A Bathing and Swimming Pool.
The Tribune learns with satisfaction that McCook is in line for a bathing and swimming pool, next summer.
The land on which was located the old Bixler auditorium has been leased from Engineer William Doern by Messrs. Donald Snook and George Phillips, and the boys have in mind the building of a suitable building and the making of a bathing and swimming pool on that location which will no doubt meet with public approval.
As soon as the plans have been completed, we shall take pleasure in giving the details to the public.
We have no doubt of the success of such an enterprise.

Card of Thanks.
We take this means and opportunity of expressing our thanks and gratitude to all for assistance and sympathy in the recent death of our husband, father and brother, Charles H. Nash. And especially would we mention Conductor and Mrs. Wilber Fisk, Brakeman and Mrs. Robert Long, Conductor Bentley, and the Sunday school class, trainmen, and firemen for floral offerings.
Also to the local Burlington officials for every consideration and kindness shown.

Mrs. C. H. NASH and FAMILY,
BROTHERS and SISTERS.

COME ONCE, AND YOU'LL COME AGAIN.
You like to trade at a store where you are so treated that you have a desire to come again.
We try always to provide that sort of treatment for our customers.
We appreciate the trade of the public, and that appreciation finds expression in a constant endeavor to make our customers feel that we are endeavoring to make them feel that we are endeavoring at all times to furnish the best possible goods at the most reasonable prices.
L. W. McCONNELL, Druggist.

Doesn't Stop The Traffic.
The fining of fallen women for selling liquors unlawfully in McCook is not proving successful in stopping the unlawful business, apparently. THE TRIBUNE has heard statements which force it to the conclusion that the law on this matter is violated not only in old resorts, but in other places of more recent date.
Some vigorous and earnest action on the part of the city officials might, however, result in better law-enforcement along this line, if, indeed, such law-enforcement is desired.

Steve Bolles, Sr., Sick.

"And the Cost Was 15c."
Mary had an awful corn,
Upon her little toe,
And every where that Mary went,
That corn it hurt her so,
She doctored it with plasters, and
She poulticed it with salves,
She squandered lots of dollars
and just as many half,
To cure her corn, but all in vain,
That corn was her Hoodoo,
And kept getting worse and worse,
Till she couldn't wear her shoe,
While down town one day her mother
Called at Woodworth's store you know,
Bought a bottle of Nyal's corn cure,
And to her home did quickly go,
Mary's corn with this was painted,
In 3 days the corn had vanished,
and the cost was fifteen cents,
N. B.—We have more Nyal's corn cure, try it,
Woodworth, Druggist.

Mrs. Joe Hegenberger has been quite ill, but is some better today.

Overlands and Reos.
C. R. Livingston is just home from attending the automobile show in Chicago and visiting the great factories in that section of country. He has purchased four carloads of autos while away, two of them now being on the track here. Of the two carloads to be here in a few days one carload goes to his agent P. B. Cole at Cambridge, and the other to B. J. Dodge his agent in Palisade. Another carload for McCook will arrive later.

BOTTLED SMOKE
Provides in condensed form those preservative agents that are slowly deposited on meat by the old method of smoking. In using it you are not only employing condensed smoke but condense everything else. You economize time, attention, money, and heat.
Meat smoked by the use of liquid smoke is better preserved, tastes better, is not dried out, and the work is quickly done and out of the way.
L. W. McCONNELL, Druggist.

Vaudeville at the Temple.
A fair-sized and quite appreciative audience greeted the first vaudeville performance in the Temple, last Friday evening. The performances embraced comedy, acrobatic stunts, singing, dancing, juggling, ventriloquism, light touches of dramatic and musical numbers. Altogether it was pronounced good. The management may decide to put on such performances every other week, if they prove popular.
Invalid of Many Months Dies.
Mrs. Henry Brumgard, of South McCook, who has been ill for many months, and confined to her home since an operation in Lincoln some time ago, passed away Saturday night. Deceased was 55 years of age.
Services were held in the German Congregational church, Monday afternoon, conducted by Rev. Gustav Henkelmann, after which burial was made in Riverview cemetery.

Application For Rehearing Denied.
The supreme court of Nebraska has denied the application of the McCook Water Works Co. for a rehearing of the famous water works case of this city, which has taken more or less time of the courts for some time, and which, it is claimed still to be in an unsettled condition.

Sunday Evening Wedding.
Last Sunday evening, February 13, the home of Mr. and Mrs. R. T. Riley of our city was the scene of a very pretty wedding ceremony, in which Mr. Lloyd W. Ough, of Wauneta, Nebraska, and Miss Agnes J. Hicks, of Senith, Missouri, were the contracting parties.
At the hour of eight o'clock, the wedding party entered the parlor to the music of the wedding march by Miss Merle Wiley, of Wauneta, and assuming position, the ceremony was impressively performed by Elder L. S. Terry, of Wauneta.

Congratulations offered, all repaired to the dining-room and enjoyed a bounteous supper.

YOUR BOY AND YOUR GIRL

will soon be grown up, ready to start in life on his and her own account. What will they have to begin with? A neat little sum to start with may mean a difference of thousands of dollars by the time they are forty years old. Start an account in the name of your boy or girl, and insist on their adding to it, and have something ready for them when they are old enough to use it.
