BARILEY.

We need county option. A late occurrence here fully proves the need. Two parties of this vicinity went to McCook, last Saturday, and brought home two gallons of liquor and a case of beer. The result was eight drunk men in Bartley, Sunday, and one of them a justice of the peace. If we had county option towns nearby McCook need not suffer from the saloon traffic in liquor; they could vote the city dry.

One Conductor Who Was Cured.

Mr. Wilford Adams is his name, and he writes about it—"Some time ago I was confined to my bed with chronic rheumatism. I used two bottles of Foley's Kidney Remedy with good effect, and the third bottle put me on my feet and I resumed work as conductor on the Lexington, Ky., Street Railway. It gave me more relief than any medicine I had ever used, and it will do all you claim in cases of rheumatism." Foley's Kidney Remedy cures rheumatism by eliminating the uric acid from the blood. A. McMillen.

DANGER IN DELAY.

Kidney Diseases Are Too Dangerous for McCook People to Neglect.

The great danger of kidney troubles is that they get a firm hold before the sufferer recognizes them. Health is gradually undermined. Backache, headache, nervousness, lameness, soreness, lumbago, urinary troubles, dropsy, diabetes and Bright's disease follow in merciless succession. Don't neglect your kidneys. Cure the kidneys with the certain and safe remedy, Doan's Kidney Pills.

Mrs. M. J. Wyatt, Minden, Nebr., says: "For eight years I suffered from acute attacks of backache, brought on by a disorder of my kidneys. My condition was such at times, that I was hardly able to stoop and to go up and down stairs was an action attended with much misery. If I exerted myself, a dull aching across my back would become so acute that I would be forced to lie down and rest. The secretions from my kidneys were also too frequent in action and annoyed me a great deal. I became tired and languid, was restless nights and arose in the morning all worn out. A few months ago I began taking Doan's Kidney Pills and found such prompt and gratifying results that I continued their use until completely cured."

Plenty more proof like this from McCook people. Call at McConnell's drug store and ask what customers report.

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no other.

Good results always follow the use of Foley's Kidney Pills. They give prompt relief in all cases of kidney and bladder disorders, are healing, strengthening and anti-septic. Try them. A. McMillen.

Talent of Success.

The talent of success is nothing more than doing what you can do well, without a thought of fame. If it comes at all, it will come because it is deserved, not because it is sought after. It is very indiscreet and troublesome ambition which cares so much about fame, about what the world says of us, as to be always looking in the faces of others for approval, to be always anxious about the effect of what we do or say, to be always shouting to hear the echoes of our own voices.

A Man's House.

What is a man's house but his nest, and why should it not be nest-like both outside and in—coarse, strong, negative in tone externally, and snug and well feathered and modeled by the heart within? Why should it be set on a hill when he can command a nook under the hill or on its side? Why should it look like an observatory, when it is a conservatory and dormitory?—John Burroughs.

Men.

When you meet with men of worth, think how you may attain to their level; when you see others of an opposite character, look within, and examine yourself.—Confucius.

Lifeless.

That's my chief objection to most of the new labor-savin' machines; they're so senseless an' cold.—Ruth McEnery Stuart.

IN CRANBERRY TIME

MANY WAYS IN WHICH BERRY MAY BE SERVED.

To Get Best Results in Jelly or Sauce—Tart Pie—Cranberry and Rice Jelly—Cranberry and Apple Pie—Pudding Baked.

Cranberry Jelly.—Cook one quart of cranberries in one cupful of water over the fire for ten minutes. Rub through a sieve, add one cupful of sugar and stir until the sugar is dissolved, then pour into jelly glasses. This should not be allowed to boil or it will not jelly.

Cranberry Sauce.—Wash one quart of cranberries, then put them in a saucepan with one pint of water; let them simmer gently until each cranberry bursts open. Remove the cover of the pan, add two cupfuls of sugar, and let them boil for twenty minutes without the cover.

The cranberries must never be stirred from the time they are placed on the fire. This is an unfailing recipe for the most delicious preparation of cranberries. It is good with turkey and game.

Cranberry Tart Pie.—Pick one quart of cranberries free from all imperfections, put in a saucepan; add one pint of water, one pound of sugar, and simmer gently until soft; then mash them with a silver spoon until smooth; some prefer them not mashed, or rub through a colander to free them from the skins. Turn out in a shallow pan to get quite cold.

