A woman worn-out, who never has to lift a hand for herself, who does not know the meaning of the word "worry"! How can it be possible? That it is possible is proved by the experience of many a woman who, because of sleeplessness, nervousness, backache and other womanly ills, becomes an utter physical wreck.

Dr. Pierce's Favorite Prescription gives new life and new strength to weak, worn-out, run-down women. It establishes regularity, dries unhealthy drains, heals inflammation and ulceration, and cures female weakness. It makes weak women strong and sick women well.

"I suffered for five years with inflammation which caused violent pain and often torture so bad at times that I could not be about to attend to my daily duties," writes Mrs. Julius C. Bell, of Bathurst, Kingston, Ont. "Life was simply misery to me and I did not know which way to turn for relief. Had tried doctors but found they did not help me. My druggist advised me to try Dr. Pierce's Favorite Prescription—curing it in glowing terms. I decided to give it a trial and brought a bottle home. I am happy to say that after the use of the first bottle I felt so much improved I decided to take another and after that a third bottle. I have good reasons to be pleased, for I am to-day a well woman, work is easy and the world looks bright. I have perfect health, thanks to your medicine."

Sick women are invited to consult Dr. Pierce by letter, free. Address Dr. R. V. Pierce, Buffalo, N. Y.

"Favorite Prescription" makes weak women strong, sick women well. Accept no substitute for the medicine which works wonders for weak women.

Dr. Pierce's Pleasant Pellets should be used with "Favorite Prescription" whenever a laxative is required.

**Home for Families of Bandits.**  
Not actuated by remorse, but by pure philanthropy, Jim Jenkins, hunter of outlaws, has concluded to devote all his money to the maintenance of a home for the orphans and widows of men he has run to earth, in particular, and of criminals of the great Southwest in general. Jim Jenkins, now of Kansas, is now 65 years old and has spent forty years as a scout and hunter of bandits and train robbers. In this way he has made about \$50,000. Among the distinguished outlaws he has chased were Jesse James and his brother, Bob Ford, Bill Dalton and Bill Cook, while he was the leader of the band that caught Cherokee Bill in 1895. In the Dalton raid in Coffeyville, Kas., Jenkins was shot eight times. He estimates his bag of bad men at about 150. The home, which is being built on a 5,000-acre farm owned by Jenkins, near Pryor Creek, I. T., is to cost \$20,000.—Buffalo Express.

**THE SAVING HABIT**

Should be encouraged in all possible ways. Like good morals and manners, the instruction should begin in the home. As early habits mold the future character, so do those who early acquire the saving habit, lay the foundation for future success. Many a boy has saved enough from his small earnings to give him a liberal education or to make a start in business of his own. Persistent saving opens the way to countless possibilities in success, and many a young man owes his start in life to his having opened a savings account and adhered to a strong determination to add to regularly and systematically the first deposit made. We invite your savings accounts.
