H. C. Gardner..... 7 50

Allison, Elsworth Ward, Rollo Cathcart

A sidewalk petition was granted for a walk along the west end of lots 13, 14, 15, 16, 17, 18, block 4, original town. Correspondence from the McCook Commercial club requesting the city council to provide more hitching posts and racks was referred to the committee on streets and alleys.

Acting Police Judge LeHew made a report covering part of the month of August which was referred to the finance committee.

Petition for sidewalk along the west end of blocks 17 and 20, original town, was granted and said walk ordered laid. The petition of the Burlington railway company asking for the vacation of the extension of Manhattan street across their yards, running south to the south line of section 29-3-29 was then presented by Councilman Lawritson. Mayor Waite refused to put the question and president of the council Lawritson put the question, Lawritson, Custer, McConnell voting aye, Gray refusing to vote. Lawritson declared the motion adopted. Lawritson made a motion that the clerk do not add to the record the answer made by the attorneys in behalf of the remonstrators. Motion was seconded by Custer, but not put.

The resolution as finally passed contained the following proviso, which was added to the original resolution: "Provided, that this resolution shall not go into effect until a viaduct and road are located as provided for or other satisfactory arrangements are made between the railroad company and city."

REV. AND Mrs. FRANK DEAN, formerly of our city, later of Wayne, Ill., have recently moved to Berkeley, Colo.

JUDGE AND Mrs. J. S. LEHEW arrived home, close of last week, from their absence of several weeks in the east.

SAM PATTERSON, the Arapahoe banker, was a participant in the Democratic senatorial convention here, Tuesday.

Mrs. L. R. HILMAN is enjoying a visit of a few weeks from her parents, Mr. and Mrs. Lee of Los Angeles, Calif.

Mrs. J. G. SCHOBEL and Marjorie returned, Monday night, from their Chicago visit. Mr. S. met them at Omaha.

A. N. LINBURG and N. Hoagland went up to Denver on a short trip, Saturday night, returning home on Monday night.

MAJOR HAYS and daughter Mrs. Fred Beardslee returned, last night, from Colorado. They will depart tonight for Decatur, Ill.

DR. AND Mrs. H. J. PRATT are spending the week in Denver on a visit. They went up on last Friday night and will likely be home this evening.

Mrs. S. J. COOLEY returned, Monday, from Cheyenne, Wyo., where she has been spending the summer with her son George, who with his family returned here with her, to visit a few weeks.

J. C. KANE, late of Wing, Ill., now of Saunemin, has been visiting in McCook and vicinity, this week, looking after some business interests. Mr. Kane was an early settler in this part of the county—homesteading near McCook 22 years ago.

A. C. EBBERT purchased the Archibald property, this week, and will occupy the same at once. This is one of the finest residence properties in Southwestern Nebraska, embracing a block of fruit trees etc., in addition to the largest residence in the city.

W. H. GREGG, graduate of the Nebraska Institute for the blind, author of "Secrets of Fate Unlocked," was in the city, Tuesday, selling his book. Mr. Gregg lectured in this city, it will be remembered, during the Sup't Valentine regime in the McCook public schools.

Mrs. F. C. FULLER's lady friends and neighbors gave her a farewell surprise, Monday evening, at the Fuller residence, whose happy particulars were only marred by remembrance of the fact celebrated. A set of handsome teaspoons were presented her by admiring friends and neighbors as a token of their esteem.

Mrs. JOHN MILES of Elwood, Neb., and Mrs. Perry Ginter of Bartley are here for a week's visit with their mother, Mrs. C. H. Barrett, who expects to leave Sunday evening, for the hospital in Topeka, Kans., for treatment. She will be taken care of by her daughter Dr. Kleint, who lives there.

R. B. ARCHIBALD, who has disposed of his real property in McCook and Red Willow county, expects to leave the city, first of coming week, to look up a location in Eastern Kansas, perhaps, for his future home and place of business—he contemplates engaging in the hardware trade. It will be with genuine regret that THE TRIBUNE and their numerous friends here shall see the Archibalds depart, as they have been residents of McCook and identified with its railroad life since the town has had a being. It is a satisfaction, however, to know that they will go hence liberally provided for in this world's effects, to make a home and success anywhere they choose to locate.

## New Opera House Opened.

About five hundred proud and patriotic citizens of McCook attended the opening of the New McCook opera house, last evening, by the Curtis Musical Comedy Co. in "The Ten Thousand Dollar Beauty." The performance was along vaudeville lines and only partially realized the expectations of the people. The music by the orchestra was very acceptable, and warmly approved.

Some difficulty in the power house and failure in the lighting system delayed the opening of the performance till 9:30 o'clock, and it was not feasible to illuminate the building entirely then. Although the building is still in a somewhat incomplete condition, enough progress has been made to warrant the expectation that McCook is to realize more than its most rosy dreams in the matter of an auditorium.

Sam Amburgh of Denver, to whom belongs the credit of the excellent stage work, has been building stages for the past twenty-five years, and is a past master in the art.

Manager Bixler and the people of McCook are to be congratulated.

The Curtis Co. appears tonight, Saturday afternoon and night.