Line pie plates with thin puff paste; fill them with cooked cranberries, and lay strips of paste across the top. Brush over with beaten egg and bake quickly in a hot oven.

Cranberry and Rice Jelly.—Boil and press the fruit, strain the juice into a saucepan, and by degrees mix in with it as much rice flour as will, when boiled, thicken to a jelly. Boil it gently, stirring all the time. Before removing from the fire add four table-spoonfuls of sugar. Pour in mold. When firm turn out and serve with cream and powdered sugar.

Preserved Cranberries.—Wash the cranberries and put them into a jar with two cupfuls of sugar. Set the jar in a pan of water and let it boil gently for three hours. Done this way, they will keep indefinitely and are delightful to eat with bread and butter. The juice prepared this way makes a fine drink for feverish patients.

Cranberry and Apple Pie.—Peel, core, and slice five large cooking apples. Put a layer at the bottom of a pie dish. Sprinkle with sugar. Next put in a layer of cranberries, and more apples and cranberries until the dish is full.

Moisten with half a cupful of water. Cover with a nice short crust, brushed over with beaten egg. Bake the pie for about an hour in a moderate oven. This pie is nice served with custard.

Custard.—Boil one pint of milk with the rind of a lemon; sweeten to taste, and add the beaten yolks of four eggs. Stir over the fire until the eggs thicken. Do not boil, strain, and let cool.

Cranberry Pudding Baked.—Pour boiling water on one pint of bread-crumbs; melt one tablespoonful of butter and stir in it. When the bread is softened add two eggs well beaten and stir into the bread-crumbs. Add one pint of stewed cranberries and sweeten to taste. Bake in a well buttered dish until firm. Served with stewed cranberries or with sweet sauce.

Croutons.

Crusts are used in cream soups and afford an excellent way for using stale bread. Cut stale bread in one-third inch slices and remove the crusts. Spread thinly with butter. Cut slices in one-third inch cubes, put in a shallow pan and bake until delicately brown, stirring occasionally and watching carefully that the crumbs may brown evenly. If you are tired of cube-shaped pieces, by way of variety cut the buttered one-third inch slices into strips, making small finger shaped pieces, which, when browned in the oven are called imperial sticks.

A Roast Turkey Loaf.

Take a quart of cold turkey chopped coarsely and mix with a cup of soft white bread crumbs, two beaten eggs, a teaspoonful of salt, a little pepper and, if you like, a small cup of chopped celery; press into a buttered bread tin, cover with strips of pork and bake for an hour; serve hot with giblet gravy and cranberry sauce.—Harper's Bazar.

Beefsteak Toast.

Chop cold steak fine and put into a stewpan with a lump of butter and water to more than cover. Boil 20 minutes, then stir in a well-beaten egg. Season with salt and pepper and pour over toast. Serve hot.

Bread and Butter Pudding.

Spread with butter two slices stale baker's bread, cut about one inch thick; make a custard of one egg and one pint of milk. Salt, sugar and flavor to taste. Pour over the bread and bake 20 minutes.

Little Helps.

To cook a pumpkin easily, halve it, remove seeds, and bake in oven. When tender, scoop pumpkin out with a spoon and rub through a colander. Scorching is prevented and time saved by this method.

Pumpkin Fritters.

One pint of pumpkin boiled and sifted, 1 pint of milk, 2 eggs, one-half teaspoon salt, pinch of ginger, 1 teaspoon molasses, flour to make a batter stiff enough to drop on griddle as for buckwheat.

Back to the Farm!

The greatest advertisement ever given to western farm lands is contained in the present discussion regarding the high cost of living. Our population and its demands has increased beyond ratio of increased soil products. The man who owns a farm is surer today than ever before of its future value and worth to him. Nearly a million immigrants come annually to this country. The west is increasing in population at the rate of half a million a year. The man who owns a 30 or 40 acre worn-out farm in Europe is considered independent, yet the west offers you 320 acres tracts of Mondell lands or 80 acre tracts of Government Irrigated land, at a price that comes near being a gift.

With the absolute certainty that these lands will be beyond the reach of the homesteader in a few years. It Will Pay You to Get Hold of a Western Farm for yourself or your son before it is too late. Get in touch with me.
