RESOLUTION OF SCHOOL BOARD.

The Board of Education Has a Hearing and on the Strength of What Was Therein Developed Promulgated the Following Resolutions.

The board of education held a long session, last Friday afternoon, to consider the action of members of the junior class in keeping Miss Vera Fitzgerald of the class of 1910 from the commencement exercises of Wednesday evening preceding by taking her on a hayrack ride from which they failed to return until the exercises had about concluded about 10:30 o'clock.

The following resolutions were unanimously adopted by the board:

Whereas, Ray Scott, George Green, Fred Grimm, Arthur O'Rourke, Ora Stewart, Florence Watson, Hazel Barabazett, Arlene Allen, Agnes Gold and Mabel Hegenberger either fully planned or had guilty knowledge of a plan to abduct Vera Fitzgerald, a senior in the McCook high school, from all or part of the graduating exercises last Wednesday night, and did abduct her from all participation in the graduating exercises,

Be it resolved and hereby ordered by the board of education that it is the sense of the board that Ray Scott, Fred Grimm and George Green be given the greatest possible punishment under the circumstances—that they be expelled from the McCook school during the present semester and credit permanently withheld subject to the ruling of the state superintendent of public instruction, otherwise to be withheld subject to future department and conduct.

Further be it resolved that Arthur O'Rourke, Ora Stewart, Florence Watson, Hazel Barabazett, Arlene Allen, Agnes Gold and Mabel Hegenberger be expelled from the McCook schools for the rest of the present semester and credit for the semester be withheld subject to their future conduct and department in school. That in event the board's action to withhold credits be overruled, then a notation on credit record shall be made, stating in fact their disgraceful conduct and expulsion from school. As it has been shown that Joe Moore was entirely innocent, be it resolved that he be freed from all criticism whatever in being with the crowd, and commended for his manly conduct.

WHY use a foul smelling, noisy, gasoline engine for power, when you can get Electric Motor Power? No noise, no vibration, no spark plugs, no batteries, no refusing to operate. Put in a motor and you will love that grouchy disposition. It costs no more to run your plant with Electricity than it does with gasoline, and it is always ready.

Decoration Day Exercises.

It may be recorded with satisfaction that both Memorial Sunday and Decoration Day exercises in McCook, this year, attracted large crowds and earnest attention.

Both services were held in the Temple theatre, fully 600 people being present on Sunday, and 400 at Monday afternoon's exercises.

At the Memorial Day services Rev. E. R. Earle delivered the sermon, and it was a patriotic and earnest one. Rev. Howe of the Methodist church uttered the invocation; Rev. Iams of the Baptist church read the scripture lesson; and Rev. Hobson of the Christian church voiced the benediction.

The high school orchestra played two selections for the occasion. "America" was the program number by the audience.

The old soldiers and ladies of the relief corps met at their hall and marched in organizations to the theatre.

Decoration day, like the preceding one, was ideal as to the weather and there was a more than common observance by the people of the city and surrounding country. Business was suspended for part of the day and there was considerable decoration of business houses and of homes.

In the morning there was a large representation in the procession to the cemeteries of the city, headed by Captain Scott and the members of company M, N. N. G. The old soldiers, ladies of the relief corps, members of the city council, and citizens in numbers repaired to the cemeteries, in automobiles, carriages and on foot, and a large company witnessed and listened to the ritualistic services at the cemetery. Salutes were also fired by detachments from company M at the monument in Riverview cemetery in honor of the dead. Detachments from post and corps decorated the graves of the departed soldiers as follows:

David Keithley	Smith Gordon
Marion B. Brown	Charles Turner
Chester Ward	Thomas A. Scott
R. S. Cooley	J. B. Farnsworth
Charles Fox	W. X. Johnson
J. B. McCabe	Lyman Miller
John D. Gerver	Josiah B. Rosbong
Peter Groves	A. W. Schaeffer
Moses Battershall	C. L. Nettleton
William M. Irwin	Willard Matthews
Elias H. Conrad	W. H. Benjamin
Charles Walker	Edwin Farnsworth
Henry Walker	Thomas J. Pate
A. P. Welles	Andrew Phillips
John Williams	Dr. A. J. Thomas
Daniel Clemmons	William Huber, Sr.
Leroy Rolfe, U.S. Navy	R. R. Stewart, Confed.
Albert Hamilton, son of a veteran.	

After dinner the formal Decoration Day services were held in the Temple theatre, the following program giving pleasure and inspiration to many:

Song—"America".....Audience
Reading of Orders.....Adjutant Yarger
Invocation.....Rev. Bryant Howe
Reports of Decorating Committees.....
Patriotic Song.....Public School Girls
Reading of Lincoln's Gettysburg Address by.....Mrs. Lottie Brewer
Address of the Day.....
.....Rev. Gatley of Cambridge
Address to the Unknown Dead.....
.....Mrs. W. G. Dutton
Benediction.....Rev. Bryant Howe

Before dismissal, Commander T. Moore expressed the gratitude of the old soldiers for the assistance rendered the boys in their services, and for the hearty cooperation of all in making the day what they desired it might be, a real memorial.

Rev. Gatley made a strong appeal for a better and a more glorious America, for a welfare against vice and wickedness and wrong of the same virile earnestness as the boys in blue waged in the early sixties against slavery and disunion.

The patriotic song by a large class of public school girls was especially appreciated.

The Tribune is more than pleased to record the observance of 1910.

ANOTHER REGRETTABLE AFFAIR.

Miss Vera Fitzgerald is Kept Away from the Commencement Exercises of the Class of 1910 by Members of the Junior Class.

