ment now increasing.  
Mr. Clark of near Freedom has some-  
thing interesting to tell farmers about  
an early corn which he and several  
neighbors raised this year. It is called  
the Lincoln white corn because several  
years ago Judge Lincoln brought the  
seed from Dakota. Last year the corn  
made as high as 100 bushels per acre  
and this year a good crop. Many farm-  
ers in that vicinity will plant it next  
year. It matures early and escapes dry  
weather. Farmers all over the county  
should get some of this corn.

**Testifies After Four Years.**  
Carlisle Center, N. Y., G. B. Burhans,  
writes: "About four years ago I wrote  
you that I had been entirely cured of  
kidney trouble by taking two bottles of  
Foley's Kidney Remedy, and after four  
years I am again pleased to state that I  
never had any return of those symp-  
toms, and I am evidently cured to stay  
cured." Foley's Kidney Remedy will  
do the same for you. A. McMillen.

**Feeding Farm Hands.**  
Every farmer's wife knows what tremen-  
dous appetites farm hands usually  
have; but while they eat well they  
work well, too.  
Here's a good suggestion about feed-  
ing farm hands. Give them plenty  
of Quaker Oats. A big dish of  
Quaker Oats porridge with sugar and  
cream or milk is the greatest break-  
fast in the world for a man who needs  
vigor and strength for a long day's  
work. The man that eats Quaker Oats  
plentifully and often is the man who  
does good work without excessive fat-  
igue. There is a sustaining quality  
in Quaker Oats not found in other  
foods, and for economy it is at the  
head of the list. Besides the regular  
size packages Quaker Oats is packed  
in large size family packages, with  
and without china. 5  
If people with symptoms of kidney or  
bladder trouble could realize their dan-  
ger they would without loss of time  
commence taking Foley's Kidney Rem-  
edy. This great remedy stops the pain  
and the irregularities, strengthens and  
builds up these organs and there is no  
danger of Bright's disease or other serious  
disorder. Do not disregard the  
early symptoms. A. McMillen.  
**Both Boys Saved.**  
Louis Boon, a leading merchant of  
Norway, Mich., writes: "Three bottles  
of Foley's Honey and Tar absolutely  
cured my boy of a severe cough, and a  
neighbor's boy, who was so ill with a  
cold that the doctors gave him up, was  
cured by taking Foley's Honey and  
Tar." Nothing else is as safe and cer-  
tain in results. A. McMillen.  
C. R. Kluger, the Jeweler, 1000 Vir-  
ginia Ave., Indianapolis, Ind., writes:  
"I was so weak from kidney trouble  
that I could hardly walk a hundred  
feet. Four bottles of Foley's Kidney  
Remedy cleared my complexion, cured  
my backache and the irregularities dis-  
appeared, and I can now attend to busi-  
ness every day and recommend Foley's  
Kidney Remedy to all sufferers, as it  
cured me after the doctors and other  
remedies had failed." A. McMillen.
