

ARMY CHAPLAIN

SEVERE KIDNEY AND BLADDER TROUBLE.

News in Nebraska

HALF OUR ILLS ARE CATARRH.

Thousands of People Have Kidney Trouble and Don't Know It Is Catarrh.

Mr. David L. Jaycox, Chaplain Clarinda, I. O. G. T., and Chaplain G. A. R., 835 Broadway, Oakland, Cal., writes:

"I am an old war veteran. I contracted severe bladder and kidney trouble. I spent hundreds of dollars and consulted a host of doctors, but neither did me any good.

"Peruna has proven the best medicine I ever used. My pains are gone and I believe myself to be cured. I feel well and would not be without a bottle in time of need for ten times its cost."

They have doctored with every conceivable drug, have consulted all schools of medicine. It was not until Peruna came in to use, however, that these old soldiers found a remedy that would actually cure them.

Hundreds of war veterans have kidney and bladder trouble.

Impure drinking water, sleeping on the ground, and all manner of exposures to wet and cold weather produced catarrh of the kidneys and bladder.

More cases of catarrh of kidneys and bladder have been cured by Peruna than all other medicines combined.

William F. Porter, ex-secretary of state, has filed a brief in the supreme court protesting against the action brought to compel him to pay a trifle more than \$4,000 into the state treasury. Treating Wrong Disease.

Many times women call on their family physician, suffering, as they imagine, only from dyspepsia, another from heart disease, another from liver or kidney disease, another from nervous exhaustion or prostration, another with pain here and there, and in this way they all present alike to themselves and their easy-going and indifferent, or over-busy doctor, separate and distinct diseases, for which he, assuming them to be such, prescribes his pills and poisons. In reality they are all but symptoms caused by some womb disease. The physician, ignorant of the cause of suffering, encourages this practice until large bills are made. The suffering patient gets no better, but probably worse, by reason of the delay, wrong treatment and consequent complications. A proper medicine like Dr. Pierce's Favorite Prescription, directed to the cause would have entirely removed the disease, thereby dispelling all those distressing symptoms, and instituting comfort instead of prolonged misery. It has been well said that "a disease known is half cured." In cases almost innumerable after all other remedies had failed to help and doctors had said there was no cure possible, the use of Dr. Pierce's Favorite Prescription, supplemented when necessary by medical advice and counsel of Dr. Pierce, has resulted in a perfect and permanent cure. The genuineness of these cures is attested not only by the entire disappearance of pain, but by a gain of flesh, a clear complexion and a cheerful disposition.

A SCIENTIFIC MEDICINE.—Dr. Pierce's Favorite Prescription is a scientific medicine, carefully devised by an experienced and skillful physician, and adapted to woman's delicate organism. It is purely vegetable in its composition and perfectly harmless in its effect on any condition of the system. It contains no alcohol, opium, digitalis or other injurious ingredient.

Dr. R. V. PIERCE, Buffalo, N. Y.

Dear Sir—I was very low, and our home physician said I would never be well until I went to the hospital. He advised me to try it and I felt sure it would cure me. To-day I thank God for Dr. Pierce's medicine. I bear it just as well as I could and in three weeks I could do all my own work and laundry and all I have

taken six bottles of Dr. Pierce's medicine and feel real good, but am not going to stop until an sure I am cured. I tell all my lady friends about Dr. Pierce's wonderful medicine. They all say, "how good you are looking Mrs. Taylor," and I answer it is all due to Dr. Pierce's Favorite Prescription. Think you once more for your kindness. Yours truly, Miss E. G. TAYLOR, Spring Arbor, Mass. Box 91.

An honest dealer will not urge a substitute in place of "Favorite Prescription." There is nothing in the world "just as good," although avaricious druggists will sometimes say so for the sake of the greater profit to be made upon the inferior article. Shun all such.

Every wise and careful housewife recognizes the value of a good home medical book. Dr. Pierce's Common Sense Medical Adviser is that kind of a book and the best of its kind. It used to sell for \$1.50 per copy. Now a big edition is being given away—FREE. For paper-covered copy, send 21 one-cent stamps, to cover mailing only. French cloth binding, ten cents extra. ASSIST NATURE

a little now and then, with a gentle laxative, if need be, with a more searching and cleansing, yet gentle cathartic, to remove offending matter from the stomach and bowels, to tone up and invigorate the liver and quicken its tardy activity, and you thereby avoid a multitude of derangements and diseases.

Of all known agents to accomplish this purpose, Dr. Pierce's Pleasant Pellets are unequalled. Once used they are always in favor. Their secondary effect is to keep the bowels open and regular, not to further constipate, as is the case with other pills. Hence, their great popularity with sufferers from habitual constipation, piles and their attendant discomfort and manifold derangements.

The "Pleasant Pellets" are valuable in all cases of biliousness, sick and bilious headache, dizziness, costiveness, or constipation of the bowels, sour stomach, windy belchings, "heart-burn," pain and distress after eating, and kindred derangements of the liver, stomach and bowels.

The Secret of Good Coffee

Even the best housekeepers cannot make a good cup of coffee without good material. Dirty, adulterated and queerly blended coffee such as unscrupulous dealers shovel over their counters won't do. But take the pure, clean, natural flavored

LION COFFEE, the leader of all package coffees—the coffee that for over a quarter of a century has been daily welcomed in millions of homes—and you will make a drink fit for a king in this way:

HOW TO MAKE GOOD COFFEE.

Use LION COFFEE, because to get best results you must use the best coffee. Use 1/2 tablespoonful to each cup, and one Grind your LION COFFEE rather fine. Use 1/2 cup of water, enough to make a thick paste, and add white of an egg (if egg is to be used as a settler), then follow one of the following rules:

1st. WITH BOILING WATER. Add boiling water, and let it boil THREE MINUTES ONLY. Add a little cold water and set aside five minutes to settle. Serve promptly.

2d. WITH COLD WATER. Add your cold water to the paste and bring it to a boil. Then set aside, add a little cold water, and in five minutes it's ready to serve.

3. Don't let it stand more than ten minutes before serving. DONT'S Don't use water that has been boiled before.

TWO WAYS TO SETTLE COFFEE.

1st. With Eggs. Use part of the white of an egg, mixing it with the ground LION COFFEE before boiling.

2d. With Cold Water instead of eggs. After boiling add a dash of cold water, and set aside for eight or ten minutes, then serve through a strainer.

Insist on getting a package of genuine LION COFFEE, prepare it according to this recipe and you will only use LION COFFEE in future. (Sold only in 1 lb. sealed packages.) (Lion-head on every package.) (Save these Lion-heads for valuable premiums.)
