ATHLETIC DEPARTMENT.

[COMMUNICATED.] MCCOOK WON.

The bulletin showed a score of 22 to 0 ball squad at the close of the game, Saturday, with the vaunted Oxford giants, Milligan, Allen and Campbell doing the scoring for the locals, assisted by machine work in the execution of signals. Ryan, Nelms, Byfield and Fish, in fact for solid work. It is a fact but few are aware of, that the line of the McCook team has yet to be broken for a gain in a plung; another feature, is that they have not had a single wrangle in their five games played and not a man has been relieved for poor work or unruly Hostetter, concluded the evening's enconduct. Another point to be mentioned as of interest, they have won four out of five games played, being scored against only twice, both scratches-one on a stolen ball which the referee did not see and the other on a misunderstanding of rules. In their five games they have made 99 points and their opponents only 11.

Saturday, Oxford was slow, their only good points being in tackling and punt-

The locals will meet Holdrege again here on Saturday, November 13th. Holdrege claims the Southwestern Nebraska championship, but will be relieved of that burden on the 13th.

The size of the crowd out, Saturday, would discourage an ordinary team.

Should McCook beat Holdrege on November 13, a third game, possibly Dec. 4th, will be played to decide the Southwestern Nebraska and Northwestern Kansas championship. The game will go to the town offering the largest inducements. McCook will win.

The boys hope to have their photo in Spaulding's annual, next year.

The High School girls won a game of basket ball at Trenton, last week, by a score of 18 to 4. The boys lost by 22 to 6. The boys played the game without practice to fill a contract with Trenton. admit of basket ball now.

Fred Archibald had a finger badly

bruised in scrimmage, last week. George Allen, Charles Milligan and Walter Campbell scored touchdowns, Saturday, against Oxford.

Oxford boys are clean players and went home feeling the very best toward McCook. McCook is this year playing clean ball and treating her opponents as nicely as is possible.

Miss Hostetter's Recital.

About two hundred of McCook's citizens enjoyed a season of piano-forte music, last Friday evening, raeely offerin favor of the local high school foot- ed in this city, in the recital by Miss Fay Hostetter in the Temple theatre. We use the verb advisedly, for it was a real pleasure to hear such music so excellently played.

The program was divided into three sections. A rhapsodie by Brahms and a the entire line, needs special mention pastorale by Mozart being the opening

We congratulate Miss Hostetter upon the artistic success of her musicale.

Drew Large Audience.

"The Royal Chef" drew a large audi ence at the Temple theatre. Tuesday night, and the hearty and frequent applause indicated beyond doubt that the performance was highly satisfactory. In some respects the performance excelled the "Girl at the Helm," the opening number. "The Royal Ch.f" lacked plot, but was there with the merchandise with catchy music, wholesome comedy, good chorus work, and a good looking handsomely gowned chorus. The performance was lively and vigorous from start to finish. The out-oftown section of the audience was encouragingly large. The local orchestra assisted in the music.
