MISS ELLA OFF, INDIANAPOLIS, IND.

SUFFERED FOR MONTHS

Pe-ru-na, the Remedy That Cured.

Miss Ella Off, 1127 Linden St., Indianapolis, Ind., writes: "I suffered with a run-down constitution for several months, and feared that I would have to give up my work. On seeking the advice of a physician, he prescribed a tonic. I found, however, that it did me no good. On seeking the advice of our druggist, he asked me to try Peruna. In a few weeks I began to feel and act like a different person. My appetite increased, I did not have that worn-out feeling, and I could sleep splendidly. In a couple of months I was entirely recovered. I thank you for what your medicine has done for me."—Ella Off.

The Secret of Good Coffee

Even the best housekeepers cannot make a good cup of coffee without good material. Dirty, adulterated and queerly blended coffee such as unscrupulous dealers shovel over their counters won't do. But take the pure, clean, natural flavored

LION COFFEE, the leader of all package coffees—the coffee that for over a quarter of a century has been daily welcomed in millions of homes—and you will make a drink fit for a king in this way:

- HOW TO MAKE GOOD COFFEE.**
- Use LION COFFEE, because to get best results you must use the best coffee. Grind your LION COFFEE rather fine. Use "a tablespoonful to each cup, and one extra for the pot." First mix it with a little cold water, enough to make a thick paste, and add white of an egg (if egg is to be used as a set), then follow one of the following rules:
1. **WITH BOILING WATER.** Add boiling water, and let it boil THREE MINUTES ONLY. Add a little cold water and set aside five minutes to settle. Serve promptly.
 2. **WITH COLD WATER.** Add your cold water to the paste and bring it to a boil. Then set aside, add a little cold water, and in five minutes it's ready to serve.
 3. **Don't boil it too long.** Don't let it stand more than ten minutes before serving.
- DON'T** Don't use water that has been boiled before.
- TWO WAYS TO SETTLE COFFEE.**
1. **With Eggs.** Use part of the white of an egg, mixing it with the ground LION COFFEE before boiling.
 2. **With Cold Water instead of eggs.** After boiling add a dash of cold water, and set aside for eight or ten minutes, then serve through a strainer.

Insist on getting a package of genuine LION COFFEE, prepare it according to this recipe and you will only use LION COFFEE in future. (Sold only in 1 lb. sealed packages.) (Lion-head on every package.) (Save these Lion-heads for valuable premiums.)

PROTESTS ON ASSESSMENT.

Union Pacific Says All Property But Its Own is Valued Too Low.

LINCOLN—The Union Pacific railroad company, represented by Robert J. Clancy, assistant tax commissioner, stood up for Nebraska, by protesting against the low valuation of all the property in the state except the Union Pacific Railroad company, and in the matter of this latter named property the company demanded of the board that its assessment be reduced from said "excessive valuation and assessment." The railroad company also "demands" of the board that it give force and effect to the rule of uniformity prescribed in the constitution. The protest was filed with the secretary of the board and it was signed by Robert J. Clancy, assistant tax commissioner; Vice President and General Manager Mohler and W. R. Kelley, general solicitor.

The protest asserts that the grand assessment roll for 1905 in respect to property other than railroads is an assemblage of under valuations, thereby doing great wrong to the Union Pacific railroad and intensifying its burden of taxation. It is asserted that real estate was valued and assessed in 1904 at not more than one-fifth of 70 per cent of its actual value, so that instead of real estate being assessed at 20 per cent of its actual value it is assessed at not to exceed 14 per cent.

New State Bank.
The Commercial State bank of Estina, Saunders county, has filed its articles of incorporation with the state banking board. The capital stock is \$15,000, of which \$5,000 is paid up, and the stockholders are E. E. Lyle, L. H. Lyle, B. E. Hendricks, H. A. Lyle and Anna J. Lyle.

Nebraska's Exports Growing.
Statistics on shipments, compiled by the State Bureau of Statistics, show that Nebraska has exported surplus products to the amount of \$208,110,576.95 during the year 1904. This is a nine per cent increase of \$84,261,369.95 since 1901 when the last report was made of \$173,849,207.

Alliance Sailor is a Victim.
ALLIANCE—L. M. Kennedy received word from the Agnew sanitarium, San Diego, Cal., that his son, Ward V., one of the Bennington victims, was very low, but still had a fighting chance. Mr. Kennedy was one of five young men who entered the naval service from here last February. Three of them are on as many different vessels, while Ward Kennedy and Chester Mumper, also of this city, were assigned to the ill-fated Bennington. Mr. Mumper was uninjured.
