TWENTY-SIXTH YEAR

MCCOOK, RED WILLOW COUNTY, NEBRASKA, FRIDAY EVENING, NOVEMBER 15, 1907

NUMBER 25

Death of Mrs. Mary E. Hipple.

Mrs. Mary E. Hipple, mother of the Hipple brothers of Perry precinct, died at the Hipple farm home, last Saturday night, aged 69 years, 3 months, 9 days. Funeral services were held in the McCook Baptist church, Monday afternoon at three o'clock, Rev. Edder Burton officiating, burial in Riverview cemetery following.

Mrs. Hipple was born, August 1, 1838, in Lycoming county, Pennsylvania. On March 22, 1864, she was united in marriage to Oliver Hipple of Perry county, Pennsylvania. In this county they resided until 1870, when they removed to Missouri. In less than two years Mr. Hipple died. From that time to her death Mrs. Hipple walked the pathway of widowhood, a period of thirty-five years. After the death of her husband, a few years was spent in Michigan and Illinois. In 1880, she removed to South Dakota and took up a homestead near Parkston. Here she resided until she moved to her farm six miles west of McCook, five years ago.

She was the mother of five children, four sons and one daughter. The children were all present to see her laid to rest, except one son who died in childhood.

Mrs. Hipple was a woman of exceptionally strong character, a devoted wife and mother, and a firm and true friend. She became a Christian when but fourteen years of age at which time, she united with the "Messiah's church." She became a member of the Baptist church while living at Freeport, Ill, and became a constituent member of the same church in South Dakota. When she removed here she at once became a member of the Baptist church. For fifty-five years she has been a faithful, earnest, hard working Christian. Of her it could truly be said, she was "steadfast, unmovable, always abounding in the work of the Lord."

Road Improvement Andsoforth.

The McCook Commercial Club was in regular session, Tuesday evening, with but limited attendance and interest.

The matter of improving the road leading from the city to the east river bridge was broached and the roads committee of the club was directed to bring the application for assistance before the proper county official. That sandy stretch of road needs urgent and efficient attention—it being difficult to haul heavy loads to the city through the present heavy, sandy bottom road, especially near the bridge.

It was deemed advisable on the part of the club members present to lend the aid of the organization and necessary funds in boosting the Farmer's Institute to be held in McCook, December 3rd. J. R. McCarl, F. M. Kimmell, H. C. Clapp and E. J. Mitchell were appointed a committee on prizes and publicity.

L. H. Lindemann presented the idea of having the club erect and maintain an electrical sign properly worded, and he was constituted a committee of one to inquire into the cost and essential details and bring his findings before a future meeting of the club.

A number of bills were allowed and the club adjourned.

Farmers' Institute at McCook.

The date of the Farmers' Institute for this city has been placed at December 3rd, 1907, and the following will be the program for the same:

FORENOON SESSION.
11:00 Farm Dairying, D. P. Ashbarn, Gibbon, Neb.

AFTERNOON SESSION.
1:30 Corn, L. L. Zook, Experiment Station, Lincoln, Neb.

2:30 Work of Nebraska Boys' and Girls' Clubs, Miss Lulu Wolford, Pawnee City.

2:45 Business Meeting of Boys and Girls, F. G. Bishop, Lincoln, Neb.

EVENING SESSION.
7:30 The Life of the Town, Miss Wolford.

8:30 Boys and Girls of American Homes.

The farmers of Red Willow county should see to it that there is a large attendance. These institutes are instructive and in every sense worthwhile to the farmer.

Stephen Bolles, of Box Elder, is secretary of this section of the work of the state in that line.

Both House and Contents.

Monday afternoon, both house and contents of C. W. Dewey of East McCook were destroyed by fire, the fire doubtless originating in a defective flue. Mrs. Dewey had been washing and a hot fire had been burning. That the house was afire was not noticed until the flames had secured a strong headway, and as that part of the city is without fire protection, practically nothing could be done to stay the progress of the fire, and as the flames had gained much headway before being noticed, practically nothing could be removed from the burning house. One of the children was taken out with some difficulty. The loss on house is placed at \$1,000, with insurance of \$450. The household goods loss will reach near that sum, with insurance of \$500. Mr. Dewey and wife have been sympathetic in their heavy loss.

The hook and ladder company went to the scene, but the fire was too far advanced to make it possible for them to afford much assistance.

Buggies, Buggies, Buggies.

