

WOMEN'S NEGLECT

SUFFERING THE SURE PENALTY

Health Thus Lost Is Restored by Lydia E. Pinkham's Vegetable Compound.

How many women do you know who are perfectly well and strong? We hear every day the same story over and over again. "I do not feel well; I am so tired all the time!"

Miss Kate McDonald

More than likely you speak the same words yourself, and no doubt you feel far from well. The cause may be easily traced to some derangement of the female organs which manifests itself in depression of spirits, reluctance to go anywhere or do anything, headache, bearing-down pains, flatulency, nervousness, sleeplessness, leucorrhoea.

These symptoms are but warnings that there is danger ahead, and unless heeded a life of suffering or a serious operation is the inevitable result.

The never-failing remedy for all these symptoms is Lydia E. Pinkham's Vegetable Compound.

Miss Kate McDonald, of Woodbridge, N. J., writes:

Dear Mrs. Pinkham:

I think that a woman naturally dislikes to make her troubles known to the public, but restored health has meant so much to me that I cannot help from telling mine for the sake of other suffering women.

"For a long time I suffered untold agony with a uterine trouble and irregularities, which made me a physical wreck, and no one thought I would recover, but Lydia E. Pinkham's Vegetable Compound has entirely cured me, and made me well and strong, and I feel it my duty to tell other suffering women what a splendid medicine it is."

If you are ill, don't hesitate to get a bottle of Lydia E. Pinkham's Vegetable Compound at once, and write to Mrs. Pinkham, Lynn, Mass., for special advice—it is free and always helpful.

Every housekeeper should know that if they will buy Defiance Cold Water Starch for laundry use they will save not only time, because it never sticks to the iron, but because each package contains 16 oz.—one full pound—while all other Cold Water Starches are put up in 3/4-pound packages, and the price is the same, 10 cents. Then again because Defiance Starch is free from all injurious chemicals. If your grocer tries to sell you a 12-oz. package it is because he has a stock on hand which he wishes to dispose of before he puts in Defiance. He knows that Defiance Starch has printed on every package in large letters and figures "16 ozs." Demand Defiance and save much time and money and the annoyance of the iron sticking. Defiance never sticks.

He is not dead who departs from life with a high and noble name; but he is dead, even while living, whose brow is branded with infamy.—Tieck.

ORDERS TO SHOOT

TROOPS MOW DOWN STRIKING WORKMEN AT RIGA.

THIRTY KILLED AND WOUNDED

Strikers Attack Troops to Disarm Them When Shooting Begins.—Whereabouts of Father Gopin Still Remains a Mystery.

ST. PETERSBURG—Although the strikes in Reval, Libau, Kieff, Odessa and a few smaller places are extending the situation is nowhere acute. An increasing number of workmen are out in Moscow, but there is no general tie-up or disorders.

The whereabouts of Father Gopin remains a mystery, although it is said he is in Moscow. The Russian capital presents almost a normal appearance and the authorities are confident that the strike has been broken. Some of the factories and mills have resumed and a general resumption of operations is expected on Monday. The authorities expect that the strike here will have a discouraging effect on the workmen in other cities to which the troubles have been spreading and believe that there is no longer danger of a complete suspension of all the industrial concerns of Russia.

Interior Minister Sviatopolk-Mirsky has promised a delegation of editors who called upon him that he will investigate the arrest of a number of prominent writers who are now confined in the St. Peter and St. Paul fortress and secure their release as soon as possible.

LONDON—A dispatch to Reuter's Telegram company from Riga confirms the previous announcement of a collision there between strikers and troops. Thirty workmen were killed or wounded and a substitute chief of police and two soldiers were mortally wounded.

The encounter occurred near the Tukkuim railroad station. The strikers attacked the troops and attempted to disarm them, when the order was given to fire. All the workshops and factories are closed. The strikers are parading the streets and forcing all workmen to join in the procession.

A dispatch from St. Petersburg, timed 9:26 p. m., to a news agency reports that Pahl's factory and a large cotton mill have been set on fire and are burning fiercely.

REVOLUTIONARIES AT LONDON.

Denounce "All Emperors, Thieves and Other Loafers."

