Hunger makes me think of you;
Thought of you makes me hungry.
Between the *thought* and *sight* of you,
Indeed I'm *always* hungry.

But with appetite awaiting—
a nickle in hand and *you*
in store—who could wish
for anything more?

Hexamethylenetetramine.
The above is the name of a German chemical, which is one of the many valuable ingredients of Foley's Kidney Remedy. Hexamethylenetetramine is recognized by medical text books and authorities as a uric acid solvent and antiseptic for the urine. Take Foley's Kidney Remedy as soon as you notice any irregularities and avoid a serious malady.

CAUSE FOR ALARM.
Loss of Appetite or Distress after eating Symptoms that Should Not be Disregarded.

Appetite is just a natural desire of the system for food necessary to replace natural body waste. Loss of appetite or stomach distress after eating indicates indigestion or dyspepsia. Over-eating is a habit very dangerous to a person's good general health and insatiable appetite is a common symptom of diabetes.

It is not what you eat but what you digest and assimilate that does you good. Some of the strongest, heaviest and healthiest persons are moderate eaters. There is nothing that will create sickness or cause more trouble than a disordered stomach, and many people daily contract serious maladies simply through disregard or abuse of the stomach.

We urge every one suffering from any derangement, indigestion or dyspepsia, whether acute or chronic, to try Rexall Dyspepsia Tablets, with the distinct understanding that we will refund their money without question or formality, if after reasonable use of this medicine they are not satisfied with the results. We recommend them to our customers every day, and have yet to hear of any one who has not been benefited by them.

We honestly believe in Rexall Dyspepsia Tablets to be without equal. They are made from the prescription of a physician who devoted his time to the study and treatment of stomach troubles. They give very prompt relief, stimulating the secretion of gastric juices, strengthen the digestive organs, aid to good digestion and assimilation, regulate the bowels and promote nutrition.

We urge you to try a 25-cent box of Rexall Dyspepsia Tablets, which give 15 days' treatment. At the end of that time your money will be returned to you if you're not satisfied. Of course, in chronic cases length of treatment varies. For such cases we have two larger sizes, which sell for 50 cents and \$1.00. Remember you can obtain Rexall Remedies in McCook only at our store—the Rexall Store. L. W. McConnell.

More Danville Proof.
Jacob Schroll, 435 South St., Danville, Ill., writes: "For over eighteen months I was a sufferer from kidney and bladder trouble. During the whole time was treated by several doctors and tried several different kidney pills. Seven weeks ago I commenced taking Foley's Kidney Pills, and am feeling better every day and will be glad to tell anyone interested just what Foley's Kidney Pills did for me."

THE LOAFER.
Tom Browne, the English Artist, and One of His Models.

Tom Browne, the English black and white artist, told the following story of one of his models: I used to have as a model a long, thin youth who was a golf caddy on Blackheath. I made a water color study of him and put in a street corner background. Before sending it to the frame maker's I wrote on the back in pencil a suggestion for a possible future title, "A Loafer." The frame maker after framing the sketch put it in his window until such time as he could send it up to me, with a card on the picture bearing the title, "A Loafer—By Tom Browne."

One morning the caddy came to the side door and asked to speak to me.

"There's a picture of me in a shop window down in Greenwich."

"Really?"

"Yus, an' all me pals 'ave seen it." (With a sudden fury.) "I ain't no loafer, I ain't. I'm a respectable caddy, I am, and you've got to take it hout of the window."

I assured him that I knew nothing of the matter and was very sorry.

"That be blowed for a tile," he retorted. "I'll make yer pre damerges for this. I've been to my solicitor, and 'e sez 'e can make yer."

In the end I fixed it up by a little tip, an old coat and a drop of something. Of course I had the picture taken out of the window. The caddy has not sat for me since.

THE NARCISSUS.
Old Legends About This Beautiful and Ancient Flower.

The beautiful narcissus is a very ancient flower, and poets of all times have sung about it. It bloomed even as long ago as when gods and goddesses were supposed to live on the earth. The old Grecian legends say it was the flower the maiden Proserpine was gathering when Pluto took her away to his dark home under the ground.

Another legend tells about a beautiful youth named Narcissus. His father was a river god named Cephissus and his mother a nymph called Liriope. The wonderful beauty of the youth caused many to love him, but he was cold and indifferent to all.

A poor little nymph called Echo loved him so dearly that she pined away and died because he would not care for her.

At last Nemesis, the goddess of retribution, decided to punish him for his hard heart.

She caused him to fall in love with his own image as he looked into a stream, and as he could never reach this beautiful reflection he gradually perished with hopeless love.

His body was changed into the beautiful flowers which have ever since borne his name.—Pearson's Weekly.
