TWENTY-SEVENTH YEAR

MCCOOK, RED WILLOW COUNTY, NEBRASKA, FRIDAY EVENING, AUGUST 21, 1908

NUMBER 13

Henry George, Jr., an attraction at the McCook Chautauqua, August 28, 29, 30.

Fractured His Right Leg.

R. Knowles of Culbertson was the victim of an accident, a few miles west of McCook, Tuesday evening, in which his right leg was fractured just above the ankle.

Mr. Knowles was driving home from this place. At the place where the accident occurred an automobile had failed, and a party in the auto desired especially to get home promptly. He asked and received permission to get into Mr. Knowles' buggy and drive home with him to Culbertson. While the gentleman was in the act of getting into the buggy and while holding onto Mr. Knowles' hand, the horse reared up and both gentlemen were pulled out of the buggy. In the mix-up following the horse stepped onto Mr. Knowles' right leg with the result above indicated.

The injured man was brought back to McCook and taken to the home of his son Charles and surgical assistance called. He is getting along as well as may be expected.

Not From Missouri.

You naturally and properly want to know the quality of the pudding. Chewing the string is not the most satisfactory means of ascertaining. It's eating the pudding that tells the whole story. Same with meat. It may make your mouth water to read about juicy, tender, corn-fed meat. But complete satisfaction and realization comes only with the eating of the meat, and it is here that Marsh, the meat man gets into the game. His steaks, roasts, cutlets in all the kinds of meats have the quality of showing you, notwithstanding they do not come from Missouri. He wants an opportunity to make good. Try the Marsh meat market for anything reasonable in his line.

Union Temperance Meeting.

The union temperance meeting in the Methodist church, last Sunday evening, well filled the church. Rev. Carman spoke to the topic, "Is County Option Practical?" His address was characteristic and warm. His advice to all anti-saloon people was to support candidates who openly were in favor of the county option measure.

Baby Swallowed Piece of Coal.

Operator and Mrs. A. J. Brown are in an Omaha hospital with their baby, who swallowed a little piece of coal, Monday, the coal lodging in the baby's throat or bronchial tubes. They are awaiting developments before the operation is performed. The distressed young parents have deep sympathy.

Pinched the Preachers.

Two preachers of Albion, this state, were recently fined \$21.00 and costs for killing prairie chickens. That's the limit.

Notwithstanding the fact, however, that no game can be lawfully killed at this time but rabbits, there are men, intelligent business men, in this city, who are not observing the game law.

Just why men who know the game law and who ought to observe it and thus set a proper example to others should year after year in this city transgress the game law, THE TRIBUNE is unable to understand. It is a moral mystery to us why men who are in many respects law-abiding will sneak into the country, trespass on the lands of others, and kill chickens and quail, at this season of the year.

The killing of prairie chickens or quails any time for mere sport or in wantonness is indefensible according to our code; but their premature slaughter out of season and in utter defiance of law, who has the face to excuse or defend?

Eating Oil.

This is a growing and a sane idea. It is olive oil that is becoming one of the important foods of the world. Its value lies in the fact that it is all nutrient and is a kind of food that leaves no harmful waste matter that results from using other foods.

Use all the olive oil you can, be careful about the quality only. That is insured by coming here for it.

We handle a special brand that is not only absolutely pure but also of delicious flavor.

L. W. McCONNELL, Druggist.

She announces that an experienced trimmer from Chicago will arrive soon and that a new fall line of up-to-date millinery will arrive from eastern markets in a few days, of which due announcement will be made in these columns.

Commissioners Allow Claims.

The county commissioners have been in session, this week, and have allowed a mass of claims, which have accumulated during the weeks claims could not be allowed or warrants issued on the county general fund for lack of funds to pay same.

The proceedings are so voluminous and the work of the clerk's office so pressing, that the proceedings could not be prepared for publication, this week. However, it will be pleasant news for those who have had claims pending to know that their claims have been allowed and that the warrants will be available after the usual ten days.

Regular proceedings next week.

The McCook-Lincoln Game.

