### A Christmas Present That Means Something.

There is one especially good thing about a Christmas present of The Youth's Companion. It shows that the giver thought enough of you to give you something worth while.

It is easy to choose something costing a great deal more which is absolutely useless, but to choose a present costing only \$1.75 that will provide a long year's entertainment, and the uplifting companionship of the wise and great, is another matter. There is one present, however, which does just that—The Youth's Companion.

If you want to know whether it is appropriate or welcome, just visit the home of some Companion subscriber on Companion day.

Do not choose any Christmas present until you have examined The Companion. We will send you free sample copies and the beautiful prospectus for 1911, telling something of how The Companion has recently been enlarged and improved.

The one to whom you give the subscription will receive free all of the numbers of 1911 issued after the money is received; also The Companion's Art Calendar for 1911, lithographed in twelve colors and gold. These will be sent to reach the subscriber Christmas morning, if desired.

You, too, as giver of the subscription, will receive a copy of the Calendar.

## That Will Make You Rich

The greatest combination of industrialism and farming, now rapidly developing, is to be found along the Burlington route in the vicinity of

SHERIDAN, WYOMING, HARDIN AND BILLINGS, MONT., and in the BIG HORN BASIN,

where large, deeded, alfalfa ranches that have made millionaires of the owners, are being divided into small farms, and where Government irrigated homesteads and Carey Act Lands are available.

A WONDERFULLY RICH COUNTRY: You can get hold of an irrigated farm within a radius of a few miles of excellent coal, natural gas, illuminating oil, building materials, fast growing towns that have varied industries.

PERSONAL CONDUCTED EXCURSIONS: On the first and third Tuesdays I personally conduct landseekers excursions to see these lands.
