CLEARING SALE BOYS' CLOTHING

WHEN we purchased the Tartsch stock, March 1st, we had to take all their Boys' Clothing—and there was a lot of it too. The spring weights we have already disposed of, reserving the heavy winter weights for this Fall's BIG CLEARING SALE. There are about 100 Suits THEN THAT'S ALL. We are not going to handle Boys' Clothing which accounts for the TREMENDOUS low prices. In every instance these garments are sold for less than 50 PER CENT OF THEIR ORIGINAL COST, and you cannot afford to overlook this opportunity for your BOYS' WINTER CLOTHING. In this sale everything will be divided in Special Lots, and you will find nearly every garment an all wool garment.