Car load on hand for your inspection. These are the John Deere and Velie makes, with the manufacturers' names and their and our guarantees. We will sell these buggies to meet all competition in quality and prices and we are here all the time to make good, and we offer every accommodation required by our customers. Come and see us. GREEN'S! GREEN'S! GREEN'S!

Green's Clothing Store is new. Green's Clothing is all new. Green's stock is the very biggest ever shown in McCook.

Green marks everything in plain figures. Green is strictly one price. Green sells for cash. You don't have to pay somebody's else bad debts if you trade with Green.

Green has the biggest line of trunks, suitcases and suit cases. Green has had a big trade, but there is room for a few more—if you'll hurry. Green's New Clothing Store. Dennison st., west of Citizens Bank.

Remains Taken to Chase County.

Mr. Louis Powell of South McCook died, Tuesday night, after an illness of some length. Funeral services were held at the home, Wednesday afternoon, at three o'clock, by Rev. M. B. Carman. Thursday morning, the remains were shipped to Wauwata for burial.

Louis Powell was born in Walden, Mo., Nov. 11, 1845. Has lived in McCook for best seven years—for more than two of them a victim of consumption. Leaves a wife and three children.

McCOOK HARDWARE CO.

To the Public.

"That knighthood is still in flower and the days of chivalry not over" has been fully demonstrated by the voters of Red Willow county, by the courtesy shown their lady candidate in the recent election. And as the recipient of such courtesy, I wish to express my most sincere thanks to those whose influence and support made my campaign successful. CLAUDIA B. HATCHER.

Does It Pay to Grind Feed?

It certainly does. The analyses of chemists and the experiences of practical farmers show a saving of 20 to 50 per cent by feeding ground feed. The Famous Lightning Feed Grinder sold by McCook Hardware Co. is at the head of all triple-gear feed mills.

More Machinery.

Burial of Mrs. Fannie Green.

The body of Mrs. Fannie Green arrived from San Diego, California, last Sunday morning, and at three o'clock of the same day, in Longview cemetery, the remains were laid away with tender hands beside the body of her departed husband Dr. Samuel L. Green, who preceded her to the spirit-land a few years since.

Brief services were held by Rev. George B. Hawkes, of the Congregational church, of which departed was a member, after which the members of Eureka chapter, Order of the Eastern Star, had an impressive ritualistic service in the church. Following was the interment in Longview, where a brief service was also held.

The music at the church consisted of several quartette selections and a solo, by the church choir.

There was a beautiful, appropriate and tender display of floral gifts to the memory of the departed, a lovely floral star being the special offering of the O. E. S., of which she was a long, honored and enthusiastic member.

Mrs. Green was a native of the state of New York. Was for years a resident of Illinois and of Kansas, coming to Indianola from Norton, Kansas, in 1880, and from there to McCook, in 1882; hence she was one of the very earliest settlers of McCook, having lived here the past twenty-five years.

Mrs. Green numbered her friends as widely as her acquaintanceship. She leaves behind her the memory of a life well, usefully and nobly spent.

An Old Landmark Destroyed.

In the burning of the small dwelling on the rear of the Batchelor property on East Dennison street, last Friday night, was destroyed one of the early landmarks of McCook. The house was known in early days as the Engineer Carl Clarke home, and was one of three built on the one lot about twenty-five years ago by Engineer C. N. Batchelor. At the time of fire it was owned by Mrs. Winnie Williams and occupied by Stephen A. Campbell, a recent resident of our city. No one was in the house at the time. The household goods of Mr. Campbell were practically all destroyed, amounting to several hundred dollars. The house was a wreck.

The department was called to the scene again about 4:30, the following morning, by the fact that some of the fire had not been completely extinguished.

McCOOK NEWS DEPOT.

Gasoline Stove Explodes.

The fire department was summoned to the dwelling of Eli D. Akers, in the northwestern part of the city, last Saturday shortly before noon, by the explosion of a gasoline stove. It was not necessary to throw any water, the people at the home having the matter under control by the time the boys arrived on the scene. Nobody was hurt beyond slight burns and the damage was small.

The Fortnightly Season On.

McCook's premier dancing club, the Fortnightly, got off handsomely on the right foot, last Friday night, in their initial dance of the 1907-8 season. The club sets out with a goodly membership, has engaged the best obtainable orchestral talent, and has before it a promising terpsichorean season.
