TWENTY-SIXTH YEAR

MCCOOK, RED WILLOW COUNTY, NEBRASKA, FRIDAY EVENING, OCTOBER 4, 1907

NUMBER 19

One of the Features.

Advisedly, one of the features of the races and log rolling festivities of last week, was the work of the famous Havelock drill team of the M. W. A. lodge of that place. The boys present a fine appearance in their dark blue uniforms. They are perfectly trained in marching and manual and were willing and prompt in their work, never failing to please the people, whether at the races, on the streets or at the city park, where the exhibitions of the log rolling association were held.

A Friend in Need

is a friend indeed. Speaking of friends might almost remind one of our handsome, bright, warm, Isabella Fox Scarfs which we are selling at \$6.50. Our line of Scarfs runs from 75c up to \$10 each, embracing cravats, four-in-hands, flat scarfs and round scarfs, in squirrel, fox, opossum, coney, stone marten, beaver, electric seal and other furs. Your inspection invited. The Thompson Dry Goods Co.

A New Grocery Firm.

October 15th is the date announced by Messrs. Scott & Stoner for the opening of their new grocery store in the west Fahrbruch building on West Dennison street. Both of the boys are too well and favorably known to readers of THE TRIBUNE to warrant personal allusions. They are a pair of solid rustlers and will make good in their new and chosen business.

Death of Mrs. Denny.

Mrs. Lucinda Denny of Albany, Nebraska, mother of Mrs. Harry Barbazette of our city, passed away on Tuesday of last week. Mrs. Barbazette arrived at her bedside before the end. The deceased was buried at Albany, Friday of last week. Mrs. Barbazette has the tender sympathy of friends in this sorrow.

Note the Difference.

THE TRIBUNE endeavors each week to run a few extra papers through the press to accommodate those who desire to use them. These extra copies cost you 5 cents each and are under no circumstances to be purchased as old newspapers, which are sold at 20 cents per 100.

No Hunting.

The undersigned will allow no hunting on their premises. Parties found trespassing will be prosecuted.—J. A. Modrell, D. C. Shaw, T. S. Draper, J. W. Proctor, Martin Kennedy, S. C. King, J. K. Gordon, J. S. Modrell.

DEADLY FOES

IN AMBUSH

We have hidden foes on every side, according to scientists. When conditions are right they attack and we have contagious diseases, diphtheria, small-pox, etc., as the case may be. These foes are called

GERMS.

The study of these dreaded, minute organisms has only just begun, but we know enough about them to realize that safety lies in the use of antiseptics and germicides.

Monardine is a powerful germ destroyer and a perfect application for all external inflammation, sores and wounds, etc. It will prevent infection when used at once. Good for gargle or mouth wash, and to be taken internally for various ailments. Price, 25 and 50 cents.

L. W. McCONNELL, Druggist.

Badly Hurt at the Races.

Willie Miles, a young boy about 14 years of age, living near Danbury, was seriously injured at the races, Saturday afternoon, by the breaking down of a fence at the home-stretch, against which the crowd surged and leaned until the frail structure gave way. Miles was sitting on the ground on the track on the east side of the fence, and was doubled up under the weight of people and fence, and injured internally very severely.

Salts Famed Bear-skin.

Out of that celebrated material are made the children's bearskin coats sold by us from \$2.35 up—the plain and curly bearskin hoods at 50c and 75c—the bearskin muffs for 75c and \$1.00—and the bearskin leggings trimmed with gilt buttons for \$1.00 pair. We are unquestionably headquarters for these items and you cannot afford to overlook our offerings. The Thompson D. G. Co.

The Complaint Filed.

The complaint has been filed in the Denver court against "The College of the Sacred Heart" of that city for damages in the sum of \$5,000 for alleged illegal conduct in connection with the illness of Claude Bailey of our city, who subsequently died at his home here. The case promises to be an important and unusual one, and will be followed with keen interest.
