Souvenir Free Set of Majestic Ware

If you will call at our store during our Majestic Demonstration Week and allow us to show you the many advantages and the superior qualities of the Great and Grand Majestic Range, and will purchase one at the regular price, we will give you FREE the beautiful and useful Souvenir Set of Ware illustrated in this advertisement. This ware is made to match the quality of the Majestic Ranges, and we know all ladies will see the beauty and utility of this set, especially the first three pieces, which are entirely new and cannot be had alone by purchase, except at a very high price. The prices of Majestic Ranges are the same, but we give the set FREE with each Majestic Range BOUGHT DURING DEMONSTRATION WEEK ONLY.

Reasons Why the Great Majestic You Should Buy:

- 1st. It has the reputation of being the best range money can buy.
- 2nd. It not only has the reputation, but is the best range made, and we will prove this to you if you will let us.
- 3rd. It is constructed of Malleable Iron (material you can not beat) and of Charcoal Iron (material that resists rust 300 per cent greater than steel), is riveted together air-tight. No heat escapes or cold air enters range, thus uses very little fuel to do perfect work.
- 4th. The reservoir alone is worth the price of the range over any other reservoir made. It boils 15 gallons of water; is heated like a tea kettle, with pocket against left hand lining, and is movable, and sets on a frame, hence cannot wear out. When water gets too hot it can be moved away from the fire.

MAJESTIC RANGES use less fuel; heat more more water—and heat it hotter; costs practically nothing for repairs; lasts three times as long; bake better; easier to keep clean, and give better satisfaction than any other range on the market. If you knew positively that the above statements were true, wouldn't you buy a Majestic at once? Come in during Demonstration Week and we will prove it to you.

McCOOK HARDWARE COMPANY

A Mistaken Idea....

Some people have an idea that in order to have a bank account, they must have a large sum to deposit; that the bank does not care to be bothered by small accounts.

This, however, is not true of the First National Bank. This bank welcomes new accounts, whether of \$1 or \$1,000, and the same courtesy and service is accorded the small depositor, as those in more fortunate circumstances.

It is our object and wish to serve the public in financial matters in a manner that shall be satisfactory to all—old or young, rich or poor.

We Want Your Banking Business and will be pleased to have you open an account with us.

TEMPERANCE COLUMN

Conducted by the McCook W. C. T. U.

Mrs. McBride and Mrs. Callen attended the state W. C. T. U. convention held in Lincoln, Oct. 18 to 20. They report an enthusiastic convention.

It was all business relative to the year's work. Encouraging reports were read from different parts of the state. It is a great uplift to meet with co-workers, and we become enthused, when we meet with our sisters who have become grey in the service, and who are earnestly working for state-wide prohibition in 1910.

Mrs. Wicks of Marion was elected as a delegate to the great national convention held at Omaha to represent the western part of our state. Mrs. Lavery of Orleans is our field worker for Red Willow county.

There was a gain of 565 members for the union over last year.

Nebraska now has a total of 4665 members, who are proud to wear the white ribbon.

The next state convention will be held in Fairbury.

Our delegates were very hospitably entertained at University Place. Mrs. Daily, our genial state vice president, saw that each delegate was provided with a home while in the city.

Mrs. Head was re-elected as state president. She is a faithful worker and is a splendid leader. Mrs. Benjamin, the National Parliamentarian, was at the convention and was very much enjoyed and appreciated. She gave the convention valuable aid in parliamentary drills.

Mrs. Orr read the plan of work for 1910, which later will be printed in pamphlet form. It is very comprehensive, and should be in the hands of every member.

The convention closed Wednesday noon.

A special train over the Rock Island took about 100 white ribboners on to Omaha to attend the great national convention.

Drink "Wedding Breakfast" coffee and be happy. At Huber's only.

BARTLEY.

The election being over, all parties interested can now pursue other occupations than politics.

Sam Bryant came home from Hastings to vote and returned, Wednesday.

Judge H. W. Keyes was a business visitor in Bartley, Wednesday of last week.

Mrs. Baker has returned from her visit in Iowa and Illinois.

The basket ball team of Bartley went to Beaver City, last Saturday, and had a very pleasant time, but were defeated by the Beavers 27 to 20.

Mr. and Mrs. John Ginther are rejoicing over their first baby, which is the exact image of its father.

A baby boy came to cheer the home of Mr. and Mrs. S. R. Grissell, Monday, just on the eve of election.

The people here are generally pleased that Moore, Naden and Skalla were re-elected.

Mrs. Lela (Fidler) Premier has returned to her home at Haigler.

Mrs. Mose King visited in the country, last week.

Mrs. Marion Rittenberg of Indianola visited, several days last week, with her parents, Mr. and Mrs. John Durbin of this village.

Mrs. James Carnahan visited in Cambridge, last week.

Mr. and Mrs. Robert Cox and Mrs. J. S. Miller and daughter Elsie visited in Wilsonville, Sunday last.

Harry L. Brown left, Tuesday evening, for Scotts Bluff to take his position with the Star printing office.

The Bell Telephone Co. is putting up new poles and cross arms for ten wires.

"That's the swellest mount I ever saw," declared a young man the other day while looking at one of our photo mounts, the kind intended for wall or "den" decoration. You will agree if you see it. Come in. Kimmell Studio, 1st door north of Commercial Hotel.
