COLONEL BUTLER of the Arapahoe Pioneer is simply determined to be displeased and dissatisfied with our fellow-citizen and congressman, G. W. Norris, who may just as well make up his mind, first as last, to wiggle along without the colonel's support or commendation.

ARAPAHOE has wisely and properly decided to not obscure the local situation there at the coming spring election. They will vote on the "dry" or "wet" question and the candidates on both city tickets have decided to abide by the decision of the people on that absorbing question.

THAT is not regarded as an auspicious day wherein a new bank is not organized in Benkelman. To the second bank just organizing a third is being added, with Thomas Ashton, Joseph Rodidoux, Jacob Rosmiller, J. C. Ough and W. A. Holland, of Orleans, at the head. It will be organized as a First National Bank and is to be housed in a building to be erected on the corner south of the Presson hotel. It will be capitalized at \$35,000 and will be in operation by the first of July, so it is said.

SUMMER RACE MEET

The Dates Decided Upon Are the 14th, 15th, 16th of July Next.

The directors of the McCook Driving Park association held a meeting in the McCook commercial club rooms, last week Monday, to canvass the matter of the summer meeting of 1909. It was determined by them to hold the summer race meet in July and on the 14th, 15th and 16th days of that month.

The race program for harness horses agreed upon is as follows:
2:30 trot \$ 500.00
2:15 pace 500 00
Free-for-all trot 500 00
2:25 pace 500 00
2:20 trot 500 00
2:10 pace 1,000 00

It requires no stretch of imagination to see that this program, these purses, will draw to McCook in July the greatest aggregation of harness horses ever assembled at a similar event in this section of the state. Especially will the \$1,000 00 stake in the proposed 2:10 race—the pacing event of the meet—be effective in that direction. It is expected that the best horses of this part of Nebraska and of the adjacent section of Colorado and Kansas will participate in these races, and that barring bad weather, the race will be a record breaker and an epoch-maker in that line.

Revival at M. E. Church.
Last Sunday night the Methodists began their revival meetings with Guy I. Waltz of Boston as soloist and chorus director, and Mr. Carman, the pastor, as his own evangelist. A packed auditorium and side room greeted the singer and speaker. The attendance this week has been better than the church folks looked for the first week. A "personal workers'" band has been formed with E. C. Hill as its head and conversions are looked for next week. The chorus is doing splendid work in Gospel song and Mr. Waltz pleases and inspires the people with heart-touching solos. Next Sunday will be a full day with three sermons. Mr. Carman will preach in the morning at 11 o'clock on "The Christian Home," in the afternoon at 8 o'clock to men only, "Cut It Out," and in the evening on "No Man Cared For My Soul." The unsaved are urged to come early, next Sunday, that they may procure the best seats. Mr. Waltz will sing at each service. The song service will begin at 7:15 sharp each evening.
