Full Circulation Now Out.

THE TRIBUNE had an unusual and uncommon experience, this week, in being called upon to cut and trim \$50,000.00 worth of national bank currency for the new Citizens National Bank of our city. The \$50,000 worth of bonds purchased by the Citizens National came into their possession at the very unusually low premium of \$900 for the entire purchase.

The bonds have been promptly and entirely merged into currency circulation by the bank, with its usual liberal policy of not doing things by halves.

The Citizens National Bank of McCook is the latest of the state banks to nationalize, but she comes under the wire like a thorough-bred, full-fledged and full of speed and endurance.

The police ran onto a bunch of youngsters in a billiard and pool hall, last Saturday night, who were evidently indulging in a bit of gambling, with considerable money in sight. Races Were Successful.

While the opening day of the races, last week, was discouraging as to patronage, Wednesday and Friday brought much larger attendance and very satisfactory races as the following details will indicate:

The second day of the races passed off with increased attendance and much vigor and interest.

The big 2:25 race took five heats to settle. Raven Boy and See Emly divided first and second money. Grace took third place. Time: 2:24½, 2:25½, 2:27¾, 2:29¾. Purse \$500.

Ax Me Not captured first in the 2:25 trot for purse of \$200. Lady Katherine Winston was second. Francis Star, third. Time: 2:28¾, 2:29¾, 2:29¾, 2:28¼.

The 5/8 mile dash was won by McBeppo, Big Bend, second; Buckmaster, third. Time 54.

The races closed, last Friday afternoon, with a splendid attendance and the fastest race ever driven on this track, 2:13.

Big Chief took the 2:20 trot; Nick Wright, second; Touchdown, third; Mabelle, fourth. Time: 2:22, 2:26½, 2:28¼. Purse \$500.

The 2:10 pace for \$1,000 was the fastest race ever driven on this track, Don winning; Billy Barleycorn, second; rest of the field distanced. Time: 2:13, 2:14½, 2:15.

The 5/8-mile dash was dead heat between Big Bend and McBeppo, who divided first money.

Carter G. of this city won second place in first heat 2:10 pace, but went wrong and was with drawn from the race.

It is a matter, under the circumstances, of much satisfaction to the management, that the races paid out, and that the association is not encumbered with any deficit from these races, which were pulled off under disadvantages.

Held to Next Term of District Court.

Minnie Brown and Grace LeRoy, two keepers of houses of ill repute in this city, had a preliminary hearing, Tuesday afternoon, before County Judge Moore, charged with keeping and selling intoxicating liquors unlawfully. Sufficient evidence was presented to warrant the judge to hold the women to appear before the next term of district court, placing the bond of each at \$1,000, which were both provided, and the women released. In one resort twelve pints of beer were seized and in the other over sixty quarts of beer. The judge ruled that the beer in the possession of the sheriff be destroyed, but the defendants filed exceptions to this order, hence the liquors will not be disposed of until after the district court passes upon the cases. Being the second offense the defendants will likely obtain a severer sentence in case of conviction.

The evidence in the cases was secured through detectives from the Nebraska Detective Association of Lincoln, working under the authority of the Anti-Saloon and Civic Purity League of this city.

HOT WEATHER

It is undoubtedly hot weather. But then, that is the kind of weather it takes to make things grow. Is it making your bank account grow, too? Don't let that languish, but see that it keeps growing all the time. It is the plant that is always sure to bring returns when properly cultivated—returns in health, in independence, in comfort and in ability to do things.

Remember that a good flourishing bank account grows steadily regardless of the weather—if you want it to grow. While the weather is warm, come in with your deposits just the same as ever. You will always find the same welcome at this bank, hot weather or cold.
