Special Meeting Club.

There was a special session of the commercial club, Tuesday evening.

The committee to cooperate with the Woodman log rolling committee on the log-rolling and July celebration reported that the joint committees considered the time not propitious for holding either of the events and reported in favor of postponement.

The report was accepted, and it was the sentiment of the members present that the club render all necessary assistance to the log rolling event, which will likely occur in September.

Sup't C. W. Taylor of the city schools was present and presented the desire of the McCook Junior State Normal School in the matter of cooperation of the club with the school in the entertainment course for this session. A committee consisting of L. W. McConnell, Barney Hofer, J. E. Ludwick, A. Barnett, F. A. Pennell and H. C. Clapp was appointed to solicit sale of season tickets. These gentlemen will call upon the people of the city at once to secure this necessary sale of tickets to finance the course.

There should be a hearty and generous response to this call, as there by the junior normal cause is boosted and the ticket holders will receive the worth of their money in high-class entertainments.

Elect Officers.

At the regular semi-annual election, Tuesday evening of this week, the Christian Endeavor society of the Congregational church elected the following officers for the ensuing six months: Miss Dora Oyster, president; Bryce Jones, vice president; Miss Blanche Bowen, treasurer; Miss Hazel Norris, secretary; Miss Helen Schwab, pianist. The society just added an organ to the musical equipment of the church.

Special Matinee For Veterans.

The Pastime gave a complimentary matinee performance, Decoration day, to the old soldiers, which was greatly enjoyed by the boys and their wives. Mr. Harmon's courtesy was appreciated. In the evening the Electric management also gave the old soldiers a complimentary show at eight o'clock.

Evangelist Hall.

Next Sunday morning and evening, Evangelist Hall of Bethany, Nebraska, will occupy the pulpit of the Christian church of our city, preaching on both occasions.

Junior Normal Lecture Course.

The Junior Normal Lecture course, this year, will be one of unusual merit. The first number will be an illustrated lecture on the dreadful earthquake disaster at Messina, by Frank R. Roberson. We only have to mention Roberson for you to be assured of a great treat in store for those who attend. There is only one Roberson on the lecture platform. The terrible Messina catastrophe is fresh in the minds of all and will furnish abundant material for a most fascinating descriptive entertainment. Mr. Roberson for the first time in McCook will introduce motion pictures directly illustrative of the great disaster.

The three things, the man, the subject, the motion pictures, will certainly make a combination seldom produced on the lecture platform. The date of Mr. Roberson's lecture will be June 11, 8:30 p. m., at the high school auditorium.

The second number will be the celebrated Parland-Newhall Company, male quartet, brass quartet, bell ringers, composed of four members, J. Lincoln Newhall, Stewart A. Smith, Willis C. Maupin and Ralph H. Parland.

This is indeed one of the strongest musical companies on the platform today. Without doubt this is the most versatile four-piece combination now before the American lyceum public. The brass quartet introduced tastefully into the program, and the cornet and French horn, together with the piano as an accompaniment to vocal solos, round out a complete and beautiful program that is startling and unexpected in its variety. Their program pleases immensely and their work has elicited praise of the most pronounced character from lyceumites and committees everywhere. The Junior Normal management is to be congratulated upon such a strong musical number for the lecture course.

Tickets are on sale at McConnell's. Seats will be reserved and season ticket holders will have the first chance at the reservations. Season ticket holders may get reservations from Monday, June 7, on. Single admission tickets will be placed on sale June 9. Season tickets will be \$1.00 with advanced reservation privileges free. Single admissions 50c.

Pupils For Piano.

Miss Emma Burrows, a graduate of Grafton Hall, Fond du Lac, Wis., and of the Ripon (Wis.) Conservatory of Music, will receive pupils for instruction on the piano at the home of Mrs. Herman Pade, 2nd street east. Phone red 66.

Change In Sunday Hours.

On account of schedule changes on the railroad, the open hours at the post-office, Sundays, have also been changed. Beginning next Sunday the open hour will be from 12 to 1, instead of 2 to 3 as formerly.
