Crowds--Many Converts Already Secured.

BULLETIN FOR COMING MEETINGS. Amusements."

Sunday-11:00 a. m., "The Deity of "Heaven and Bell "

The good weather of the past week has herped to bring large crowds to the Opera House and curiosity has given way to interest. Already large numbers have decided for Christ, about 200 having made confession. Each night Mr. Lyon has preached strong, convincing, biblical sermons and has completely won the confidence of those who have regularly heard him each night. The chorus under the leadership of Mr. Stentz is faithfully performing its important ser vice and is winning the appreciation of the people; each night men and women have given their lives to the service of God. Mr. Lyon appeals to the intellect

of his hearers; his methods are safe and same and sure to produce permanent re- | trip east. sults. One of the most interesting incidents in the meetings was the singing of the "Sunbeam Chorus," last Wednesday night. This chorus consisted of 150 girls and boys and they pleased and delighted the audience when they crowded the platform and sung "I'll be a Sunbeam for Jesus." . We are glad to say that the "Sunbeam Chorus" will be asked to sing again. The meeting for men only, Sunday afternoon, exceeded all expectations. It was a mighty inspiration to hear 400 men unite as one of Lis aged father. in song, and the address on the "Great Fight" was just what was claimed-"Mr. Lyon's Masterpiece." As he por- ing relatives in Easton, Penn. trayed the temptations and sins of men and appealed for pure, manly living, hearts were touched and melted. Never on this earth will the results of that address be known. This address will be continued next Sunday at 3 p. m. and it is safe to say that every man in Mc-Cook that can do so will be there. Sunday night was, perhaps, the largest mouth, Monday, and will be the guest crowd ever assembled indoors in Mc- of her parents, Mr. and Mrs. T. B. Cook. The Opera House was completely Campbell until next Tuesday. filled and the audience listened intently to the searching sermon on "The Great urday on 13, to her home in Haigler, af-Election."

A meeting for women only was held last Sunday afternoon. It was one of Revival Meetings Cont nue to braw Large the largest audiences Mr. Lyon has led in

McCook and it was decided to continue the address, next Tuesday afternoon at 4:00 p. m.

Meetings have also been held in the shops at the noon hour twice this week Friday-7:30, "The Dead Line in and the men have shown their appreciation by their attention and interest. Saturday-7:30, Chorus and Sermon. Another feature of pecuilar interest this week has been the business men's meetings held each morning at 9:00 a. m., in Christ"; 3:00 p. m., Men's Meeting. the rooms of the commercial club for "Sowing and Reaping"; 7:30 p. m., half an hour. A goodly number of men have gathered here each day and have found this upper room a place of help and profit.

These union meetings have already been a mighty blessing to McCook. Criticism and prejudice have melted away in the face of souls saved and lives reconsecrated to God, and the Christian people of McCook are of one mind and one desire.

Tonight, Friday, Mr. Lyon will speak on "Amusements" and everybody is invited, "The confession of a converted Unitarian" is the subject of Mr. Lyon's Roseland Parsons and w to Ella N. Bursermon for next Sunday morning. He rows wd 8 in 28 McCook, \$2,000. will tell of his own conversion from doubt and unbelief while a student in a
