TWENTY-NINTH YEAR

MCCOOK, RED WILLOW COUNTY, NEBRASKA, THURSDAY EVENING, JUNE 16, 1910

NUMBER 4

DIES IN THE HARNESS.

Rev. E. R. Earle of St. Alban's Chapel Answers a Sudden Summons on Tuesday Afternoon.—Heart Disease Cause of Death.

The people of McCook were profoundly touched and surprised, Tuesday afternoon, by news of the death of Rev. E. R. Earle, rector of St. Alban's Episcopal church of our city, who passed away in his room at the residence of William Jeffries on Main avenue at about three o'clock. Mrs. Earle was with an ailing aged father in Arapahoe at the time, and his death became known about 3:30 o'clock, through a member of the household, who summoned physicians, who announced life departed.

Rev. Earle was born in South Carolina, February 2, 1848. The marriage with his first wife occurred in Syracuse, New York. She died in Omaha, about nine years since. There were no children to this union. October 18, 1905, he was united in marriage with Miss Ella Davis of Arapahoe, who survives him, as do three brothers and one sister living in the east.

Rev. Earle has been in charge of the work of the Episcopal church in this part of Nebraska for the past nine or ten years, making his headquarters at Arapahoe until two or three years since, when he made McCook his residence. He has been an indefatigable worker, and accumulated a wide circle of admiring friends within and without the church of his choice and love. Although he has been afflicted more or less during the past year or so with heart trouble, he was uncompromising and has been vigorously pushing their rectory enterprise, upon which work has just begun.

The remains may be viewed by the public in St. Alban's chapel, Thursday from 10 to 12 and 2 to 7, and on Friday from 8 to 12 o'clock.

The funeral services will be held in the chapel at 2 o'clock, Friday afternoon, priests from three or four parishes in the diocese officiating.

The Tribune adds its sympathy to the bereaved wife and the sorrowing church.

A Wall Paper Dollar.

A dollar invested in wall paper can be made to make a big showing. For a dollar we can sell you sufficient paper to cover the walls and ceiling of a moderate sized room. We are not talking about the cheapest grade of paper either—we do not handle paper that isn't worth putting on the wall. A little more buys a splendid quality, a paper to be proud of.

Then if you want something real good, something extra stylish and striking in design, we have it, too.

We aim to save you money, no matter what quality you buy.

Masonic Temple Craft Report.

McCook, Neb., June 15, 1910. Dr. C. L. Fahnstock, President Masonic Temple Craft of McCook, Nebraska, McCook, Nebraska.

Dear Sir: In compliance with your request, the undersigned have made an examination of the books, records and papers of the Masonic Temple Craft of McCook, Nebraska, with regard, especially, to the financial transactions of the corporation from the date of its organization to the 7th day of June, 1910, inclusive.

All items of revenue during the period were checked against duplicate receipts. All items of disbursement were verified against the original receipts wherever these existed, as well as against the vouchers or warrants which were, in every instance and for every item, approved, issued and subsequently returned and cancelled.

All cancelled checks for the period, which were returned from the deposit banks, were compared with the stubs of the check books, and the deposits of cash receipts in the banks were compared with the entries on the cash book. The accuracy of journal entries covering cash transactions, of additions in the cash book and journal, and of posting from the cash book to the ledger, were tested. We herewith submit a summarization of the result of our examination.

The clerical work has been accurately and systematically done, and is in satisfactory condition. The stockholders are to be congratulated on the excellence of the financial showing. An analysis of the subjoined statement discloses that the obligation which was incurred to complete the building will, within a comparatively short time, be discharged from the net receipts, which are being applied to that end, and that when this has been accomplished, the forty-five thousand dollars of stock will represent an investment which will be worth in the neighborhood of sixty thousand dollars, and the rentals from the building and the receipts from the opera house will be sufficient to pay substantial dividends.

The officers and directors, as well as the managers of the opera house, whose tireless efforts have been remunerated only by the gratification which rewards performance of public service, are deserving of the warmest commendation.

As an apology for the delay in pre-

Joint Wedding Celebration.

Dr. and Mrs. C. A. McKim and son of Norfolk, Neb., arrived in the city on No. 3, Monday night, to be present at the joint fifth wedding anniversary of themselves and Dr. and Mrs. W. F. Jones of our city, on Tuesday, June 14.

Their guests were Mr. and Mrs. LeRoy Kleven and Mrs. H. L. Kennedy.

Mrs. Jones added to her fair reputation in the serving of an excellent five-o'clock dinner, after which the evening was pleasantly spent in social ways.

The only marring incident to the fine occasion was the fact that Dr. Jones was unavoidably detained in Lincoln on that day and did not arrive home until Wednesday noon.

Dr. McKim will remain a few days, Mrs. McKim following some weeks later to their home in Norfolk.

School Census.

Wm. Rankin and Howe Smith are the official school census takers. The cards furnished by the parents to the school are a great help and saving of time for you. The teachers will only take a moment of your time to verify the information already on the cards. It will not take nearly as much time to verify the cards as to stand while the census taker makes out a card in your presence. The census takers will appreciate your kindness in helping to make our school census as large as we are entitled to.
