### Commercial Club Meets.

There was a regular meeting of the Commercial club, Tuesday evening, with but a fair attendance. The club decided to boost the corn show and appointed F. M. Kimmell, L. W. McConnell and H. C. Clapp to collaborate with Miss Elizabeth Fletcher, county superintendent, in the matter; deciding also to give generous financial assistance to this commendable enterprise of the county schools department.

In recognition of the splendid services of Stephen Bolles, Sr., of Box Elder, and of William Hierskorn of Lebanon, in preparing and making the county exhibit at Lincoln state fair, the club voted their thanks and extended them the courtesies of the club. Club instructed the house committee to add one Democratic and one Republican state daily and both local papers to the reading table of the club room. The automobile road committee reported that Washington and Yuma counties, Colorado, would make automobile roads up the Nebraska state line, and the committee hoped to secure the cooperation of Dundy and Hitchcock counties in Nebraska to extend this road on east to Red Willow county, when the work will be advanced in this county.

The sugar beet factory committee made a favorable report. Stating that a general officer of The Great Western Sugar Co. some time since looked over this field, and stated that he believed that that company would eventually locate a factory in the Republican valley in this neighborhood.

### May Stewart.

who is coming to the Temple theatre, Monday night, Sept. 26, in the romantic comedy "The Hunchback" will probably break all theatrical records as a drawing power in the legitimate ranks this season. This will be Miss Stewart's first appearance here, but she came heralded with an Eastern reputation and is playing to crowded houses in many places.

The play was first made famous in this country by Clara Morris and Mary A. Derson. It was afterwards used as a successful vehicle for such stars as Mina Gable, Julia Marlowe and Viola Allen. It has always been a favorite with Miss Stewart and in the role of Julia she is said to shine to unusual advantage.

In speaking of her performance in Kansas City The Kansas City Star said: "It was in the play of 'The Hunchback' that Miss Stewart made a decided hit, after she had appeared perfectly in several scenes, her reception in the third act amounted to almost an ovation."

### RED WILLOW TOOK FIRST.

Had the Best Exhibit of County School Work.

County Superintendent Lettler is experiencing thrills of pleasure and satisfaction over the fact that first premium has been awarded Red Willow county for the best general exhibit of county school work in the recent Nebraska state fair.

No small pains and labor were expended by Miss Bettecher in preparing and arranging this exhibit, and of course the result is gratifying to her and complimentary to the county schools of Red Willow county.

A \$10 check accompanied the notification.

We congratulate.

### Tenders His Resignation.

Last Sunday morning, Rev. Bryant Howe, who has been pastor of the Methodist church of our city for the past year, tendered his resignation to the official board of the church and to the congregation. During his pastorate Rev. Howe has formed many strong friendships among the membership and without the church and they will join The Tribune in expressions of regret that he will not return to this field for another year. Rev. Howe is absent from the city this week, attending annual conference for West Nebraska, in session in North Platte.

### Ice Deal Closed.

J. I. Lee has closed his deal with the Hamiltons, whereby the latter become owners of the ice plant and business and the former comes into possession of the Hamilton lands on the Blackwood, Hitchcock county. ### Obituary.

Marie Isabelle Hatcher, daughter of Albert and Mary Lang, was born near Bartley, Nebraska, March 18, 1889, and departed this life, Sept. 8, 1910, aged twenty-one years, five months and twenty-one days. The deceased was married to Paul Hatcher, Aug. 1, 1910.

Funeral services were conducted in the Hatcher home west of Indianola, Friday, Sept. 9, at 3 o'clock p. m., Rev. Allen D. Burress, pastor of the Indianola Methodist church, officiating. Miss Ruth Wiehe of McCook, Nebraska, sang three songs, much to the comfort of the bereaved. Six strong young men, friends of the lamented wife and her surviving husband, sadly bore the remains to the place of its interment, the Indianola cemetery.

The deceased was well known in and near Indianola, and was loved by many, as the beautiful flowers and long train of carriages bearing sympathizing friends attested. She will be long remembered for her kindness and affection lavished on those dear to her, and while she has gone into the world beyond, there is left to those whom she loved the memory of all the good she did and the affections she bestowed.

## One Dollar

does not make a fortune anymore than one swallow makes a spring. But one dollar deposited as a start on a bank account may mean a fortune in time, just the same as the one bird indicates that spring is coming.

After you have made the start it is only necessary to adopt a rule of saving a certain part of your income REGULARLY, to lay by a substantial sum. Suppose you decide to save one-fourth or one-fifth of every dollar that comes into your hands, wouldn't that give you an excellent start in a year or less?

We would courteously ask you to consider this bank when selecting a depository for your money. We will be glad to see you at any time and explain any points that you do not understand.
