DRUGGIST.

THEY INJURE CHILDREN.

Ordinary Cathartics and Pills and Harsh Physic Cause Distressing Complaints.

You cannot be over careful in the selection of medicine for children. Only the very gentlest bowel medicine should ever be given, except in emergency cases. Ordinary pills, cathartics and purgatives are apt to do more harm than good. They cause griping, nausea and distressing after-effects that are frequently health-destroying and a life-lasting annoyance.

We personally recommend and guarantee **REXALL ORDERLIES** as the safest and most dependable remedy for constipation and associate bowel disorders. We have such absolute faith in the virtues of this remedy that we sell it on our guarantee of money back in every instance where it fails to give entire satisfaction, and we urge all in need of such medicine to try it at our risk.

REXALL ORDERLIES contain an entirely new ingredient which is odorless, tasteless and colorless. As an active agent, it embraces the valuable qualities of the best known intestinal regulator tonic. **REXALL ORDERLIES** are eaten like candy. They are particularly prompt and agreeable in action, may be taken at any time, day or night; do not cause diarrhoea, nausea, griping, excessive looseness or other undesirable effects. They have a very natural action upon the glands and organs with which they come in contact, act as a positive and regulative tonic upon the relaxed muscular coat of the bowel and its dry mucous lining; remove irritation, overcome weakness, tone and strengthen the nerves and muscles, and restore the bowels and associate organs to more vigorous and healthy activity.

REXALL ORDERLIES completely relieve constipation, except when of a surgical character. They also tend to overcome the necessity of constantly taking laxatives to keep the bowels in normal condition.

There is really no medicine for this purpose so good as **REXALL ORDERLIES**, especially for children, aged and delicate persons. They are prepared in tablet form, in two sizes of packages: 12 tablets 10 cents, and 36 tablets 25 cents. Remember you can obtain **REXALL REMEDIES** in McCook only at our store—The **REXALL STORE**. William Says Lena Boozes.

William W. Jones has applied to the district court for a divorce from Lena R. Jones. He alleges that they were married in McCook in 1903 and that he has been a kind and indulgent husband, giving his wife all the money that he earned as a member of the fire department and police department. He asserts that she reciprocated this treatment by forcing him to dodge table cutlery and kitchen utensils which she was in the habit of huring at him while she was subject to fits of anger. He also informs the court that she locked him from their home and threw his personal effects into the street and that she is given to indulgence in intoxicating liquors.—Lincoln Journal.

Morc Danville Proof.

Jacob Schroll, 435 South St., Danville, Ill., writes: "For over eighteen months I was a sufferer from kidney and bladder trouble. During the whole time was treated by several doctors and tried several different kidney pills. Seven weeks ago I commenced taking **Foley's Kidney Pills**, and am feeling better every day and will be glad to tell anyone interested just what **Foley's Kidney Pills** did for me."

A. McMillen.

Foley's Honey and Tar is the best and safest cough remedy for children. At the first symptoms of a cold, give as directed, and ward off danger of croup, bronchitis, sore throat, cold in the head, and stuffy breathing. It brings comfort and ease to the little ones. Contains no opiates or other harmful drugs. Keep always on hand, and refuse the substitutes. A. McMillen.

ACT QUICKLY.

Delay Has Been Dangerous in McCook.

Do the right thing at the right time. Act quickly in time of danger. Backache is kidney danger. Doan's Kidney pills act quickly. Cure all distressing, dangerous kidney ills.

Plenty of evidence to prove this. Mrs. B. Hurley of 204 E. 24th St., Kearney, Neb., says: "Last winter I caught a heavy cold which settled on my kidneys and made me miserable. I was rarely free from a dull aching in the small of my back and the kidney secretions passed so frequently as to annoy me greatly. I drank large quantities as I always felt thirsty and a doctor whom I consulted told me I was in the grasp of diabetes. He treated me for the trouble but I became no better and was suffering intensely when Doan's Kidney Pills came to my attention. I used this remedy and the first box bought me such relief that I continued with it until completely cured. I sincerely hope that my statement will be the means of benefiting other persons afflicted as I was."

Plenty more proof like this from McCook people. Call at McConnell's drug store and ask what customers report.

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

American Red Cross Christmas Stamps.

Is McCook to have an interest in this great work of stamping out tuberculosis in America. One of the plans to raise money for this purpose is found in the sale of Christmas stamps. Women's clubs over Nebraska are generally pushing this work. Shall McCook be represented in this splendid endeavor. If so all the information, stamps, advertising, etc., can be secured from K. R. J. Edholm, Exec. Sec., 408 City Hall, Omaha, Nebraska, or considerable information can be secured at this office. But the need of immediate attention is urgent.

Instead of buying a number of useless items at Xmas time, try this year in buying something that will last, something that can have a place in your house and probably that the home needs—a piece of furniture. Here is a list of items that make excellent presents:

Library tables, music cabinets, pedestals, kitchen cabinets, rocking chairs, dining room chairs, buffets, sectional book cases, side boards, china closets, rugs. Go into Ludwick's furniture store, that's the easiest way to tell it.
