#### Annual Meeting of Stockholders.

**TWENTY-SIXTH YEAR** 

The stockholders of the McCook Driving Park association held their annual meeting in the McCook Commercial club rooms, Monday night.

The following officers were elected: Albert Barnett, president; W. R. Starr, wice-president; C. B. Gray, secretary;
F. A. Pennell, treasurer; board of directors, L. W. McConnell, W. M. Lewis, W. Y. Johnson, A. G. Bump, J. E. Kelley.

An auditing committee composed of Lon Cone, R. J. Gunn and Albert Barnett was chosen to audit the books and affairs of last year.

While the dates for the meetings for 1907 have not been fully determined upon, it seems to be likely that the first the fall meeting durin early atter part of September or the of days of October.

W. R. Starr, who attended the meeting of the Nebraska Circuit association, recently, made his report. The McCook association has been invited into membership, but the dates allowed do not seem to be opportune for the local association and the matter didn't look good to the stockholders.

The president of the association, who was a strong factor in the success of the initial meet, is opposed to the gambling feature of horse racing, which augurs well for the cleanness of the meeting along that line.

The dates for the mid-summer and fall meets will be announced in due time officially by the board of directors, into whose hands the matter was placed.

The scope of the association will be determined later.

#### Washington Dinner.

The ladies of the M. E. church will give their annual dinner and bazaar, Friday, February 22nd, in their diningroom in the basement of the church.
