Retirement of an Old Business Man.

Last Thursday night, F. D. Burgess retired from the plumbing business in our city, where he has been engaged in business for the past 26 years. F. D. has not decided what he will do, but it is safe to say that a man of his active temperament and record will not long remain inactive, and that he will soon be at work here or elsewhere.

A Great Dance, St. Patrick's Night.

The ladies of the Catholic church scored handsomely in their dance on St. Patrick's night. They had a large crowd and the financial returns to the guild were very satisfactory. Their guests had nothing to desire in the provisions made for their entertainment—fine orchestra, appropriate decorations etc.

ANSWERS EVERY CALL

McCook People Have Found that This is True.

A cold, a strain, a sudden wrench. A little cause may hurt the kidneys.

Spells of backache often follow. Or some irregularity of the urine. A certain remedy for such attacks. A medicine that answers every call.

Is Doan's Kidney Pills, a true specific.

Mrs. E. F. Marshall, living in the western part of Arapahoe, Neb., says: "While lifting some years ago I strained myself and after that began to have trouble with my kidneys. If I worked a little harder than usual, or caught the slightest cold, I was sure to suffer more severely, and at times would be forced to remain in bed for a couple of days. My back was very sore and when I straightened after stooping, sharp pains would dart through me. I also had frequent headaches and dizzy spells and the kidney secretions annoyed me somewhat by their irregular action. Not until I used Doan's kidney pills was I able to get relief. They went directly to the root of my trouble and before long I was in good health again."

Plenty more proof like this from McCook people. Call at McConnell's drug store and ask what customers report.

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no other.

JOHN L'S MARRIAGE

Former Heavyweight Champion Weds Sweetheart of His Youth.

The marriage recently of John L. Sullivan, former heavyweight champion of the world, to Miss Katharine Harkins has revealed a pretty romance. ENGLAND'S NEW GAME.

months ago the actor was hurrying home from a rehearsal when a street peddler with a tray of Mexican jumping beans caught his eye, and he became intensely interested in watching the little curiosities.

A few days later it occurred to him that much pleasure might be derived with them, and he has invented a game that has spread all over England and is now being introduced in this country. The game is played with the jumping beans and a warm plate, on which circles have been drawn with a pen. The owner of the bean which first jumps beyond the outer circles takes the pool. The accompanying illustration shows a game in progress.

Swing of the Pendulum.

"Many works of the highest literary excellence went begging among the publishers!" said the reminiscence person. "Yes," answered the man who doesn't care for best sellers. "But the publishers appear to have learned their lesson. Nowadays they seem willing to put almost anything into print."
