MOVEMENTS OF THE PEOPLE.

Frank O'Rourke has gone to Omaha and will be in Creighton, this year.

Mrs. W. H. Harmon is in Omaha, where she was this week operated upon for an eye trouble.

Mother Sness of Crete, who attended the funeral of her daughter, Mrs. Drath, at Herndon, Tuesday morning, is now here with relatives.

Mr. and Mrs. Louis Sness departed, Tuesday night, for eastern markets, to make extensive purchases of seasonable goods for the C. L. DeGroff & Co. establishment.

Mrs. William Sullivan is now in the sanitarium at Lincoln, where she states that her ailment can be cured without resorting to the knife. Her mother Mrs. Hedden has returned to her home in Alma.

Oscar and Floyd Green arrived home today on No. 16. Oscar will take up work in the Nebraska university, next week. After a short visit here with the homefolks Floyd will return to his work in Montana in a lumber office.

Two New Edisons.

The Electric theatre management has just purchased and installed two new Edison machines of the latest model, and claim with confidence that no one can show better or finer moving pictures than these new machines produce.

Miss Fay Marvin, deputy postmistress at Oxford, is the guest of her sister.

Miss Leta Monks arrived home, Sunday evening, from her Denver visit.

Mrs. E. W. Sovern returned, Wednesday on 13, from visiting relatives in Wilsonville.

W. H. Harmon returned, last night, from a business visit in Omaha since Monday morning.

Misses Ethel and Jessie Pope came down from Denver, last Saturday, and were here a few days.

If you find any substance in your baking injurious to health made from baking powder in this can there is

\$1000
In it for you

Calumet has been backed for years by an offer of \$1,000 for any substance injurious to health found in the baking prepared with it.

Does not this and the fact that it complies with all pure food laws, both State and National, prove that Calumet is absolutely pure?

With the purity question settled—then Calumet is undoubtedly the best Baking Powder. It contains more leavening power; it is more uniform—every can is the same. It assures better results—and is moderate in price.
