Democrats Met Saturday.

The Democratic meeting, last Saturday, was pretty well attended by politicians from all over the county. The object of the gathering was stated as being the securing of suitable candidates for all of the various offices of the county. The matter was pretty well gone over, we are informed, and the present indications are that filings will be made for each of the county offices by Democrats, perhaps in several instances there will be more than one filing for the same office, as the sentiment is not entirely unanimous in this regard.

While sentiment and purpose may have been considerably crystallized, there is no doubt but that other interests may be recognized and represented when the filing date arrives.

The sentiment of the meeting was clearly in favor of Barney Hofer of this city, the county central committee secretary, for the office of county clerk. On the other hand, there seems to have been a lack of those desiring or willing to run for county treasurer. While the matter of candidates for sheriff was not very unanimous.

A. F. & A. M. Meeting.

Regular meeting of McCook Lodge No. 135, A. F. & A. M., Tuesday, July 6, at 8:30 p. m. Work in E. A. degree. By Order of the W. M. C. L. FARNSTOCK, Secy.

Wholesale Initiation.

It was an unusual pleasure the ladies of McCook temple, Pythian Sisterhood, had on Wednesday evening of this week when they initiated into their temple some thirty members of McCook lodge, Knights of Pythias. This large undertaking was very cleverly negotiated by the sisterhood, the accomplishment being the more noteworthy because of the fact that the temple had just been organized here. The gentlemen all went in as charter members.

After the initiation the ladies spread a very tempting lunch in the banquet hall. Informal toasts by Congressman Norris and others added to this feature of the evening. Candabras and white and pink carnations served to make more attractive the tables.

The event was a memorable one for both temple and lodge. It is hoped that it was but a forerunner of many delightful social events to follow.

Their Second Anniversary.

The Monte Cristo cafe will celebrate its second anniversary, July 4th, next Sunday. And in this connection, a change will be made, which the management hopes will be entirely satisfactory and pleasing to their patrons: Sunday dinners will hereafter be served from 5:30 to 7:30 p. m., instead of at the noon hour as hitherto. The price of the table d'hote will remain at 50c.

Next Sunday there will be special music.

We wish to express our appreciation for past patronage and hope by continued exceptional service and cuisine to receive an even greater share of the same. PETERSON SISTERS.

R. A. Green, New Cashier.

At a meeting of the directors of the Citizens National Bank of McCook, R. A. Green was elected cashier of that bank to succeed A. C. Ebert, resigned.

R. A. Green is well known to the people throughout this entire section, having served as county clerk for six years, and been for several years connected with the banking business in Cedar Bluffs, Kansas. He has lived in Red Willow county for the past 23 years.

The bank is indeed fortunate to secure a man of Mr. Green's experience and ability to succeed their popular oldstand-by A. C. Ebert, who will retire from the banking business for the present at least on account of the demands of his health.

Seeks Renomination.

Elsewhere in this issue will be found the announcement of Clifford Naden, present county treasurer, who seeks renomination at the hands of the voters of Red Willow county. Mr. Naden has given this county a careful, accurate, honest administration of this important office. The books and the workings of the office are open to the most careful scrutiny of the people, and Mr. Naden is perfectly willing to stand upon the record made, and seeks continuance in the office upon the facts. The Tribune believes the office will stand full investigation and that his work has been worthy in every respect.

HAVE YOU TRIED

VIOLET AMMONIA?

It is a refined ammonia with which the odor of true violets have been combined. It is used in many ways that ammonia is employed, especially for the bath. It is refreshing and stimulating to the skin and it makes the cleansing more perfect. A few drops in the basin when the hands or face are being washed will show how refreshing and valuable it is. A sure cure for prickly heat.

The Stangland-Pool Wedding.

On Wednesday, June 30, 1909, at five o'clock p. m., Miss Martha May Stangland of McCook and Mr. Raymond John Pool of Lincoln were united in marriage at home of bride's parents Mr. and Mrs. K. K. Stangland, Rev. M. B. Carman of the Methodist church performing the ceremony in an impressive style, using the ring service. Only a few of the relatives and friends were present.

