Mrs. George Welsch from the Sappa is visiting this week with L. F. Wiers. Wm. Campbell has moved into the Mel McCarty property and will be a city dweller this season. Mr. and Mrs. A. C. Bartholomew figured in what was for Mrs. Bartholomew, a very painful accident, Sunday morning on their way to church. A bolt lost out of the fifth wheel and the front wheels run off from the buggy throwing the occupants out on the frozen ground. Mr. Bartholomew held onto the lines and was pulled ahead so came down easy, but Mrs. Bartholomew struck the ground head-first and received very painful bruises about the eyes. C. O. Dotts very kindly brought Mrs. Bartholomew home and her condition is improving rapidly.

TESTIMONIAL.
Delmont, S. D., Dec. 17, 1904.
I used L. K. for hog cholera and it was all right. It cured my hogs. I had three sick ones and they all got well and done fine. I also used it for chicken lice and mites and it is all you claim for it. It is the only medicine for hog cholera, I think.
Harrington, Neb., Dec. 11, 1902.
I am using Liquid Koal and am well pleased with it. I am sure I saved my hogs with it last year, and am going to keep it in stock all the time as it is the best thing I ever had on the place for everything it is intended for. It is good for chicken cholera, lice on stock, insects of all kinds; it will destroy a H. W. WOMAN.