LONDON—The large east end resort "Wonderland," which is notorious as a prize fight arena, was the scene Friday night of a revolutionary demonstration. The audience numbered 3,000 and was composed largely of Russian Jews. A Russian revolutionary leader presided and made a speech denouncing Emperor Nicholas and the grand dukes. For the benefit of recent arrivals from Russia he repeated his speech in the Russian tongue.

The speaker was constantly interrupted by cheers for the Russian revolution and the singing of the revolutionary hymn. This was followed by a speech from a Londoner, who delighted the audience by denouncing Emperor Nicholas, Emperor William and King Edward, and proposed that the audience rid themselves of "all emperors, thieves and other loafers."

A resolution was passed in harmony with the temper and view of the gathering, which was strange and motley, perhaps the most representative of the kind ever seen in London. Policemen were present in large numbers, but did not interrupt the proceedings.

GRAIN RATE WAR IS NOW ON.

Eastern Roads Meet the Tariffs Later by Ravailing Omaha to Gulf.

CHICAGO—The dogs of a real railroad war were let loose Thursday, when the Chicago gateway and the Gulf of Mexico outlet began to fight in earnest for the grain trade of the corn belt. The western roads, with the exception of the Chicago & North-western, announced rates of 18 1/2 cents from Omaha to New York, 17 1/2 cents to Philadelphia, and 17 cents to Baltimore for export. The Gould lines, with the other Gulf roads, came back with an open tariff of 12 1/2 cents from Omaha to New Orleans. The action of the Chicago roads became known early in the day, and bore immediate fruit in the securing of a substantial amount of grain through Nebraska by Chicago concerns.

For the first time in weeks Chicago shippers were able to compete with their rivals, using the low rates that had been effective to the Gulf of Mexico. Farmers got nearly 4 cents more for their grain than before the reduction was made.

Late in the day came the reply from the Gulf lines, which met the open rates of the Chicago roads by an open tariff 1 1/2 cents lower than the "midnight tariffs" of a fortnight ago.

Students Show Disapproval.

Darmstadt, Grand Duchy of Hesse—Three hundred Russian students marched to the house of the Russian minister, Prince Koudachew. The spokesman for the students said they wished to protest against absolutism, the war with Japan and the recent proceedings at St. Petersburg. The students gave cheers for free Russia. The minister replied that last Sunday had been a day of the deepest sadness because masses of workmen had been misled by thoughtless leaders. The students then quietly withdrew.

RUMOR THAT CZAR MAY FLEE

Not Confirmed That He Intends Going to Copenhagen.

ST. PETERSBURG—There is no confirmation of the report that the emperor, empress and children are going to Copenhagen, or, on the other hand, that the emperor has decided to appoint a mixed commission of officials, employes and workmen to consider the strikers' demands, notably the question of eight hours work per day, and to make an investigation of the shooting of the strikers.

All sorts of rumors are circulating in both official circles and among the workmen.

A curious report spread among the men last night that the emperor had given in and that three white flags had been displayed over the Winter palace, signifying that he had consented to reduce the maximum legal hours of work from eleven to eight. According to this legend the emperor would have displayed a red flag if he had decided to refuse the strikers' request.

Many workmen, deceived by this rumor shouted "hurrah" in token of victory and this possibly was the reason that the strikers, believing they had already won the day, refrained from committing excesses yesterday.

DO NOT FAVOR ARBITRATION

Russia Does Not Like Hay's Suggestion.

ST. PETERSBURG—At the foreign office the Associated Press was informed that the proposition from Secretary Hay to submit the question of the violation of Chinese neutrality to international arbitration had not been received. The officials were rather non-plussed at the suggestion, declaring they could not understand how it was possible under the present circumstances to adjust such a question by such means.

The exchange of signatures of the Russian-American arbitration treaty within a few days is expected to follow Foreign Minister Lamsdorf's reply forwarded today through Ambassador McCormick to Secretary Hay's representations regarding the risk of difficulty in the matter of ratification by the senate of any treaty departing from the original Franco-British model. The difficulties as alleged by Mr. Hay are thoroughly appreciated and Russia, being anxious to consummate the treaty, has decided not to insist upon the form of treaties which she has already also negotiated with Belgium, Norway and Sweden in addition to the United States.

