TWENTY-SIXTH YEAR

MCCOOK, RED WILLOW COUNTY, NEBRASKA, FRIDAY EVENING, JULY 26, 1907

NUMBER 9

WATER RATE REDUCED

New Schedule Will Go into Effect the Twelfth of August.

CUT ALMOST 50 PERCENT

Improvements Ordered in East McCook—Members of Library Board Re-appointed by the Mayor.

The regular session of the city council Monday evening, July 22, was preceded by a special meeting for the purpose of equalizing and assessing the property on W. Dennison street, abutting on which the city had built a cement walk. All members were present at both sessions. At the opening of the regular meeting the minutes of the previous meeting were read and approved as corrected. Ordinance No. 136 was read the first time, it being an ordinance revising the water rates for the city of McCook, and on motion the rule requiring ordinances to be read on three separate days was suspended and ordinance No. 136 passed its second and third readings. After the second and third readings it was passed and approved by vote of the council.

The following bills were allowed:
J. M. Hickerson, work on street and sewer \$ 27.25
B. C. Bowman, same 13.75
W. C. Bullard, permit for location of city scales and scale house 1.00
McCook Republican, printing 14.70
Eikenberry & Clark, milk and ice for post house 2.15
F. H. Billings, special police 9.25
I. S. Dinnell, same 2.75
S. O. Russey, fighting fire at the Bixler 3.00
H. W. Conover, office expense 2.60
C. H. Meeker, sewer inspection 347.29

A resolution was presented, adopted and approved, ordering sidewalk built along the south side of E. Dennison street from Melvin street to the city limits in East McCook; also ordering three incandescent lights placed—one at the corner of E. Dennison and Manhattan streets and two between Manhattan street and the city limits in East McCook.

The permit granted by W. C. Bullard to the city of McCook for the location of city scales and scale house was read. Annual report of the library board for the year ending June 1, 1907, was read and placed on file. The term of office of Mrs. Geo. Willems, Mrs. W. S. Morlan and Supt. G. H. Thomas having expired as members of the library board, they were re-appointed by the mayor, and the appointments confirmed by vote of the council.

Liquor report of C. R. Woodworth & Co. was read and placed on file. Adjourned.

The action of the city council on the water question reduces the meter rates from thirty cents per thousand gallons to approximately sixteen cents per thousand and for users of ordinary amounts, and closes a most aggressive campaign on the part of the Water Consumers' League and the water consuming public in general here in McCook. The official text of the water ordinance may be found on the sixth page of this issue.

The matter of licensing another saloon did not come up before the council, the promoters of the project having abandoned the idea for the present.

No especial connection between preceding.

Thrashing Preparations.

You'll need some crash towelling, a few ready-made sheets and pillow slips, possibly a new bed tick, no doubt a couple of bed comforts and some cotton blankets, and a few yards of table cloth. We are prepared for you and can supply all the above at a minute's notice. We'll look for you. The Thompson D. G. Co.

Mrs. Jacob Long Passes Away.

Mrs. Jacob Long passed away at her home in south McCook, last Sunday morning, after a long illness. Funeral services were held in the Methodist church, Monday afternoon at two o'clock, by Rev. M. B. Carman, Rev. G. B. Hawkes of the Congregational church assisting. Interment followed in Riverview cemetery of our city.

ANNA JEFFRIES was born in Huntingdon county, Penn., July 25, 1860. She became a member of the Presbyterian church in that county, in early womanhood. During the past eighteen years she has been a member of the Methodist church of McCook. She was united in marriage with the late John Coleman December 12th, 1889. Her husband preceded her to the spirit-land December 7th, 1898, but one son was born to them—Dean Coleman, who survives. On the 18th day of June, 1901, departed was married to Jacob Long, who survives her. For the past five years she has been a constant sufferer—an invalid of patience and submission rare. Mrs. Long was a beautiful Christian character and passed on triumphant in the faith of immortality. Besides the husband and son, four sisters and two brothers survive her.

Clinton Marsh Lofton,

the four-months' old son of Commissioner and Mrs. Frank S. Lofton, after a short illness, Monday, July 22, 1907, passed away at the home about four miles south of the city. Tuesday morning short services were held at the home by Rev. M. B. Carman. Many friends from city and surrounding country followed the little remains to Riverview cemetery, where burial was made. The bereaved parents have very tender sympathy in their sorrow.

CARD OF THANKS.

We are most grateful to the friends and neighbors for flowers, music, assistance and sympathy during the brief illness of our little one and after death.

MCCOOK NATIONAL BANK TO OPEN

The Organization of a New National Bank, with a Capital Stock of \$50,000, Has Been Completed.

PROMOTERS ALL WELL KNOWN MCCOOK MEN

The New Bank Announces its Directorate and Officials, and Expects to Begin Business in The Old Farmers & Merchants Bank Building About the First of October.

Doubtless the most important financial news that McCook has heard in years is the recent announcement of the organization of the McCook National Bank with a capital of \$50,000, fully paid up.

The matter has been in course of formation for considerable time, but until the approval of the application of the promoters by the comptroller of the currency it has not been thought proper to make known the fact. The comptroller of the currency announced his approval, last Friday, and the promoters are now ready to have the facts given publicity.

First of this week, the members of the organizing company met and selected the following board of directors and officers: Members of board of directors—Patrick Walsh, C. F. Lehn, C. J. O'Brien, J. J. Loughran, P. F. McKenna. Officers—Patrick Walsh, president; C. F. Lehn, vice president; C. J. O'Brien, cashier.

The new bank will open up for business October 1st in the old Farmers and Merchants Bank building on Main avenue now owned by Sylvester Cordeal. This building has a fine vault and with the new and up-to-date equipment the bank has ordered will make them quite desirable quarters.

This new financial galaxy is composed exclusively of McCook men, each with standing and a following, and the success of the new bank seems to be assured at the outset. The directors and officers are men who have lived in McCook years and have made their money here for the most part. President Walsh stands well as a solid and conservative business man. Vice-President Lehn is one of McCook's young hustlers. Cashier O'Brien is well known from his connection with the DeGroff & Co. store for years. Directors Trainmaster McKenna and Rev. Loughran need no introduction, being citizens of solid and ripe judgment.

The McCook National Bank will be a credit to McCook's financial institutions.
