

Notice to Delinquents.

The Publisher is removing from his subscription list the names of all subscribers who are owing for a year or longer.

This is done for two good and sufficient reasons:

First, we cannot afford, under present exorbitant prices, to carry subscribers longer than that time.

Second, because the government prohibits sending at pound rates to subscribers who are delinquent for more than one year.

If you miss your paper this information will explain.

Our terms are \$1.00 per year, payable in advance.