Miss Fitzgerald being the only member of the class of 1910, members of the junior class conceived it would be a "joke" to reduce the number of graduates at the exercises by one. Accordingly they arranged, Wednesday evening of that week, for a reception for Miss Vera at the home of Mrs. Joseph Allen, at five o'clock. Refreshments served, a hay rack ride was suggested, and the vehicle and team were at hand. Eleven juniors, Miss Fitzgerald and Miss Mary Hartwell, the class sponsor, composed the party. They moved by easy stages and circuitous route to Perry station, and by subterfuge delayed return to the city till after 10 o'clock at night, when the exercises were about concluded.

This most regrettable affair indicates to The Tribune that unless the present spirit in the high school is replaced by one of co-operation and mutual sympathy, failure faces the system.

Parents, pupils, faculty and board need to come out of the entrenchment and get together on a basis of peace and amity.

The Youngest Soldier Question.

The question of who was the youngest soldier in the late civil war is continually and frequently being raised. Recently, a veteran at Tecumseh, Nebraska, appeared in the arena with his claim, and this suggested to a Red Willow county veteran that he had a good claim, and he presents herewith in this issue:

Lebanon, Nebraska, May 30, 1910.
The Tribune, McCook, Nebraska: I see that Comrade Philpott of Tecumseh, Nebraska, claims to be the youngest soldier in Nebraska. Let us see. I was born on June 29, 1849, being now in my 60th year. I was through to the end with General Sherman. Was in a great many engagements and skirmishes and stopped a minnie ball at Macon, Georgia. I belonged to company L, 9th Pennsylvania cavalry—one of the 300 fighting regiment. Have lived at Lebanon, Nebraska, since April, 1874.

Boys in Blue Are Grateful.

To those citizens of McCook who by money and assistance made it possible for the members of the G. A. R. to observe Decoration Day so successfully and satisfactorily we wish to express our thanks and gratitude in no measured terms. We thank you most heartily, on behalf of the members of J. K. Barnes post.

Stewart-Oyster.

The residence of Mrs. Margaret Oyster was the happy scene of a quiet home wedding, Wednesday evening, when her daughter Dora and Mr. B. H. Stewart assumed the holy bonds of wedlock in the presence of a company composed of members of the immediate families and a few close personal friends.

Rev. R. T. Bayne of the Congregational church performed the ceremony in the use of the ring form, under a wedding bell of white roses and rose leaves. Miss Helen Burns was bridesmaid, and Mr. Ray E. Love the groom's best man.

The bride was gowned in silk embroidered French lawn, semi-princess with tunic, and carried a shower bouquet of daisies. The bridesmaid wore a light blue frock of figured souine silk, trimmed with smoking, producing semi-princess effect. Pink carnations composed her bouquet.

Mr. and Mrs. Henry Best played the wedding march, and during the ceremony and evening ensuing. A vocal solo by Mrs. Sues and piano numbers by Miss Burns were also musical particulars.

Following the ceremony was served a three-course dinner of dainty and substantial particulars. The dining-room decorations were in carnations and smilax, with ribbons connecting with the corners of the large dining table. Mrs. C. W. Taylor, Gertrude and Martha Sues served the dinner, which was the handiwork of "Aunt Mary" Sawhill.

The bride is a native of our city, and one of her choicest daughters. The groom for years has been the trusted and efficient foreman of the Tribune office. Both have a host of constant and admiring friends in this city, who will join us in heartiest well wishes.

The out-of-town guests were: Mr. and Mrs. Rufus B. Carlton and son of Sacramento, Calif., Mr. and Mrs. S. D. Bolles of Box Elder, and E. M. Stewart of Denver.

LACK BOARDING AND LODGING.

At This Printing Not Enough Responses Have Been Received to Requests for Accommodations for Junior Normal Pupils. Get Busy, Brethren.

The expectations are that the number of Junior Normal pupils, this year, will reach a total of about 200, or perhaps 50 more than last year.

This suggests an appeal to the pride of our citizens to see that accommodations are provided these pupils at a reasonable charge. In order to ascertain what is a reasonable charge we will state that at Kearney students get room and board at from \$3.25 to \$3.75 for both. At Peru the figures are a little lower and at Fremont there is a still further reduction. The Tribune understands that prices here ought not to be as low even as Kearney, but they can profitably be placed at say from 75 cents to \$1.00 a week for a furnished room for two, and board at from \$3.50 to \$4.00 per week, or a total of \$4.25 to \$5.00 for both.

There is no desire on the part of those directing this junior normal enterprise to get prices down below profit, but we should not lose sight of the fact that a special effort must be made to get very reasonable figures from the citizens, until a boarding house in connection with the school is a reality and the minimum prices thus secured, or failure will be written over against our normal school. Everything else being equal, pupils will go where they can get the best accommodations at the least expense. We must meet the exigency or run the risk of dying a natural death from lack of attendance.

An effort is now being made to secure the necessary accommodations. If our people value the enterprise sufficiently, let them come forward and meet the emergency. It may well appeal to our pride to give the normalites a welcome and a price to boot.

Authorities Interfered.

A female by the name of Wright was deprived by the authorities, this week, of a little baby she is alleged to have been treating brutally. The little one was not her own, having been adopted in some manner from somewhere. The little one is only a few months old, and shows evidences of bad treatment. The female in the case is said to have left the city, Sunday night, at the direction of the authorities. Her reputation was aught but savory. Mrs. E. M. Day is caring for the little one temporarily. There are a number of good homes open to the little waif.
