### Facts and Comments.

Sorry, Jim, but the "Little Captain of the Ship Omaha," won't be able to issue any invitations to the barbecue on the capital grounds in Lincoln, this year. Nor lead the grand march at the big dance on that all-embracing platform. Nor show the "boys" where to get something in a dry town. It's all off, boys.

If the people of Nebraska are satisfied with the result of the Burckett-Hitchcock affair, The Tribune must be. But it isn't proud of the job.

Next to the large vote for Congressman Norris of 1395, the largest vote polled by any candidate, was that of Chas. D. Ritchie, who received 1172.

Woodrow Wilson, Democrat, won the governorship in New Jersey.

The Tammany Tiger and the Republican standpatters—the system fellows in both parties—got "the colonel's" scalp in New York. Dix, Democrat, will be governor, and possibly the entire Democratic state ticket. We are for "Teddy" first, last and all the time, just the same.

Massachusetts is in the "political romersault." Foss, Democrat, will be its next governor.

In 1908 the county attorney's majority was 190. This year it is 381 the other way—a gain of 571.

"McCook ain't so slow," remarked a citizen after the rally, Monday, "with such a combination as G. W. Norris, the McCook band and a theatre like the Temple."

The people of Omaha may just as well keep Mayor Jim in that office for the rest of his natural life. That would keep him out of Nebraska, at any rate.

### Public Library Notes.

### Temporary Injunction.

Judge Munger late yesterday afternoon granted a temporary injunction against Herbert E. Gooch, L. B. Tobl and William Clendenen, and the H. E. Gooch company, enjoining them from receiving, using or selling the quotations of the Chicago board of trade. The suit against the Gooch company was brought some months ago by the Chicago board of trade, who alleged that the company was using their quotations though not entitled to do so. In his memorandum opinion Judge Munger stated that the respondents must know from what source they receive their quotations, but notwithstanding this they keep silent on this point. The denial that they receive the board of trade's quotations in any surreptitious manner, the court says, is no denial that they receive such quotations, and the other denials, the opinion states, are all evasive. The argument that the quotations used by the company originated in bona fide trades on the floor of the Lincoln grain exchange is not supported by sufficient proof, in the view of the court.—Tuesday's Lincoln Journal.

## ALDRICH WINS IN NEBRASKA

### Figures Favorable to Republican Candidate For Governor.

### FOURTH OF STATE HEARD FROM

Dahlman Piles Up Majority of Over Eighty-Five Hundred in Home County, but Country Precincts Give Aldrich Heavy Support—Hitchcock Leads for Senator.

Omaha, Nov. 9.—Chester H. Aldrich of David City, Butler county, is elected to be the next governor of Nebraska by a decisive plurality over James C. Dahlman of Omaha.

Returns from 358 precincts indicate that Aldrich will come to Douglas

C. H. ALDRICH.

county by at least 15,000, and perhaps more, in the lead of Dahlman. This will wipe out Dahlman's immense majority in Douglas and leave Aldrich anywhere from 7,000 up.

Douglas county has given Dahlman (Dem.) for governor a majority of something like 8,500 over Aldrich (Rep.) and Dahlman has carried all his associates on the Democratic ticket over the safety line with him.

### Congressional Returns.

First district—Hayward (Rep.) appears to have a safe lead over Maguire (Dem.), both men claiming victory.

Outside of Douglas county Judge Sutton has a lead of 322, but cannot overcome Lobbeck's lead in this county. In Sarpy Sutton received 826, Lobbeck 734; in Washington Sutton 1,209, Lobbeck 979.

Congressman Latta has apparently won a re-election in the Third district, figures showing him in the lead with 3,435 votes, as against 2,859 for Judge Boyd.

One return from the Fourth district gives Sloan (Rep.) 252, Good (Dem.) 223.

Judge Norris has increased his vote of two years ago in parts of the Fifth district, especially in Hall county, and is likely to have a substantial majority. Returns are very few, but all favorable to Norris.

In the Sixth Congressman Kinkaid has a safe lead on the figures in hand, with over 500 to the good. The returns received give Kinkaid 2,694 and Taylor 2,122.

### Hitchcock for Senator.

Lincoln, Nov. 9.—Incomplete returns from the state outside of Omaha indicate that Congressman Hitchcock has carried the state by a good majority.

Chairman Husenetter said that he was thoroughly satisfied that Aldrich

GILBERT M. HITCHCOCK.

would go through with a sufficient majority to carry the entire Republican state ticket with him. He received a telegram from the Fifth congressional district saying that five counties had been heard from and they will give Aldrich a majority of 3,500 and that his majority in the district would be large.

Returns from 433 precincts indicated that Hitchcock, Democratic nominee for senator, had carried the state by close to 20,000 majority over Burckett.

