NUMBER 19

#### Congressman Norris' Dates.

Congressman Norris announces the following dates for campaign speeches during the coming week in the western portion of his district:

Wauneta-Monday evening, Oct. 8th. Palisade-Tuesday evening, Oct. 9th. Hayes Center-Wednesday evening, Oct. 10th.

Maywood-Thursday evening, Oct 11th.

Eustis-Friday evening, Oct. 12th. Stockville-Saturday evening, Oct. day. 13th.

The congressman is proud of and en thusiastic over the accomplishments of races. the last session of congress, is a staunch supporter of President Roosevelt, the greatest president since the immortal Lincoln, and he has a message to bring to his constituents in the Fifth district, who will doubtless accord him the large hearing he deserves. Pass around the word and let the people know to the purpose that these gatherings may be well attended.

#### Had a Narrow Escape.

Monsieur Joseph Menard had a narrow escape from severe injury or worse, Friday afternoon last, in a runaway down Main avenue. Truly, it was the ride of his life. He started down the hill from his residence driving his faithful old family dobbins in the phaeton, when the pole of the phaeton went through the leathern keeper on the neckyoke. This let the phaeton run onto the horses' heels-and they were off at full speed. Just in front of Knipple's store they collided with Knipple's delivery wagon and horse, and their mad career was ended. Both vehicles were slightly damaged, but Mr. Menard escaped with slight injuries, when it looked as though severe injuries must be his portion.

Enchanting Fragrant Perfumes. At McConnell's there are superb assortments of enchantingly fragrant perfumes-perfumes with rarely exquisite odors-daintily delicate and yet very lasting and clinging, perfumes whose irresistible charm delights the most fastidious.

#### McCook Souvenirs.

We have now in stock a fine assortment of leather and shell novelty souvenirs, also leather and comic post cards. A. McMillen, Druggist.

# Music Lessons on the Piano.

Miss Deborah Heckman, late of the Royal Conservatory of Dresden, Germany, will be prepared after October 17th, to give music lessons on the piano.