The wedding march was played by Miss Tacie Le-Long.

After the best wishes and congratulations had been offered by those present Mrs. Weiler read letters and dispatches from the bride's sisters Mrs. Ira J. Clark of Delta, Colo., and Mrs. L. F. Pedley of Bertrand; also her brother Mr. Koud Stangland of Lincoln, expressing their best wishes for the bride and groom.

The bride is one of McCook's own, a charming and popular young woman whose life has been largely spent here; she is much admired and loved by a large circle and all join in wishing them a wedded life of happiness.

After graduating from the McCook high school she attended the university of Nebraska for one year; then taught in the public schools of Red Willow county; then went to the Lincoln Business College. After completing her course she was elected a member of the faculty. She held an important position as instructor in the shorthand department for over four years.

The groom spent his early years on a farm in Cass county. After graduating from the Weeping Water high school, he entered the University of Nebraska, where he graduated in the class of 1907 with the degree of bachelor of arts. One year later he took the degree of master of arts. As an undergraduate he was a member of the college fraternity of Alpha Theta Chi, and was an assistant to the department of botany. During his senior year he was elected to the honorary societies of Phi Beta Kappa (literary) and Sigma Xi (scientific). He now holds the position of adjunct professor of botany in the University of Chicago.

During the summer quarter of 1908 he did post-graduate work in botany in the University of Chicago.

He is a member of the American Association for the Advancement of Science, The American Forestry association, The National Geographic society, Botanists of the Central States, The Nebraska Academy of Science, and the Nebraska State Teachers' association.

He is the author of numerous papers and reviews in various scientific journals. Many handsome and useful gifts were received by the young couple.

A four-course wedding dinner was spread, Mrs. H. H. Berry, Miss Dora Oyster and Miss Tacie DeLong serving.

Mr. and Mrs. Pool departed on No. 1, Thursday, and will visit various points in Colorado, spending some time with Mr. Enos A. Mills at his home, Long's Peak Inn, and several days with Prof. Frederic E. Clements of University of Minnesota, one of Mr. Pool's former teachers, who, with Mrs. Clements, is spending the summer in botanical investigation in Colorado. They will also visit the bride's sister and husband, Dr. and Mrs. Ira J. Clark of Delta, Colo.

They will return to Lincoln in time for the opening of the State University in September and will be home to their friends after October 1st at 1451 Q st., where an elegant modern cottage is ready to receive them. The cottage is a gift from the groom's parents.

The out-of-town guests were:

Mr. and Mrs. Wm. H. Pool, parents of the groom, and Albert, his brother from Weeping Water, Mr. Clarence E. Pool and wife and their two little girls from Wabash. COM.

Tender Tribute By Friends.

The funeral services over the remains of Miss Edna Kelley were held in the home, last Friday morning, many friends paying a tribute to her memory and of respect and sympathy to the family by their presence at the brief but touching services conducted by Rev. E. K. Earle, rector of St. Alban's church, of which deceased was a member.

A solo by Miss Elsie Campbell and two hymns by the church choir constituted the music of the sad occasion.

The elegant casket was simply embowered in the rich and numerous floral tributes of friends in the city and elsewhere.

The pall-bearers were: Max Hare, Fred Archibald, Budd Bailey, Ward Evans, Walter Campbell and John Burnett; Elsie Campbell, Hazel Merle, Julia Barnes, Mary Barbazette, Blanche Asten, Leah Pennell and Hazel Barbazette Gertrude Morrissey being honorary pall bearers—the young ladies being uniformly gowned in white, and the young men in black. The honorary pall-bearers each carried a pink carnation which they deposited in the grave at Longview cemetery, where the remains were interred in the family burial plot.

LEAD

THAT SAVES LABOR.

Our strictly pure white lead will look better after six years than so called leads do after two years. It saves labor because the surface to which it is applied will not need to be painted often. It also saves labor because it spreads best, easiest and most evenly. It also covers more surface, is whiter and takes tints better than any other white lead on the market.

This is the lead to use if you want best results, with least labor and at lowest cost. It is absolutely pure.
