A Farewell and God Speed.

Members and friends of the Method ist congregation to the number of church parlors last Friday evening for the purpose of bidding good-by to Rev. and Mrs. Bryant Howe, who will SEVERAL THOUSAND DOLLARS depart at the close of this week for their new field of endeavor at McCook, Must Be Raised at This Great Event and where Rev. Howe was assigned the pastorate of the Methodist church at the recent meeting of the West Ne braska conference. A short but entertaining program was given. Miss Ada Robb sang sweetly and was followed by Mrs. C. E. Garner in two pleasing recitations. Misses Alta Godfrey, Ada Robb and Hattie Godfrey sang "The Glow-worm" and so pleased the audience with their sweet harmony that they were recalled, giving another selection that was equally well received. Supt. J. O. Lyne gave an address, expressing for the congregation the sorrow that it felt in this parting, and the hope that all will be well with Rev. Howe and his belpmate in their new home. Rev. Howe replied in evident sincerity that the regret at parting was mutual; he thanked the people of his own church and the citizens of Minden generally for kindly treatment during the time he has been here, and extended a cordial invitation to Minden people to visit the "little white house on the hill" in McCook. Miss Ethel Newell presented Mrs. Howe with a souvenir spoon from the Resetta club, an organization of young ladies in the church that Mrs. Howe instituted a year ago. Miss Newell gave happy expression to her thoughts and Mrs. Howe gracefully thanked the girls for their interest and kindness. Mrs. J. H. Robb then presented a handsome rug to Mrs. Howe from the Ladies' Aid Society in grateful recognition of her loyalty to this band of workers. Light refreshments were served and a period of sociability followed, the comof good will and kindness. - Minden

Every Patriotic Citizen of McCook and Vicinity Is Expected to

"Do His Duty." McCook is now on the thr-shold of an event toward which she has been looking for the past year-the formal opening of her superb new Temple theatre. The date for this event has been decided for Tuesday, October 19th, and the attraction secured for the occasion is "The Girl at the Helm," a musical comedy classic, which has enjoyed an almost unprecedented run in the La Salle theatre, Chicago, of 300 performances. This company numbers some forty people, and the equipment of the company leaves nothing to be desired in scenic

effects, costumes, music, dancing etc. The management in careful consultation with the board of directors of the Temple Craft association has decided the important question of price of seats

and announces the following scale: Box seats \$5.00 Parquet, ten rows...... 5.00 Family circle, two rows..... 5.00 Dress circle, four rows..... 4.00 Balcony, four rows...... 3.00

Individual citizens of this city have given hundreds and even thousands of dollars even months of time and labor in the most desirable attractions possible. promotion and furtherance of this project-and without money and without every citizen a chance to give something to assist the board of directors in the heavy task of financing the enterprise, and at the same time enjoying a mus-

"A Girl at the Helm" is a distinct departure from the ordi nary musical comedy, in that its music is exquisite, the book consistent, funny and clever and the ensemble numbers are delightfully artistic. There are surprises without agitation, and a commendable plot with amusing situation not all dependent on the music and

dancing. The garnishing of the play lies not alone in its splendid dainty chorus, its scenery and the motor boat race but in the fairylike electric effects with which its producer, H. H. Frazee has so clevfor the Temple theatre and announce erly clothed it. "A Girl at the Helm" already having secured such plays and is high class, dainty like its chorus, and makes and retains a good impression. Temple Theatre, McCook, Tuesday, Oct. 19th.
