Had the Merchandise.

Gus C. Weinburg and excellent company presented "The Burgomaster" before a splendid audience, in the Temple theatre, Tuesday evening, giving the people of McCook and this section of the state one of the classiest musical comedies ever presented in this city. Weinburg in the title role is a large part of a good show in himself, but he was well supported, indeed Phemie and Etta Lockhart and others of the company were also deservedly popular with the appreciative audience.

Gus could drown or chloroform the tough girl chorus without damage to the production, however.

"The Burgomaster" made a hit, "stuck" in stage parlance.

Keep the Chaps Away and the Skin Smooth.

Roughening and chapping of the skin not only is a discomfort, but a means of gradually destroying the freshness and beauty of the skin.

The best remedy is McConnell's Fragrant Lotion it heals like magic and is as good a skin preserver as can be desired.

Get a bottle now and keep the preparation on hand all through the fall and winter for use when needed. Price 25 cents.

L. W. McCONNELL, Druggist.

A "Dummy" License Invalid.

The license granted by the village of Elwood, Gosper county, to Grover C. McDonald for the year 1910, is not valid, says the supreme court, for the simple reason that McDonald is not the real party in interest, but is simply a dummy for his brother, Edward L. McDonald.

"The Wizard of Wiseland."

There is an attraction coming to the Temple theatre on Saturday, Oct. 15th, that every man, woman and child will be tickled to see. It is the new, brilliant musical comedy, "The Wizard of Wiseland." The fun of this production is uproarious and unremitting, never pausing for a moment save when the songs and dances are introduced by a capable company of comedians and pretty girls. There are college girls, society girls, and all sorts of girls. There are fairies and devils and magic. And there is also a big active lion who will demonstrate how the King beast behaves when he makes a meal of a man. "The Wizard of Wiseland" has been deservedly playing to crowded houses with great success everywhere.

Great Class Initiation.

The Woodmen of the Fifth district are arranging a campaign to open about November 1st, which they expect to result in a great class initiation. District Deputy N. D. Wilson will come into the territory about Nov. 1st with his field men, to work the district for about fifty miles around McCook. Between the 18th and 25th of November the class initiation will be held in McCook. National Lecturer Byrns of New Jersey will be on the field and Head Consul Talbot. Mr. and Mrs. James Hatfield and son John are arranging to spend two or three months of the winter in the south—Texas.

Mrs. J. G. Schobel entertained the card party of which she is a member, last Thursday evening. A seven-o'clock dinner preceded the games, as is the club's custom.

Mr. and Mrs. John W. Green of Wauneta spent Saturday and Sunday with the homefolks here, returning Tuesday to Wauneta, where he is assistant cashier of the bank.

"My Cinderella Girl."

Dramatists have searched into the darkest depths of Christendom—yes, and several times fallen over the sides, in the effort to obtain a "thriller" for their brain creations. The stage has seen the fire engine with its real smoke, and dashing horses, the 100,000 gallon tank of cold water. The great "Saw Mill Scene" in which "Harold the hero" is hacked into ribbons, (almost) by the big buzz saw before the very eye of his beloved Berinda, in fact it would be hard to find a commercial idea that has not been used on the stage in some form or other, during the past twenty-five years, but it remained for William Norris to combine in that fertile brain of his, ideas ancient and modern.

The legendary story of a Cinderella with a United States national game of the present day and the happy blending of two grand ideas, resulted in "My Cinderella Girl," filling the Whitney opera house for a period of twenty-eight weeks.

Baseball in any form has a firm hold on the heartstrings of the average American, but when the game carries with it a pretty love story, and is garnished with pretty girls, sweet music and the wild revelry of a set of college students as in the case of "My Cinderella Girl," which will be at the Temple theatre, Tuesday, Oct. 18th, the cure for the blues is all the more complete.

Mr. Norris carries with him a full half-hundred people, and the production is embellished with appropriate scenery and handsome costumes that give a fine and elaborate finish to an entertainment that is complete in every detail.

Both Are Slightly Damaged.

Last Friday night, fire damaged the home and goods of Chris Larson of West McCook considerably. The hose in West McCook was found to be defective, and thus the work of extinguishing the fire was somewhat delayed; the joints leaking badly and a break in one section of hose forming the delay. The run from the main part of town was made in very brisk style, and they had water on the fire about as soon as the West McCook auxiliary finally had an effective stream playing.

PAINT GONE UP, BUT OUR PRICE HAS NOT.

Most everyone is aware of the recent advance in the price of house paint, and while we cannot replace it at the price we sell it at, we are still offering Health & Milligan paint at \$1.75 per gallon. Now is the time to get busy.
WOODWORTH, Druggist.

"The Widow Perkins."

Al Warda and his associates made good, Monday night, in the Temple theatre, on his advertised promise to produce the laugh. His extravaganza lacks but few marks of the ancient barn-storming comedy, but it evolves and perpetuates the laugh—and is worth the price performance of the audibleness of the smile.

Between Denver and Lincoln.

The only appearance between Denver and Lincoln of "My Cinderella Girl" will be at McCook, next Tuesday night, October 18th. William Norris, the leading man, was out formerly with "The Burgomaster."

Have Special Session.

McCook lodge No. 42, Knights of Pythias, was in special session, last Friday evening, with a goodly attendance of members.

In addition to conferring the rank of knight on Ray Huber, the meeting was of special interest on account of the presence of Past Grand Chancellor William T. Denny, whose address after the work of the session was keenly and heartily enjoyed.

Mr. Denny spent a few days in this section of the state in the interest of Pythianism, visiting different established lodges and doing some preliminary work toward organizing lodges—especially one in Cambridge.

"The Wizard of Wiseland."

As musical as opera and as full of whimsical fun as the wittiest farce, the "Wizard of Wiseland" is blazing his merry way along the theatrical highroad. This merry musical comedy extravaganza is staged with a wealth of accessories and carries the prettiest girls of any chorus show on the road. A clever animal actor interpolates a huge lion which is claimed to be the best of its kind on any stage. Managers McConnell and Penell have secured this gilt-edged attraction for Saturday, Oct. 15th, at the Temple theatre.

A No-Score Game.

That briefs the game of Saturday afternoon last between the high school teams of McCook and Oxford. It has been styled, too, a clean and snappy game, and everybody is well satisfied with the result, although the locals claim they would have scored but for an off-side decision against them.

The only accident of note was the fractured right wrist sustained by Quarter-back Harold Schwab in a pile up in which someone stepped on his wrist.

Helped Institute New Council.

Two automobile loads of members of McCook council No. 1126 went to Norton Kansas, Sunday to assist in the institution of a new Knights of Columbus council in that city. D. G. Divine was chauffeur for Messrs. Frank Real, C. J. O'Brien, C. F. Lehn and Chas. Skalla, and W. B. Mills for Rev. Wm. J. Patton, O. M. L. E. J. Brady, J. R. Stansberry, James McAdams.

It was quite a memorable occasion—and a great trip.

The Doctor Returns.

Dr. C. M. Duncan and family returned, close of last week, from Malcolm, and the doctor will resume the practice of medicine in his old home, but in a new location, having rented the stone residence on the corner of 2nd street east and D st., where he will have his office and reside with his family.