JAPS LOSE VILLAGE.

Russians Occupy Fortified Town in Manchuria after Desperate Battle.

ST. PETERSBURG—General Kourapatkin reports that Russian troops on January 26, after a desperate fight, occupied the village of Sandapas, which had been strongly fortified by the Japanese.

News of General Kourapatkin's successful repulse of the Japanese advance comes most opportunely.

The belief exists that Field Marshal Oyama sought to take advantage of any depression prevailing in the Russian ranks as the result of the news from St. Petersburg by an attack against General Kourapatkin's right, but the Russian commander-in-chief seems to have turned the tables, inflicting considerable loss on the Japanese on Thursday and taking several positions westward along the plain of the Hun river.

Evidently General Kourapatkin is following up his victory, the latest dispatches to the Associated Press from the front, dated 6 o'clock, in the evening of January 27, indicating that there is a battle in progress extending along the center and becoming more and more serious. However, it seems to be confined to artillery.

TALK CONCIILIATORY PLANS.

Emperor Nicholas Causes Special Council to Be Held.

ST. PETERSBURG—A special council was held at Tsarskoe Selo, at which it is said various conciliatory measures were decided on, but no details have yet transpired.

Emperor Nicholas gave a luncheon Friday at Tsarskoe Selo in honor of the birthday of Emperor William of Germany. The empress, the dowager empress, the German ambassador, Count Lamsdorf and M. Witte were present.

The strike continues at Saratoff, Libau and Lodz. No newspapers have appeared in any of these cities. At Warsaw the situation appears to be getting worse. The strike is rapidly spreading, shops have been closed, there are no newspapers and telephone service has been stopped.

Bryan at College Dinner.

NEW YORK—William Jennings Bryan was the principal guest Friday night at the annual dinner of the New York Alumni association of Syracuse university at the Hotel Astor. He spoke on "The Appeal of Democracy to the Cultured Classes."

Main Question Not Touched.

WASHINGTON—"None of the pending measures touch on the main question," said A. C. Bird, vice president of a number of railroads composing the Gould system, at a hearing Tuesday before the house committee on interstate and foreign commerce on the question of giving the interstate commerce commission greater powers. Among the roads represented by Mr. Bird are the Wabash, Iron Mountain, Missouri Pacific and Texas Pacific. Unreasonable rates, per se, he said, have disappeared.

COL. BECKWITH SAYS:

"I Take Pleasure in Commending Pe-ru-na For Coughs and Colds."

COL. PAUL E. BECKWITH.

Colonel Paul E. Beckwith, Lt. Col., retired, 1st Reg. Minute Men, in a letter from 1503 Vermont avenue, N. W., Washington, D. C., writes:

"From the unqualified endorsement of many of my friends, I take pleasure in commending your remedies for coughs and colds."—Paul E. Beckwith.

IN FIELD OR BARRACKS

PE-RU-NA IS EFFICACIOUS.

The constant exposure to the elements experienced in an outdoor life is not so apt to cause coughs and colds as sedentary habits.

Those who are brought face to face with the weather every day in active life are much less liable to catarrhal diseases than those who are housed up in ill ventilated rooms. And yet both of these classes are more or less subject to catarrh and catarrhal diseases.

The soldier as well as the civilian finds it frequently necessary to use Peruna on account of coughs and colds.

No one is exempt. The strong and healthy are less liable than the weak and ill, but none entirely escape.

Peruna has always been a great favorite with the military men, both in the army and navy.

The strongest kind of testimonials are received from officers of high rank concerning the virtues of Peruna for all catarrhal ailments.

Only a small per cent. of these can be used for publication for want of space. Mr. Harrison L. Deam, Burnside Post No. 8, Department of the Potomac, Colonel encampment No. 69, Union Veterans Legion, Colonel Green Clay Smith Regiment No. 17, U. V. U., Department of the Potomac, Military Order of the Sons of the American Revolution, Major 34th Indiana Veteran Volunteer Infantry, writes:

"There is no longer any question as to the curative qualities of Peruna in all catarrhal troubles. Its successful use by many of my friends entitles it to confidence and endorsement."