Over a thousand people witnessed the game, Tuesday afternoon, between the league team of Lincoln and the local aggregation, and saw one of the closest and best games ever played in Western Nebraska. The leaguers were early in the game compelled to sit up and take notice of the fact that the McCook team is one of the best in the state and they would have to play ball if they won out, notwithstanding several errors on the part of the locals, which, if avoided, would have given McCook a fair chance for victory. Indeed, so close did the game grow in the first half of the ninth inning, when McCook had two men on bases—second and third—with Bennett up, that the visitors had to resort to pretty cheap methods for a professional team, tossing the ball so high that Bennett couldn't have reached it with a step-ladder, in order to shut McCook out of a bright prospect of a score or two.

Reynolds, a former McCook player, pitched the first three innings; Hendrix completing the game in the box for the visitors. Bennett pitched the entire game for McCook, and gave a splendid exhibition of pitching and all-around base ball playing, striking out Manager Fox and First Baseman Thomas, both twice.

Below is a summary of the game, showing that McCook gave a good account of herself in every particular, save in the matter of the errors in the third inning, especially:

	R	H	E
Lincoln.....	1	0	0
McCook.....	0	0	1
Batteries—Lincoln, Reynolds, Hendrix and Zinram; McCook, Bennett and Ritchie. Three-base hit—Bennett. Two-base hit—Gagnier, Jude. Struck out—Reynolds 3, Hendrix 4, Bennett 8. Bases on balls—Reynolds 5, Hendrix 3, Bennett 1. Hit by pitched balls—Reynolds 1, Hendrix 1. Wild pitch—Hendrix 1. Umpire—Burney of McCook.			

One Quality of Drugs.

There are some things which druggists sell in which a variety of qualities may be necessary to provide proper assortment. But when it comes to drugs, medicines or anything required for the sick, there should be but one quality—the best.

Our stock of medicinal drugs is a rare one both in extent and in the high quality that is maintained.

Our sense of responsibility to our customers is fully realized and no one who trades with us has ever need to question the quality of anything we furnish.

Cox-Tirrill.

Miss Estella Cox of Driftwood precinct and Daniel Tirrill of McCook were united in marriage at the home of the bride's parents on Driftwood, last Sunday at high noon, Elder H. H. Berry officiating. Relatives of the young couple and friends witnessed the happy event. A wedding dinner was served after the ceremony.

The bride is the daughter of Mr. and Mrs. David Cox of Driftwood precinct, the groom a son of Mr. and Mrs. J. E. Tirrill of McCook.

The young folks are at present living with his parents in McCook, but will occupy a new dwelling now building for them in the city as soon as the same is completed and ready for them.

Bound Over to Court.

Clyde Hartman, son of W. H. Hartman of the Driftwood country, was brought before Justice of the Peace Berry, Tuesday, under a charge of cutting wire fence on the Abram Peters' farm, complaint being made by Peters. A change of venue was taken to Justice LeHew's court. The young man was held in an appearance bond of \$200 to answer the charge in the next term of district court. The bond was readily provided.

Baby Coffey Passes Away.

Lavern, infant son of Mr. and Mrs. Jay Coffey, died on Sunday morning at the home on East B street. Brief services were held by Rev. M. B. The parents have tender sympathy in the loss of their little one.

School Dresses.

Mothers need not be reminded that the near approach of school days makes necessary a complete overhauling of the children's outfits. What they wore last winter won't do now because outgrown and outworn. Something new must be discovered and secured. Our all-wool tricot dress flannels are admirable for the purpose. Keep their color; will wash; are warm and healthful. Many colors are in our stock. Our price 35c. a yard. The Thompson D. G. Co. Actual cash values.

A League Ball Town.

The local management feel warranted, in view of the splendid attendance upon the Lincoln-McCook game, about a 1,000 paid admissions, in considering McCook a league base ball town, and they are desirous of making dates with any Western league clubs which may have open dates or are passing through our city either east or west bound. They feel they can interest the leaguers both in the quality of game the locals can play and in gate receipts.
