Locomotive engineers in Germany if they have run their engines ten years without accident, receive from the government a gold medal and \$500 in cash.

Miss Fannie Frantz arrived from Niagara, New York, this week, and will accompany Mr. and Mrs. C. D. Noble, her uncle and aunt on their visit, first of next week, to the western coast.

Conductor Elmer Hawkins was let out of the service, end of last week, presumably for failing to protect the work train he was in charge of near Axtell, recently, from an extra freight, which ran into his train with some damage.

For the year ending June 30, 1910, Culbertson station handled 28,130,527 pounds of freight, receiving for freight and passenger business a total of \$59,428.49. Culbertson shipped out 414 carload lots and received 218 carload shipments.

The foreman of the roundhouse and his clerk, Mr. Klein and Mr. Edmondson respectively, are having a new office built more in keeping with the great "Burlington route." The shant has done duty many years and now that Jim Hill seems to prosper it was thought best that a small portion of his wealth be used to keep up the reputation of the Burlington as the road that "does things".—Akron Pioneer Press.

Engineer and Mrs. Hugh Brown and Miss Bertha Brown left Thursday for Colorado City for a visit of several weeks with Mr. and Mrs. S. M. Bayles and Mr. Brown's father. Mrs. Bayles was formerly Miss Ada Hammond, of this city. From Colorado City they will go to Encampment, Cheyenne, and other points in Wyoming for visits with Mrs. Brown's parents and sisters. They expect to be absent about a month.—Hastings Tribune.

Passengers on Train 15, Monday night, at Arapahoe, were treated to an unusual experience, when the irate women and a few men of that town loaded a male and two females of that burg onto the train with directions not to return. After the undesirable had been placed on the train, the women took every opportunity to inform the passengers on the train of the character of the trio who had just been compelled to leave that town. All three had been caught in fragrant delicto. The trio had just money enough among them to get the bunch to Denver, whither they went. There are a few others in Arapahoe which the people propose to run out of town, it is stated.

DEMOCRATS AT GRAND ISLAND, REPUBLICANS AT LINCOLN.

COUNTY OPTION IS THE ISSUE

Republicans Adopt County Option Plank and for a Direct Legislation.

Democrats Reject County Option and Endorse Eight O'clock Closing Law.

The republican state platform reviews achievements of the party and endorses the work of its leaders.

Favors the creation of a non-partisan board of control for state institutions.

Endorses county option.
Favors redistricting the state for legislative purposes.
Endorses direct legislation.

The republican party of Nebraska has declared for county option. This fall it will go before the people of the state with its candidates, endorsing that issue as a further regulation of the liquor traffic and pledging the republican candidate for governor to sign, if he is elected. The party also declares that the people should have a right to vote on a constitutional amendment referring to direct legislation, or initiative and referendum, non-partisan control of state institutions, and the hearty endorsement of the activity of President Taft in his

NORRIS BROWN, United States Senator from Nebraska.

insistence on needed legislation. The county option plank was recommended by the committee, as was also the administration plank and the non-partisan board of control. The direct legislation plank came before the convention as an appeal from the majority of the committee.

The convention was absolutely in the hands of the county optionists. Little had been heard about direct legislation, but when the appeal from the committee came it secured almost as strong endorsement as the county option plank. Two days of hard work by the men who would have had a compromise or would have had the platform silent on the liquor question did not move many of the delegates from their position. Two hours in the committee on resolutions failed to move the majority of one member from an insistence on a straight plank declaration. Speeches in the convention against the measure were listened to with much impatience. The wording of the plank which was adopted the night before the convention as a sane and moderate one was finally forced through the convention by an overwhelming majority, and amid scenes of wild excitement and enthusiasm.
