TWENTY-SEVENTH YEAR

MCCOOK, RED WILLOW COUNTY, NEBRASKA, FRIDAY EVENING, OCTOBER 23, 1908

NUMBER 22

ORGANIZE A REPUBLICAN CLUB.

McCook Republicans a Little Slow, But Will Make Good by Increased Activity.

The Republicans of the city met in the court room at the court house, last evening, and completed the organization of a Republican club. The club starts out with an initial membership of about two hundred, which will be largely increased as the officers and committee get around to see and secure the signatures of the large body of Republicans in the city who have yet to be approached on this subject, which has for long been a matter of inquiry.

Charles E. Emerson was chosen president; Lloyd Jennings, secretary.

The club starts out with an amount of pent-up energy and enthusiasm, which will make things political go some, and will result in a large vote for Taft, Norris, Sheldon and the entire state and county tickets.

Let every Republican promptly enroll himself and give his effort and enthusiasm to the cause.

It Is A Winner.

The next meeting of the club will be held, Saturday evening. The regular meetings of next week will be held on Monday, Wednesday, Friday and Saturday, at eight o'clock.

Adjourned Meeting of Club.

The McCook Commercial club held an adjourned session, Tuesday evening, to hear the report of the committee on billiard table and to transact any other business that might with propriety come before them.

The committee announced that a creditable table can be secured, with equipment, for about \$250.

The purchase of the same is conditioned on the club membership being increased accordingly. It is expected to receive within a reasonable time at least fifty new applications for membership in the club. Four applications were favorably acted upon during the session, and three or four times that number are in sight. The hope is to increase this force for McCook's boosting to at least one hundred and fifty.

A Soaking Rain in This Section.

Sunday night and Monday morning, this section of Nebraska was visited by a soaking and much-needed rain, amounting in this immediate vicinity to an inch and three-quarters. The precipitation at Cambridge is given at two inches. At Wray, Colorado, the down-pour amounted to four and a half inches. The rain is of incalculable value to this portion of the state, where rain has been needed for a long time, for the fall grain and for fall plowing.

Death of Mrs. C. O. Doing.

Mrs. C. O. Doing died at her home in Stockville Sunday morning at two o'clock after an illness of several months. While her condition was considered dangerous and but little hopes were entertained for her recovery death came unexpectedly to her friends and relatives.

Since the death of her little son less than two months ago, Mrs. Doing has been failing rapidly. She had been at Bellwood where it was hoped that the change would be beneficial to her, but after a change for the better her condition became more serious and she returned home last week with but slight hopes for recovery.

Funeral services were held at the M. E. church Tuesday afternoon, conducted by Rev. Scott, assisted by Rev. Hartman, and interment was made in the Arbor cemetery at Stockville.

Her husband, mother, three sisters and three brothers survive her, all of whom were present at the funeral.

Mabel Escher was born in Hutchinson, Kansas, July 5, 1883. She moved to McCook with her parents in 1894 where she lived until 1905, when she moved to Stockville with her husband. She was married to Charles Orr Doing at McCook June 18, 1903. One child was born to them who preceded her to the spirit land. She died in Stockville Sunday, October 11, 1908.

The sincere and heartfelt sympathy of all is extended to the husband whose cup of sorrow has been filled to overflowing. The death of his little son but a short time ago together with the loss of his wife at this time makes the future seem dark and dreary and only time can dull the pain.—Stockville Faber.

Departed was a daughter of Mrs. E. A. Escher of our city, who has the sympathy of many in her sadness.

Important.

Owing to a change of date made by the state department, the Farmers' Institute and the Boys' Corn Growing and the Girls' Cooking and Sewing Contests will be held Saturday, October 31, instead of Friday, October 30, at McCook in the court room of the court house.

All the farmers and the boys and girls are urged to come. Let us make this the greatest agricultural rally Red Willow county has ever known.

S. Bolles, Secretary of Farmers' Institute. Claudia B. Hatcher, County Manager of the Boys' and Girls' contests.

League Sunset Service.

A thoroughly pleasant time was provided about forty of the elderly people of the city, Thursday afternoon, by the members of the Epworth League. The church parlor was decorated in autumn leaves and with flowers in appropriate colors and manner. After enjoying a social hour and fine program, the old folks were ushered to the dining-room, where a bountiful supper was spread, the tables being decorated in carnations and autumn leaves. The more feeble guests were conveyed to and from the church in carriages. It was a tender, happy thought and sentiment, sweetly executed.

Here to Stay

We have just entered the second year of the life of this institution and we expect to be here in the banking business for years to come. We are a fixture here, and take this opportunity of expressing to the people our appreciation of the confidence and good will manifested. We ask for a continuance of the same, and will try by strictly adhering to common-sense business rules to be worthy of the patronage of the people. We will never say to a man or woman, be they patrons or not, when applying for a loan, that it will be contingent upon the election of any presidential candidate. We will make loans to any worthy applicant when good and sufficient security is given, regardless of the outcome of any presidential election, and we don't believe the people of this community will endorse the course of any business man who imposes such conditions.
