FOR BALD HEADS.

A Treatment That Costs Nothing if It Fails.

We want you to try three large bottles of Rexall "93" Hair Tonic on our personal guarantee that the trial will not cost you a penny if it does not give you absolute satisfaction. That's proof of our faith in this remedy, and it should indisputably demonstrate that we know what we are talking about when we say that Rexall "93" Hair Tonic will grow hair on bald heads, except where baldness has been of such long duration that

the roots of the hair are entirely dead, the follicles closed and grown over, and the scalp is glazed.

Remember, we are basing our statements upon what has already been accomplished by the use of Rexall "93" Hair Tonic, and we have the right to assume that what it has done for thousands of others it will do for you. In any event you cannot lose anything by giving it a trial on our liberal guarantee. Two sizes, 50c. and \$1.00. NEEDFUL KNOWLEDGE.

McCook People Should Learn to Detect the Approach of Kidney Disease.

The symptoms of kidney trouble are so unmistakable that they leave no ground for doubt. Sick kidneys excrete a thick, cloudy, offensive urine, full of sediment, irregular of passage or attended by a sensation of scalding. The back aches constantly, headaches and dizzy spells may occur, and the victim is often weighed down by a feeling of languor and fatigue. Neglect these warnings and there is danger of dropsy, Bright's disease, or diabetes. Any one of these symptoms is warning enough to begin treating the kidneys at once. Delay often proves fatal.

You can use no better remedy than Doan's Kidney Pills. Here's McCook proof:

Mrs. H. A. Rouch, 212 E. Fifth st., McCook, Neb., says: "I have seen what Doan's Kidney Pills will do in cases of kidney complaint and therefore feel justified in recommending them. A member of my family took this remedy when suffering from backache and soon received entire relief."

For sale by all dealers, cents. Foster-Milburn Co., New York, sole agents for United States.

Remember the name—Doan's—take no other.

POPULISTS!

Do Not Permit the Pernicious Official Methods of George Junkin to Disfranchise You in the Choice of Senator Because He Refuses to Put George Sayer's Name on Your Ticket.

Notwithstanding the fact that George Sayer received almost the unanimous vote of the People's Independent party at the late primary election, the secretary of state refused to place his name on that ticket because the secretary says that Mr. Sayer died no statement that he would accept the nomination. We absolutely know that Mr. Sayer did make such statement, that he did sign and swear to the required form and that this statement was with the papers mailed to the secretary before the primary and that his name should have been on the primary ticket. But even admitting that the secretary did not find the statement of acceptance among his files and was right in his ruling as to the primary ballot, what valid reason can he give for still refusing to place Sayer's name on the ballot for general election? The man whom he declared the nominee of the People's party for senator declined the nomination. The senatorial committee for the Twenty-ninth district substituted the name of Sayer in his stead and certified it to the secretary. Mr. Junkin then said that this substitution of Sayer for McCowen was not good because it should have been done by the committee of 1908. That committee was then gotten together and everything done that could be done to comply with the peanut political methods of this pinhead politician who holds the office of secretary of state and he still refuses to put Sayer's name on the ticket. For what reason, simply because he thinks by so doing he can deprive Mr. Sayer of a part of the Populist vote and thereby secure Sayer's defeat. We appeal to the voters of the Twenty-ninth district, therefore, to see to it that the petty methods resorted to by this peanut politician who now occupies the office of secretary of state are defeated. There is no reason why Sayer should lose a vote on account of this secretary's unfairness. The first thing you do when you enter the booth on election day, FIND GEORGE SAYER'S NAME AND GIVE HIM YOUR VOTE. He is worthy of and entitled to every Populist vote in the district. Do not permit this man Junkin to entirely blot your party off the ticket in the Twenty-ninth district. Vote for the man whom you really nominated at the primary and whose name your committee has twice attempted to get on your ticket. Elect George Sayer and show this petty politician that his detestable methods in the office of secretary of state are repudiated by the people.

Get Ready for Trenton.

The McCook High School foot-ball team has been developed this year into one of the fastest teams in this part of the state. The boys average a little less than 130 pounds. The great game of the season here at McCook will be with the Trenton High School, Nov. 12th. The Trenton team averages 156 pounds to the man and have been well coached. In the first part of the season they beat the McCook team with two or three of the regular players not in the game at all with a score of 11 to 0. Since then the McCook team has been developing into regular form every day. The new rules under which foot-ball is played this year take out of the game a great part of danger and rough play, which has been the objection to the game heretofore. The game this year is much more open and spectacular. All lovers of the old game, as well as those curious to see the new game ought by all means to come out and see the game with the Trenton High School, which will be played on the East ward grounds Saturday, Nov. 12th, at 3:00 p.m. The Trenton people are trying to arouse enough enthusiasm to bring down a special train to cheer their team in this game. They have defeated every team that they have played this year except Atwood, Kansas. The game Nov. 12th will give as fine an exhibition of foot-ball as the Thanksgiving game a year ago. Those people who like to see small athletes out play and out point heavier ones ought not fail to see this game. Come out and see the game under the new rules. McCook team goes to Culbertson, Saturday the 5th to play there and will play the return game with Indianola at Indianola Nov. 19.
