JAILED FOR DEBT. At One Time the Law Was Severe on

Those Who Owed Money.

In nearly every country until com-"Bass are intelligent little beasts. That is the reason they travel in paratively recent times debtors have schools," remarked Walter Dumpling, been subject to imprisonment. After an authority on fishing and a candithe panic of 1825 101,000 writs for debt were issued in England. In 1830 "I have frequently observed them 7,000 persons were sent to London studying," he continued, "whether it prisons for debt, and on Jan. 1, 1840, was better taste to swallow a minnow 1,700 persons were held for debt in whole or on the installment plan. I England and Wales, 1,000 in Ireland have seen them seek knowledge con- and less than 100 in Scotland. From cerning rubber frogs and, having made time to time modifications in the laws up their minds that it was a false governing the imprisonment of debtors friend, go off and warn their com- have been made, so that fewer debtors are imprisoned for this crime each

"I have seen them studying weather year. In 1829 there were 3,000 debtors in ing intently at the sky, finding the di-prison in Massachusetts, 10,000 in New rection of the wind and satisfying York, 7,000 in Pennsylvania, 3,000 in Maryland and a like proportion in other states. Many of these persons were "All real fishermen can vouch for jailed for debts of \$1. The law prothe statement that bass are fond of viding for the imprisonment of men children. I have seen them eat up the who could not pay their debts was shown to be impracticable by statistics

"Bass are natural defenders of the taken from Philadelphia, where in 1828 home life, and when a carp or catfish | there were 1.085 debtors imprisoned for comes browsing around to devour the debts amounting to \$25,000. The exeggs the female had laid the male will pense of keeping these persons in conattack the intruder by swimming un-der the enemy and slashing him with by the city, and the amount recovered by the defendants and each of them be attack the intruder by swimming un- finement was \$362,000, which was paid by this method was \$295.

"I once knew a bass so intelligent that it refused to bite on the ordinary by congress in the United States in bait and was only caught after a page 1833, though this measure was not from an encyclopedla had been tied fully enforced until 1839 .- New York to the hook. Higher education was his Tribune. finish."-Philadelphia North American.

WIFE OR CHILD, WHICH? An Ingenious Problem With Two In-A Story of Samuel Warren and Mat-

teresting Equations. Some time ago George was bragging

thew Davenport Hill. Sam Warren, the author of "Ten about never having told a lie, and he Thousand a Year," has been the subsaid he never would. An Irishman, ject of many anecdotes, none of them | hearing the assertion, made a wager better than one which I first heard rewith George that he could make him lated about him by his friend, Matthew tell a lie in two minutes.

So Pat began: "Supposing you and Looking in one day at Warren's your little child and her friend were chambers, Hill noticed that he seemed out in a boat for a row; the boat suda little troubled. "It is," said the lawdenly capsized, and you were all ver-novelist, "most unfortunate. I thrown into the water. Now, which ought to have dined tonight with the child would you save?" asked Pat.

"Well," answered George, "under the circumstances I should save my own branch. How can I leave her? I hope in preference to any one else's child."

"Very good," answered Pat. "Now, suppose you and your wife and child were out for a row and the boat again one of the guests. I know him so well capsized. Now, which of them would I can put it all right for you." With you save, your wife or your child?"

After a thoughtful pause, George answered that he would save his wife.

"There you are," cried Pat. "You [SEAL] presently seemed a little perplexed and | said at first that you would rather save said: "By the bye, after all, I won't your child in preference to any one

All accounts are due and payable to either Mr. Hammond or Mr. Bump. Claims against the company must be presented within thirty days.-7-19-3t. J. O. HAMMOND, McCook, Neb., July 18, 1907. A. G. BUMP.

C. R. Woodworth & Co. Successful. After a great deal of effort and correspondence C. R. Woodwoath & Co., the popular druggists, have succeeded in getting the Dr. Howard Co. to make a special half price introductory offer of the regular fifty cent size of their celebrated specific for the cure of constipation and dyspepsia.

This medicine is a recent discovery for the cure of all diseases of the stomach and bowels. It not only gives quick relief but it makes permanent cures. Dr. Howard's specific has been so remarkably successful in curing constipation, dyspepsia and all liver troubles, that C. R. Woodworth & Co. are willing to return the price paid in every case

where it does not give relief. The old-fashioned idea of dosing with mineral waters, cathartic pills or harsh purgatives will soon be a thing of the past The best physicians are prescribing Dr. Howard's specific because it really gives the desired results and on account of the small and pleasant dose that is needed

So great is the demand for this specific C. R. Woodworth & Co. have been able to secure only a limited supply, and every one who is troubled with dyspepsia, constipation or liver trouble should call upon them at once, or send 25 cents, and get sixty doses of the best medicine ever made, on this special

Toledo, Ohio.

The Best Known Newspaper in the

United States.

Circulation 185,000

Popular in Every State.

In many respects the Toledo Blade is the mos remarkable weekly newspaper published in the United States. It is the only newspaper especially edited for National circulation. It has had the largert circulation for more years than any newspaper printed in America. Furthermore, it is the cheapest newspaper in the world as will be explained to any person who will write us for terms. The news of the world so arranged that busy people can more easily comprehend, than by reading cumbersome column of dailies. All current topics made plain in each issue by special editorial matter written from inception down to date. The only paper published especially for people who do or do not read daily newspapers, and yet thirst for plain facts. That this kind of a newspaper is popular, is proven by the fact that the Weekly Blade now has over 185,000 yearly subscribers, and is circulated in all parts of the United States. In addition to the news, the Blade publishes short and serial stories, and many depart-

ments of matter suited to every member of the family. Only one dollar a year.
