GOVERNOR SHELDON comes into fame a la Teddy as an epigrammatist.

WITH practically all the state schools of all grades—not to mention the denominational schools—in and about Lincoln, and in the eastern part of the state, the proposition to convert the old Western Normal School at Lincoln into another state normal school is immeasurably absurd.

Engineer E. A. Wells has been let out of the service.

Conductor H. A. Beale is home for a few days from his Kansas branch run.

General Foreman F. W. Schultz has resigned. He is still in charge as his successor has not been appointed.

Harry G. Young and L. P. Chapman have gone to Sheridan, Wyoming, to re-enter the Burlington service.

The Burlington has officially announced its purpose to build across Wyoming to Salt Lake City, and south from Worland to Denver, thus passing directly through the heart of the famous Shoshone country.

Engineer Jay H. Snyder, who was so severely injured at Red Willow station a few months since, by being struck on the head by the iron crane of a passing passenger train, is now with Nebraska City relatives until he recovers from an operation performed in Denver, a short time since.

In the County Court of Red Willow county, Nebraska.
In the matter of the estate of Mary A. O'Connell, deceased.
To all persons interested in said estate: You are hereby notified that on the 24th day of December, 1906, Catherine O'Connell, executrix of the estate of Mary A. O'Connell, deceased, filed in said court her final account as said executrix and that said final account will be heard on the 15th day of January, 1907, at the hour of 10 o'clock a.m. at the county courtroom in the city of McCook in said county; you are hereby cited to appear at the time and place above indicated and show cause, if such exists, why such account should not be heard.

It is hereby ordered that said Catherine O'Connell give notice to all persons interested in said estate by causing a copy of this order to be published in the McCook Tribune, a newspaper printed and published in said county, for three successive weeks prior to said hearing—12-28-31. Dated this 15th day of December, 1906.
[SEAL] J. C. MOORE,
County Judge.

Notice to Creditors.
In the County Court. State of Nebraska. Red Willow county, ss.
In the matter of the estate of Angelo P. Welles, deceased.

J. C. Moore, county judge of said county, in said state, hereby notify all persons having claims and demands against the estate of the said Angelo P. Welles, deceased, that I have set and appointed the following days for the reception, examination and adjustment of said claims and demands as provided by law, at the county court room in McCook, Red Willow county, and state aforesaid, to-wit: the fourteenth day of January, 1907, and the seventeenth day of July, 1907. And all persons so interested in said estate will appear at said time and place and duly present their said claims and demands in the manner required by law, or show cause for not so doing; and in case any of said claims shall not be presented by the sixteenth day of July, 1907, the same shall be forever barred. Given under my hand and seal of the county court this seventeenth day of December, A. D., 1906.—12-21-06.
[SEAL] J. C. MOORE,
County Judge.

ORDER OF HEARING ON PROBATE OF WILL.
In the county court of Red Willow county, Nebraska.

In the matter of the estate of George Morris, deceased.
On reading and filing the petition of J. E. Kelley praying that the instrument filed on the 27th day of December, 1906, and purporting to be a duly authenticated copy of the last will and testament of the said deceased, may be proved, approved, probated, allowed and recorded as the last will and testament of the said George Morris, deceased, late of Guthrie county, state of Iowa.
Ordered that January 12, 1907, at one o'clock p.m. is assigned for hearing said petition when all persons interested in said matter may appear at the county court, to be held in and for said county and show cause why the prayer of said petitioner should not be granted, and it is further ordered that notice of the pendency of said petition and the hearing thereon be given to all persons interested in said matter by publishing a copy of this order in the McCook Tribune, a weekly newspaper printed in said county for three successive weeks prior to said date of hearing.
Dated December 27, 1906.
[SEAL] J. C. MOORE,
County Judge.

Young is Made Superintendent.

E. E. Young, trainmaster at Denver and formerly trainmaster of the Lincoln division of the Burlington, has been made superintendent of the McCook division, with headquarters at McCook. The appointment is effective today. Mr. Eaton resigned about three weeks ago, his resignation being made effective on January 1, 1907.

E. E. Young came to Lincoln from St. Joe, and from Plattsmouth he went to St. Joe. He came up from the train service, having been a switchman, trainman, yardmaster and trainmaster. He is regarded as an able, pushing, energetic railroad man, and as trainmaster worked a number of reforms which are said to have benefited the service. A short time before the resignation of Mr. Eaton, Mr. Young was transferred from Lincoln to Denver, it having been said that there was a congestion of business on the west end and that the services of an expert trainmaster were needed.

No successor has been named for his position at this place, and no successor for his position at Denver has been officially announced. This leaves two vacancies for which trainmasters soon may be appointed.—Lincoln Journal.

George W. Bailey returned home, last Friday night, from visiting his daughter in South Dakota.

Engineer W. H. Duogan and family arrived home, Sunday night, from their holiday visit with Hastings relatives.

Engineer William Fane was summoned from Wyoming, early in the week, by the serious illness of his nephew Claude Bailey.

J. G. Schobel arrived home, Monday, from his absence in Chicago on trainmen's schedule business. Mrs. Schobel returned from Minden, yesterday.

William Grabowski departed for Denver on 13, Wednesday, after a short visit here with the wife and baby, who will shortly follow him to Denver.

One of the pleasing incidents of the Christmas-time was the presentation to Sup't Eaton of a superb and valuable gold watch and chain by members of the headquarter's official and clerical force.

Dispatcher T. B. Campbell and Miss Ruth went down to Lincoln, Saturday morning last on 2, he having time card business at headquarters. They visited at Plattsmouth, Sunday, with Mr. and Mrs. E. J. Kates, returning home on Monday.

T. H. Stafford of Denver succeeds E. E. Young as trainmaster at Denver.

It is a matter of rumor that Ex-Sup't Eaton will take service with the Lehigh Valley railroad; but he has not signified his intention, but will enjoy a vacation for a few weeks before taking up finally any proposition.

Joe Mokko who has been acting as Master Mechanic Culbertson's chief clerk since W. P. Bross's resignation some weeks since, yesterday received official notification of his appointment to that position. Joe has been a faithful and efficient clerk in the master mechanic's office for past six years or more, and has richly deserved this promotion. All the boys are congratulating him upon his good fortune.

WHY DOES ONE PLACE BECOME THE RIGHT PLACE? THAT IS SIMPLE: BECAUSE AT THAT PLACE THEY TREAT PEOPLE RIGHT. HOW? BY GIVING GOOD GOODS FOR THE MONEY THEY GET. THE GOODS WE SELL ARE GOOD, BETTER, BEST—NEVER TRASH. WHATEVER PRICE WE MAY CHARGE YOU, YOU MAY DEPEND UPON IT THAT YOU WILL AT LEAST GET SOMETHING GOOD. YOU CAN NO MORE AFFORD TO WEAR POOR CLOTHES THAN WE CAN AFFORD TO SELL THEM. IF WE SELL POOR CLOTHES IT WILL HURT OUR REPUTATION; IF YOU WEAR POOR CLOTHES IT WILL HURT YOUR REPUTATION. DR. PRICE'S Cream Baking Powder

Has a dietetic value greatly beyond the conception of any one who has not used it. It will make your food of a delicious taste, a moist and keeping quality and a digestibility not to be obtained from any other baking powder or leavening agent.

But more important than all else, Dr. Price's Baking Powder carries only healthful qualities to the food.

As every housekeeper can understand, burnt alum and sulphuric acid—the ingredients of all alum and aluminum phosphates—must carry to the food acids injurious to health.

Avoid the alum powders—study the label
