Annual Meeting Driving Park Ass'n.

The annual meeting of the McCook Driving Park association will be held, Monday evening, February 11th, at the Commercial club rooms for the election of officers for the coming year. Also to set a date for the next race meeting, and to transact such other business as may be brought up. A report from W.R. Starr, who was a delegate to the Nebraska Circuit meeting at Lincoln, will be received. All stockholders will be notified of the meeting by a personal letter. A full attendance is desired. You can only keep up the meetings and make them a success by showing an interest and being on hand to boost. The Treasurer's report, showing the financial condition of the association, will be submitted.

Questions for consideration by the members:

Shall we enlarge the buildings and make them more permanent?

Shall we try to add a stock show? Can we do anything in the way of an agricultural exhibit?

What can we do to make the meeting this year more of a success than it was

last year? Should we own fair grounds and not lease? If we cannot own grounds should we get a long term lease direct from the

railroad company? A. BARNETT, President. C. B. GRAY, Secretary.
