It is the best that can be bought. We don't add \$7.50 to the price of the range and tell you you are getting the ware free—but sell all Majestic Ranges at the regular price. You get the ware free. Remember this is for exhibition week only. Ware will not be given after this week. This ware is on exhibition at our store, and must be seen to be appreciated.

Come in any day during the week. Make our store your headquarters. Have coffee and biscuits with us.

Come if you intend to buy or not; the information gained will serve you in the future.

Facts About the Great Majestic Range

It is the only range in the world made of Malleable and Charcoal Iron.

It has, beyond any question of a doubt, the largest and best reservoir.

It uses about half the fuel used on other ranges and does better work by far.

The Majestic All Copper Nickeled Reservoir heats the water quicker and hotter than any other. It is the only reservoir with a removable frame.

The Charcoal Iron Body of the Great Majestic Range lasts three times as long as a steel body.

Being made of non-breakable material, there is practically no expense for repairing the Majestic.

As for baking, it is perfection, not only for a few months, but for all time to come.

A GREAT MAJESTIC RANGE lasts three times as long as a cheap range, but it don't cost three times as much.

PROOF—We don't ask you to take our word for any of the above statements, but if you will call at our store, a man from the factory, where Majestic Ranges are made, will prove to your satisfaction, that these are absolute facts, and will show you many more reasons why the Great Majestic Range is absolutely the best that money can buy.

They All Come Back

The fact that our first customers were pleased so well with their purchases here that they are coming back to the Grannis store to buy their winter clothing here speaks volumes for the class of goods we sell.

A dissatisfied customer is unknown here, and it couldn't be otherwise because no better

Furs
Dress Goods
Ladies' Furnishings

could be found in the west. Everyone agrees that our prices are remarkably low for quality of goods we handle.

If you buy anything in our line before looking at our stock you are slighting your own best interests.
