to make the children look nice just for a day. Why not preserve the memory of their prittiness by means of our

Photographs.

Our pictures, either of individuals or groups, are so excellent that they rival the steel engraving in softness and far excel in faithful portraiture the work of the skilful artist.

Stick to Pass Book System.

Washington, Aug. 1.—The ancient and long established pass book system, used in ordinary savings institutions, will be adopted for the proposed government postal savings banks. The committees that have been perfecting the plans for the postal banks had been considering what is known as the coupon system for postal bank deposits, but has now decided that, while having some advantages, that system might produce complications that would be undesirable.

According to the coupon system, depositors would receive with each deposit a slip representing their deposit, together with a coupon for the amount of interest that would be paid on their money. The committee decided there were many objections to flooding the country with millions of deposit slips, with coupons attached, many of which would represent values of only a few cents.

REBUILT BETTER THAN BEFORE.

Uplike Will Build a Larger and More Up to Date Elevator Than the One Recently Destroyed by Fire.

The Uplike Grain Co. announce that they have all of the burnt grain, iron and lumber off their grounds, and will at once begin rebuilding their elevator at this place.

It will be one of the largest and most up to the minute terminal elevators between Omaha and Denver, as they expect to profit by every late improvement in the market.

They contemplate being able to handle grain at McCook in about six weeks.

In the meantime they have an office two blocks east of the one recently burnt, and their phone number remains 169.

A Camping Party.

McCook furnished Colorado a big camping party, Sunday night. Among those in the party are: P. Walsh, J. E. Molund, Jack Hardy, L. W. McConnell, W. D. Darnell, H. P. Waite, George Campbell, C. A. Fisher and Clarence Purinton. They went to Steamboat Springs over the Moffatt line, but their camp will be in the mountains a number of miles from that terminal point on the line, and can only be reached by wagon. N. J. Campbell expects to join them later. That the boys will enjoy a great outing goes without the saying.

UTTERLY DIFFERENT POCKET BOOKS.

We have plenty of the conventional kinds, such as you see elsewhere, but what is of greater interest is the very large line of unusual and novel sorts. All the latest fads and fancies in pocket book making. All of the newest and most novel materials fashioned in the most artistic manner.

If you want something entirely different from what you can find elsewhere, we have them, and we warn you that you'll be surprised at their beauty and variety.

Milk Spread Disease.

Dr. W. H. Wilson, state health inspector, has returned from McCook where a prolonged epidemic of scarlet fever has existed. No deaths have resulted, but quarantine did not check the disease. From sixty to seventy cases existed. The increase in the disease was traced to a ranchman's house five miles from town. The fever had gone through his family and the convalescent children were milking cows that supplied milk to a portion of the town. The sale of milk was stopped, the dairy was placed in quarantine and the usual sanitary measures enforced.—Lincoln Journal.

DEATH OF MRS. P. CATHCART.

Drinks a Quantity of Carbolic Acid by Mistake and the Result is Fatal, Same Day.

The death of Mrs. Perry Cathcart, last Sunday night, is one of the saddest particulars.

They had threshers at the farm, end of last week, and worn down by the extra work, on Sunday morning, Mrs. Perry Cathcart drank what she thought was a portion of citrate of magnesia. It proved to be carbolic acid in a citrate of magnesia bottle.

Mrs. Cathcart discovered her mistake before she swallowed the terrible acid, but not in time to escape inhaling into her lungs the deadly stuff. All was done promptly that could be done but to no purpose, and Sunday night she passed away.

Services were held at the Corwin farm, southwest of the city, upon which the Cathcarts were tenants, Tuesday afternoon, after which the remains were brought to McCook, and interment was made in Longview cemetery.

The departed was held in highest esteem by all who knew her, and these were many, as the family has lived in this city and country for many years, and her tragic and most sad death is a shock most keen to all.

The Tribune offers the bereaved husband and children the tenderest sympathy of this community in their sorrow and greatest loss.

The departed was a member of the Degree of Honor lodge at Danbury, and carried a policy of \$2,000 in the order.

The departed is survived by her husband, three daughters—Mrs. W. A. Cassell of McCook, Mrs. Ona Rush of Glenwood Springs, Colo., and Miss Irene Cathcart of our city; two sons, Rollo Cathcart of Colorado, and Ray Cathcart of McCook; all of whom were present at the funeral.

Funeral services of the Episcopal church were conducted at the home by C. W. Barnes of this city.

Mrs. Cathcart was born in Storey county, Iowa, May 19th, 1860. Was united in marriage in 1876. Spent a large part of her life in southwestern Kansas, moving to McCook about eight years since.

National Guard to Go to Ft. Riley.

DEATH FINALLY CLAIMED HER.

Mrs. William S. Tomlinson Passes On After a Long Illness.

The sympathy of this entire community goes out to Mr. William S. Tomlinson and the children in the death of Mrs. Tomlinson, which occurred at about 7 o'clock, Tuesday evening, after an illness of over seven months, during which time everything was done to restore her to health, which began to fail about the first of the year. All medical skill and faithful nursing and care proved futile and unavailing.

Departed was a Christian woman of high character and esteemed by a large circle of neighbors and friends, and her death is a distinct and personal loss to many.

Brief services were conducted at the home, Wednesday afternoon, by Bishop Graves of the Episcopal church. Touching music was the offering of five girl friends of the daughter Nina, namely, Miss Minnie Viersen, Miss Florence Rosebush, Miss Elsie Campbell, Miss Leah Pennell, Miss Hazel Merle.

The departed is survived by her husband, one daughter Miss Nina, and one son Guy.

The remains were taken to Akron, Ohio, for interment, Thursday morning on No. 2, Mr. Tomlinson and Miss Nina accompanying them to their last resting place. They will likely be east for a month.

Eva Andrews was born in Somerton, Ohio, in January 16th, 1861. Was united in marriage, December 23, 1880, with William S. Tomlinson, with whom she came to Superior, Nebraska, in 1885. They lived in Akron, Colo., Oxford, Nebraska, later on, and came to McCook in 1895, where they have since resided. Deceased was an earnest and faithful member of the Christian church for many years.

Believes in Church Advertising.

Spokane, Wash., July 29.—"I have drawn people to my sermons by advertising. I have attracted them with moving pictures, hot suppers, pink teas and flowers and flags. If I have had any degree of success in Spokane it is because of the liberal use of printer's ink," said Rev. Dr. James W. Kramer, pastor of First Baptist church, who came to Spokane from South Carolina two years ago. "There is something worse than sensationalism. It is the inability of the church to produce life. The church that does not advertise is behind the times and is nursing empty pews, and he who rails against the minister for advertising is suffering for a congregation. I am not an advocate of ragtime methods or vulgar preaching, but I do plead for the church which is a humming plant of machinery, with live coals in the fire-box, smoke curling from the stack and every belt, wheel and pulley going. I believe, too, that the people need instruction and that a minister of the gospel, is first, last and all the time a teacher. There must be life."