### Arkansas.

Little Rock, Nov. 9.—The Democrats made a clean sweep in the congressional election electing all nominees

### "The Man on the Box."

A superb company of players will be seen at Temple theatre on Wednesday, Nov. 16th in a splendid revival of Harold McGrath's classic story, "The Man on the Box," dramatized by Grace Livingstone Furniss. This play ran over 200 nights in New York and was an instantaneous and decided hit from the moment of its first production and has in no degree lost any of its pleasing powers to catch and hold in its entrancing and fascinating spell the hearts of its hearers and delight them with its strong heart interest, its delicious, high-class comedy, as pure and rich as the crisp and sparkling wit, fresh from the pen of a master hand who has in one grand stroke, reached every passion of the human soul. The piece will be correctly staged and costumed in every detail. The book has been widely read and as the play closely follows the book, it will be an evening of rare entertainment for all.

### A New Apple District.

Competent authorities agree that the Big Horn Basin with its excellent soil and favorable climatic conditions, will soon be recognized as one of the great apple growing districts of the Northwest. Prof. B. C. Buffum, who for 15 years devoted his time in experimenting in agricultural and horticultural lines while in charge of the state experimental station at Laramie, Wyoming, and Professor Aven Nelson, State Horticulturalist of Wyoming, both have given an opinion that the Basin is remarkably well adapted to the development of commercial orchards.

Fruit orchards are now being planted in many localities in the Big Horn Basin, and much land that has in the past been devoted to the raising of wheat, oats, barley, alfalfa, and other hay crops is being planted to apple orchards.

### Two For One.

The Weekly Inter Ocean and Farmer is the only weekly newspaper published in Chicago in connection with a great daily paper. It contains a judiciously selected summary of the news of the nation and world, the best stories, home, farm, woman's boys' and girls' and other special departments, and fair patriotic, able editorials written from a Republican viewpoint. It is by far the best general newspaper of the Western states. The regular price of the Weekly Inter Ocean and Farmer is \$1 and for The McCook Tribune \$1.00. But subscriptions will be received at this office for the two papers in combination for only \$1.25.

That special arrangement we've made with The Weekly Inter Ocean and Farmer, \$1.25 for it and this paper for one year, has made a hit.

### ACKNOWLEDGE IT.

McCook Has to Bow to the Inevitable—Scores of Citizens Prove It.

After reading the public statement of this representative citizen of McCook given below, you must come to this conclusion: A remedy which cured years ago, which has kept the kidneys in good health since, can be relied upon to perform the same work in other cases. Read this:

Mrs. D. A. Jordan of McCook, Neb., says: "About a year and a half ago, I suffered from kidney complaint. There was a dull, bearing-down sensation through the small of my back and at times I became so weak across my loins that I could hardly stoop. I did not sleep well and this resulted in a tired feeling when I got up in the morning. Headaches bothered me and I was very nervous. Doan's Kidney Pills, procured at McConnell's Drug Store, improved my condition as soon as I began taking them and the contents of six boxes effected a complete cure." (Statement given June 21, 1907.)

### The Cure Lasted.

Mrs. Jordan was interviewed on June 21, 1910, and she said: "I gladly confirm the statement I gave in 1907, recommending Doan's Kidney Pills in my case and I am now enjoying good health."

Remember the name—Doan's—and take no other.

No progressive family should overlook the special arrangement with The Weekly Inter Ocean and Farmer, whereby \$1.25 pays for one year's subscription to it and this paper.

Mr. Otto Paul, Milwaukee, Wis., says Foley's Honey and Tar is still more than the best. He writes us, "All those that bought it think it is the best for coughs and colds they ever had and I think it is still more than the best. Our baby had a bad cold and it cured him in one day. Please accept thanks." A. McMillen.

"I do not believe there is any other medicine so good for whooping cough as Chamberlain's Cough Remedy," writes Mrs. Francis Turpin, Junction City, Ore. This remedy is also unsurpassed for colds and croup. For sale by all dealers.

## LAND

### That Will Make You Rich

The greatest combination of industrialism and farming, now rapidly developing, is to be found along the Burlington route in the vicinity of SHERIDAN, WYOMING, HARDIN AND BILLINGS, MONT., and in the BIG HORN BASIN.

where large, deeded, alfalfa ranches that have made millionaires of the owners, are being divided into small farms, and where Government irrigated homesteads and Carey Act Lands are available.

A WONDERFULLY RICH COUNTRY: You can get hold of an irrigated farm within a radius of a few miles of excellent coal, natural gas, illuminating oil, building materials, fast growing towns that have varied industries.

PERSONAL CONDUCTED EXCURSIONS: On the first and third Tuesdays I personally conduct landseekers excursions to see these lands.
