankfulness that is in my heart. Our home is a different place now, as we have something to live for, and all the credit is due to Lydia E. Pinkham's Vegetable Compound. Yours very sincerely, Mrs. L. C. GLOVER, 614 Grove St., Milwaukee, Wis." Vice President, Milwaukee Business Woman's Ass'n.

Women should not fail to profit by the experience of these two women; just as surely as they were cured of the troubles enumerated in their letters, just so certainly will Lydia E. Pinkham's Vegetable Compound cure others who suffer from womb troubles, inflammation of the ovaries, kidney troubles, nervous excitability, and nervous prostration; remember that it is Lydia E. Pinkham's Vegetable Compound that is curing women, and don't allow any druggist to sell you anything else in its place.

An Indiana Lady Tells of a Wonderful Cure:—

"DEAR MRS. PINKHAM: It is a pleasure for me to write and tell that your wonderful medicine has done for me. I was sick for three years with change of life, and my physician thought a cancerous condition of the womb. During these three years I suffered untold agony.

"I cannot find words in which to express my bad feelings. I did not expect to ever see another well day. I read some of the testimonials recommending your medicine and decided to write to you and give your treatment a trial.

"Before I had taken half a bottle of Lydia E. Pinkham's Vegetable Compound, I began to sleep. I have taken now six bottles and am so well I can do all kinds of work."—Mrs. LIZZIE HINKLE, Salem, Ind.

If there is anything in your case about which you would like special advice, write freely to Mrs. Pinkham. She can surely help you, for no person in America can speak from her wider experience in treating female ills. Address is Lynn, Mass.; her advice is free and always helpful.
